LILLY BALLARD

Head, Heart and Hand

Doubleday, Page &
Company

"A classic of educational criticism proves its relevance in light of today's educational quandaries First published by McGraw-Hill in 1939,

The Saber-Tooth Curriculum was a groundbreaking satire of the educational establishment, and its unwillingness to adapt to changing times.

Throughout the decades, this witty work has not only become an educational classic, but has also remained as relevant and applicable to the key questions in education today as it was when first published. With

tongue firmly in cheek, Peddiwell takes on the conflicting philosophies of education, from its imagined origins at the dawn of time to its culmination in a ritualistic, deeply entrenched social institution with rigidly prescribed norms and procedures. Developed within a fanciful framework of fictional lectures, given by fictional author Professor J. Abner Peddiwell, doyen in the

History of Education at Petaluma State College, this humorous fable illustrates the progress of education and gives valuable insights into how it could continue to develop in the decades to come."--desc. of new 2004 ed., via amazon.ca. [How to Win Friends and Influence People](#) Simon and Schuster "A wonderful, gripping mix of passion, exotic, futuristic settings, and edgy suspense."—Jayne Castle In HeartMate, Robin D. Owens swept us away to the planet Celta,

where psychic talents are the key to life—and love! Midwest Book Review predicted that “readers will want Ms. Owens to return to Celta for more tales.” And the prophesy has come true—with Heart Thief... Ruis Elder never asked for his unusual trait—the ability to neutralize others’ psychic talent. Because of it, he has always been hated in his own homeland, destined to roam the harsh planet alone. But trouble finds him in front of the ruling Council—and face-to-face

with the most beautiful woman he has ever seen. There’s only one problem: Ailim is on the opposite side of the bench... Ailim has never before felt such passion coursing through her as she feels in Ruis’s presence. And she never thought she would—at least not with a man so far beneath her station, a man who does not even have psychic powers. But even on the planet Celta, love is blind to such details. Separately, Ailim and Ruis must forgo their old lives. But together, they can take on the

world...

TIME MAGAZINE'S 100

BEST YA BOOKS OF ALL

TIME The extraordinary,

beloved novel about the

ability of books to feed

the soul even in the

darkest of times. When

Death has a story to tell,

you listen. It is 1939. Nazi

Germany. The country is

holding its breath. Death

has never been busier,

and will become busier

still. Liesel Meminger is a

foster girl living outside of

Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring

stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.”

—USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Brave Work. Tough Conversations. Whole

Hearts. Beacon Press

Lily Owens and her

African-American maid

seek refuge from the

racism of their South

Carolina hometown with

eccentric beekeeping sisters in this coming of age story representing the letter “K” in a new series of twenty-six collectible editions.

James Town 1607

Beacon Press

A new edition, including the story of the founding of the Harlem Children’s Zone Long before the avalanche of praise for his work—from Oprah Winfrey, from President Bill Clinton, from President Barack Obama—long before he became known for his talk show appearances,

Members Project spots, and documentaries like *Waiting for “Superman”*, Geoffrey Canada was a small boy growing up scared on the mean streets of the South Bronx. His childhood world was one where “sidewalk boys” learned the codes of the block and were ranked through the rituals of fist, stick, and knife. Then the streets changed, and the stakes got even higher. In his candid and riveting memoir, Canada relives a childhood in which violence stalked every

street corner.

The Warrior's Heart
WaterBrook Press

The past returns with a fury for a woman coming to terms with her life in this award-winning novel by an acclaimed Icelandic author making her English-language debut. Elín Jónsdóttir lives an isolated existence in Reykjavík, Iceland, making props and prosthetics for theatrical productions and Nordic crime flicks. In her early seventies, she has recently become fascinated with another

loner, Ellen Álfisdóttir, a sensitive young playwright and illegitimate daughter of a famous writer. The girl has aroused maternal feelings in Elín, but she has also stirred discomfiting memories long packed away. Because their paths have crossed before. One doesn't remember. The other is about to forget. Soon they'll discover all they have in common: difficult childhoods, trauma, and being outliers who have found space to breathe in creative

expression. Yet the more Elín tries to connect with the young woman and unbox painful memories, the more tenuous her grasp on reality becomes. Winner of the Icelandic Literary Prize, *A Fist or a Heart* is a gripping, artfully interwoven novel of power, secrets, and isolation by one of the most bracing and original voices of the author's generation.

