Brighton Beach Memoirs NYLA

It's 1945. American soldiers return home to ticker tape parades and overjoyed families; Private First Class Donny Novitski, singer and songwriter, returns with the hope of rebuilding his life with just the shirt on his back and a dream in his heart. When NBC announces a national competition to find the nation's next swing

band sensation, Donny joins forces with a motley group of fellow veterans, and together they form a band unlike any the nation has ever seen. However, complicated relationships, the demands of the competition, and the challenging after-effects of war may break these musicians. But, when Donny meets a beautiful, young singer named Julia, he finds the perfect harmony in words and music that could take this band of brothers all the way to the live radio broadcast finale in New York City. Victory will require every ounce of talent, stamina, and raw nerve that these musicians possess.

Celebrity gossip meets history in this compulsively readable collection from BuzzFeed reporter Anne Helen Peterson. This guide to film stars and their deepest secrets is sure to top your list for movie gifts and appeal to fans of classic cinema and hollywood history alike. Believe it or not, America's fascination with celebrity culture was thriving well before the days of TMZ, Cardi B, Kanye's tweets, and the #metoo allegations that have gripped Hollywood. And the stars of yesteryear? They weren't

always the saints that we make them out to be. BuzzFeed's Anne Helen Petersen, author of *Too Fat, Too Slutty, Too Loud*, is here to set the record straight. Pulling little-known gems from the archives of film history, Petersen reveals eyebrow-raising information, including: • The smear campaign against the original *It Girl*, Clara Bow, started by her best friend • The heartbreaking story of Montgomery Clift's rapid rise to fame, the car accident that destroyed his face, and the "long suicide" that followed • Fatty Arbuckle's descent from Hollywood royalty, fueled by allegations of a boozy orgy turned violent assault • Why Mae West was arrested and jailed for "indecent charges" • And much more Part biography, part cultural history, these stories cover the stuff that films are made of: love, sex, drugs, illegitimate children, illicit affairs, and botched cover-ups. But it's not all just tawdry gossip in the pages of this book. The stories are all contextualized within the boundaries of film, cultural, political, and gender history, making for a read that will inform as it entertains. Based on Petersen's beloved column on the Hairpin, but featuring 100% new content, *Scandals of Classic Hollywood* is sensationalism made smart.

"At the ages of 25 and 21, Lucy and Susan Letcher set out to thru-hike the entire 2,175 miles of the Appalachian Trail--barefoot. Quickly earning themselves the moniker of the Barefoot Sisters, the two begin their journey at Mount Katahdin and spend eight months making their way to Springer Mountain in Georgia. As they hike, they write about their adventures through the 100-mile Wilderness, the rocky terrain of Pennsylvania, and snowfall in the great Smoky Mountains. It's as close as one can get to hiking the Appalachian Trail without strapping on a pack"--Back cover.

Once again we have found the unique in outdoor books--the first book about hiking barefoot. Developed by a hiker in New England, it introduces people to the idea that the foot can hit the trail without benefit of boot or sneaker. All the joys, the hazards, and the myths are dealt with, along with a lot of careful instructions for beginners.

From New York Times and USA Today bestselling author, Suzanne

Enoch, a new romantic crime thriller featuring fan-favorites Samantha Jellicoe and Rick Addison... A simple pre-wedding getaway for a “reformed” cat burglar and her wealthy British fiancé – what could go wrong? Except for his contentious family, a crumbling Scottish castle, a legendary treasure, and a possible haunting, that is. Samantha Jellicoe, jewel thief extraordinaire, is still adjusting to being engaged to Richard Addison, billionaire entrepreneur and very hot British lord. Complicating that is the entire press corps hounding her for an interview – bad news for a mostly retired cat burglar intent on keeping her private life private. She is ecstatic when Rick suggests they escape to his castle in Scotland; she’s less so when the old pile turns out to be dilapidated, full of Rick’s resentful relatives, and (possibly) haunted. While he navigates the consequences of ignoring his family for the past fifteen years, Sam uncovers a legend of buried treasure – and realizes she isn’t the only one searching for the famous highwayman’s loot. While Sam is an expert at blending into the very different worlds of patrons and thieves, meeting people important to Rick is way more complicated. Combined with iffy phones, unreliable lights and power, a clandestine treasure hunt, a wannabe reality-star girlfriend, and a rumored “restless spirit,” this vacation in the Scottish Highlands might be more than a self-respecting former thief can handle. “Fucking vivid as hell, to be honest, and I loved every page of this rollicking ride.”—New York Times bestselling author, Karen Hawkins “Each and every Enoch romance is a sparkling gem brimming over with marvelous characters, depth of emotion, intense sensuality and a plot that twists and turns, leaving readers breathless and deliciously satisfied.”—Romantic Times, 4

This volume explores the lower reaches of cinema and its paradoxical appeal. It looks at films from the B-movies of the 1930s to the mockbusters of today, and from the New York underground to the genre variations of Turkey's Yesilçam studios (and their YouTube afterlife). Critically examining the reasons for studying, denigrating, or celebrating the detritus of film history, it also considers the place of a trash aesthetic within and beyond 1960s American avant-garde and looks at the cult of trash in the fanzines of the 1980s. It draws on debates about cult, paracinema, and camp, arguing that trash cinema exists in relation to these but brings with it a particular history that includes the ordinary as well as the strange. Trash Cinema places these debates, and the strand of self-proclaimed low culture that emerged in the second half of the twentieth century, within a historical and international perspective. It focuses on American cinema history but addresses Eurotrash reception as well as the related field of garbology, examining trash cinema as a distinct but fluid category.

Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother,

overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV

In *Recollections of My Life as a Woman*, Diane di Prima explores the first three decades of her extraordinary life. Born into a conservative Italian American family, di Prima grew up in Brooklyn but broke away from her roots to follow through on a lifelong commitment to become a poet, first made when she was in high school. Immersing herself in Manhattan’s early 1950s Bohemia, di Prima quickly emerged as a renowned poet, an influential editor, and a single mother at a time when this was unheard of. Vividly chronicling the intense, creative cauldron of those years, she recounts her revolutionary relationships and

sexuality, and how her experimentation led her to define herself as a woman. What emerges is a fascinating narrative about the courage and triumph of the imagination, and how one woman discovered her role in the world.
