A free CD-ROM with 150 NCLEX format questions is packaged with each title in the series. A Volume in the Rollant Nursing Review Series (Includes FREE CD-ROM)

NCLEX-RN Practice Test Questions Chicago Review Press

NCLEX-RN Practice Questions are the simplest way to prepare for the NCLEX-RN test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to

practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCLEX-RN Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCLEX-RN Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

NCLEX-RN Questions and Answers Made Incredibly Easy! Test Prep Books

This book is a collection of multiple choice questions on topics frequently covered on NCLEX-RN examinations. Answers are located after each question section.

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.

NCLEX-RN Practice Questions Exam Cram Pearson Education

The National Council Licensure Examination (NCLEX-RN® exam) has one purpose: To determine if it's safe for you to begin practice as an entry-level nurse. It is significantly different from any test that you took in nursing school. While nursing school exams are knowledge-based, the NCLEX-RN® tests application and analysis uses the nursing knowledge you learned in school. You will be tested on how you can use critical thinking skills to make nursing judgments. Preparing for the NCLEX-RN exam to become a NCLEX-RN by NCSBN? Here we have brought 800+ Exam Questions for you so that you can prepare well for this Exam of NCLEX-RN. Unlike other online simulation practice tests, you get a ebook version that is easy to read & remember these questions. You can simply rely on these questions for successfully certifying this exam.