THE HEART AND THE FIST

shares one man's story of extraordinary leadership and service as both a humanitarian and a warrior. In a life lived at the raw edges of the human experience, Greitens has seen what can be accomplished when compassion and courage come together in meaningful service. As a Rhodes Scholar and Navy SEAL, Greitens worked alongside volunteers who taught art to street children in Bolivia and led US Marines who hunted terrorists in Iraq. He's learned from nuns who

fed the destitute in one of Mother Teresa's homes for the dying in India, from aid workers who healed orphaned children in Rwanda, and from Navy SEALs who fought in Afghanistan. He excelled at the hardest military training in the world, and today he works with severely wounded and disabled veterans who are rebuilding their lives as community leaders at home. Greitens offers each of us a new way of thinking about living a meaningful life. We learn that to win any war, even

those we wage against ourselves; to create and obtain lasting peace; to save a life; and even, simply to live with purpose requires us—every one of us—to be both good and strong. Up From Slavery Mariner Books

The aim of this book is to familiarise English-speaking readers with the thoughts of the Swiss educationalist and philosopher, Johann Heinrich Pestalozzi (1746-1827), who was a major influence on such important educators as

Froebel and Montessori. The book also demonstrates that consideration of Pestalozzi's fundamental ideas can provide helpful guidance for all those who want schools to be more child-oriented and produce better-educated school-leavers. The aim of this book is to familiarise English-speaking readers with the thoughts of the Swiss educationalist and philosopher, Johann Heinrich Pestalozzi (1746-1827), who was a major influence on such important educators as

Frobel and Montessori. The book also demonstrates that consideration of Pestalozzi's fundamental ideas can provide helpful guidance for all those who want schools to be more child-oriented and produce better-educated school-leavers. Arthur Bruhlmeier takes a practical approach to the educational philosophy and life of Pestalozzi which will be of great benefit to all those in the field of education, as well as to parents.

Notes from the Other

Side of the Fist Bump

Little, Brown Books for Young Readers
 Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the

German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive.

“The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure.”—The New York Times Book Review

Quality Education as a Constitutional Right

A Memoir Penguin Group USA

GRABBING A GOLDEN DREAM WITH GOLDEN GLOVES Does boxing teach anything besides how to club someone into submission? Can it transcend its sordid reputation and instill love, compassion and honor in Americas most troubled kids? In this raw yet uplifting memoir about amateur boxing, author Peter Wood tells of his begrudging return to a world he thought hed left behind. He steps back into

the mud of boxing, coaching two troubled teens who dreamas he once didof becoming Golden Gloves champions.His compelling story moves far beyond the grunt and sweat of the local gym. It explores the classrooms of a suburban high school and digs through the remains of unhappy childhoods. Its a story about how boxing is a way out, and how it cleanses the soul.This book brings the subculture of amateur boxing up close and weaves a powerful story

of redemption, beating demons and battling for glory.

The Book Thief Beacon Press

A NEW YORK TIMES

BESTSELLER “One of the most important books of the current

moment.”—Time “A rousing call to action... It should be required reading for

everyone.”—Gabrielle Union, author of *We’re Going to Need More Wine* “A brutally candid and unobstructed portrait of mainstream white feminism.” —Ibram X.

Kendi, author of *How to Be an Antiracist* A potent and electrifying critique of today’s feminist movement announcing a fresh new voice in black feminism Today’s feminist movement has a glaring blind spot, and paradoxically, it is women. Mainstream feminists rarely talk about meeting basic needs as a feminist issue, argues Mikki Kendall, but food insecurity, access to quality education, safe neighborhoods, a living wage, and medical care are all feminist issues. All

too often, however, the focus is not on basic survival for the many, but on increasing privilege for the few. That feminists refuse to prioritize these issues has only exacerbated the age-old problem of both internecine discord and women who rebuff at carrying the title. Moreover, prominent white feminists broadly suffer from their own myopia with regard to how things like race, class, sexual orientation, and ability intersect with gender. How can we stand

in solidarity as a movement, Kendall asks, when there is the distinct likelihood that some women are oppressing others? In her searing collection of essays, Mikki Kendall takes aim at the legitimacy of the modern feminist movement, arguing that it has chronically failed to address the needs of all but a few women. Drawing on her own experiences with hunger, violence, and hypersexualization, along with incisive commentary on politics, pop culture,

the stigma of mental health, and more, Hood Feminism delivers an irrefutable indictment of a movement in flux. An unforgettable debut, Kendall has written a ferocious clarion call to all would-be feminists to live out the true mandate of the movement in thought and in deed.

A Personal History of Violence Penguin

A humanitarian-turned-Navy SEAL describes how he drew on his humanitarian training to battle injustice. *The Amelia Six* Penguin

Originally published in 1981, this title is a collection of chapters based on papers presented at a conference called to explore what the editors called a developmental-interaction point of view – an approach to developmental psychology and education that stresses these interactive and reciprocal relations. The contributors, although from diverse professional backgrounds, are united in their commitment to an integrative view of

developmental phenomena, one that highlights relationships among different aspects of development and the reciprocal nature of relations between people and their environments.

BESTSELLER • Brené

Brown has taught us what it means to dare greatly,

rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Look for Brené Brown's new podcast, Dare to Lead, as well as her ongoing podcast Unlocking Us! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for

recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture

defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past

two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of

courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your

whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Dear Parents One World Shares the author's adventures as a young man that led him to a life of service as both a

humanitarian and a Navy SEAL.

The Making of a Golden Gloves Champion IAP

"Finally: an engaging, evidence-based book about how to battle biases, champion diversity and inclusion, and advocate for those who lack power and privilege. Dolly Chugh makes a convincing case that being an ally isn't about being a good person—it's about constantly striving to be a better person." —Adam Grant, *New York Times* bestselling author of *Give*

and *Take, Originals*, and *Option B* with Sheryl Sandberg Foreword by Laszlo Bock, the bestselling author of *Work Rules!* and former Senior Vice President of People Operations at Google An inspiring guide from Dolly Chugh, an award-winning social psychologist at the New York University Stern School of Business, on how to confront difficult issues including sexism, racism, inequality, and injustice so that you can make the world (and yourself) better. Many of us believe in equality,

diversity, and inclusion. But how do we stand up for those values in our turbulent world? The Person You Mean to Be is the smart, "semi-bold" person's guide to fighting for what you believe in. Dolly reveals the surprising causes of inequality, grounded in the "psychology of good people". Using her research findings in unconscious bias as well as work across psychology, sociology, economics, political science, and other disciplines, she offers

practical tools to respectfully and effectively talk politics with family, to be a better colleague to people who don't look like you, and to avoid being a well-intentioned barrier to equality. Being the person we mean to be starts with a look at ourselves. She argues that the only way to be on the right side of history is to be a good-ish— rather than good—person. Good-ish people are always growing. Second, she helps you find your "ordinary privilege"—the

part of your everyday identity you take for granted, such as race for a white person, sexual orientation for a straight person, gender for a man, or education for a college graduate. This part of your identity may bring blind spots, but it is your best tool for influencing change. Third, Dolly introduces the psychological reasons that make it hard for us to see the bias in and around us. She leads you from willful ignorance to willful awareness. Finally, she guides you on how, when,

and whom, to engage (and not engage) in your workplaces, homes, and communities. Her science-based approach is a method any of us can put to use in all parts of our life. Whether you are a long-time activist or new to the fight, you can start from where you are. Through the compelling stories Dolly shares and the surprising science she reports, Dolly guides each of us closer to being the person we mean to be. *The Heart And The Fist* Random House Trade Paperbacks

This Fist Called My Heart: The Peter McLaren Reader, Volume I is “at the same time an homage, a gathering, an intellectual activist’s...toolkit, a teacher’s bullshit detector, a parent’s demand list and an academic’s orienting topography. This collection of essays...represents some of the most central and important work of Peter McLaren; work he has done on behalf of people’s liberation and humanization over more

than three decades. [It provides] readers with an opportunity to develop a deep understanding of McLaren’s intellectual history and academic development, and the thinking processes that lead to his current framework and intellectual/philosophical/political situatedness in humanist Marxism. Through these gathered and sequentially presented essays, readers will be able to ‘see’ McLaren in the process of his theory construction, over time, without missing

his essence of struggling for a just society that promotes the full humanity and liberation of all people. [Here,] we have curated some of the most exemplary essays along the trajectory of Peter McLaren's long and impactful career. These pieces track and document Peter's intellectual grow as one of North America's most important intellectuals and advocates for critical pedagogy; his theorizing of the discursive and the everyday through post-modernist and post-

structural lenses; his contributions to the literature and practice of critical multiculturalism; his stirring work on capitalist empire, and valiant struggles to resist it; through to his foundational, long held connection and cutting edge contribution to the field of humanist Marxism." "Whether you are a neophyte to McLaren's work or a long time student of it; an Enlightenment modernist or an avid poststructuralist; a liberal, social democrat, Anarchist

or Marxist; an undergraduate, emeritus professor or a community activist; a feminist, critical race theorist or LGBT scholar; an educationalist, sociologist, engineer or physicist, it is our sincere hope and belief that you will find provocation, inspiration, solidarity and hope in the work of Peter McLaren that we present here." Marc Pruyne & Luis Huerta-Charles "This Fist Called My Heart: The Organization of These Volumes."
