Following Jesus includes progressively walking into freedom; and the empowerment to advance the Kingdom of God. Understand what demons are, and how they enter people and work to destroy lives; and then what Jesus has done to purchase freedom from oppression for us. Learn about the important part we have to play in positioning ourselves to experience freedom. Understand the anointing upon Jesus, and the impact of that anointing in our lives. Learn about the basic doorways that demons use to enter people, and the issues of the heart that give them access. This powerful series of teachings will give you insight to Spiritual Freedom. 1.Ministering

Deliverance for Leaders To advance the Kingdom, we must overcome an inferior one, that currently has dominion over people's lives. This doesn't happen by our will power or hope, but by the power of the Holy Spirit, as we depend on Him and grow in God. To be free we need to remove the armour, or belief system, from our lives that have bound us up, so the demon or strongman can be easily cast out. 2FOUNDATIONS for Freedom Explore the different doors of entry into a person's life, from generational curses to inner vows. As you open your heart, and take ownership for your sin, rather than blame others, and then repent and release forgiveness, healing and freedom will flow into our lives. 3.Bondages of the Heart Ungodly soul ties, inner vows and word curses are

three entry points into our lives, where we can open ourselves to bitterness, jealousy, anger, complaining, addictions, etc, which then become strongholds in our lives, that the enemy can come in and take hold of. As we recognise these traits in our lives, we can take ownership of them, renouncing and releasing them from our lives in Jesus Name. 4. Legal Right of Entry Explains three main legal grounds, upon which demons can gain access to your life: generational curses; the occult; and sexual sin. 5. The Two Kingdoms Humans are very unique - not only living in the natural world, but can also connect to the spiritual world. Jesus came to tell us about the Kingdom of God, which is full of light, peace and joy; but there is another Kingdom which we are all born into - the Kingdom of

Darkness - which rules by tormenting people, and using sin to control them. 6. Traumatic Experiences The effect of traumatic experiences can be overcome and healed through prayer; by exchanging old memory pictures with scripture memorisation; and by inviting the Holy Spirit and the truth into the situation - for total restoration in Jesus name! 7. Called to be a Minister of the Holy Spirit We are called to pray for people, and to be a minister of the Spirit of God. Come spiritually prepared, and believe that God is with you - guide people's attention to the Lord, not the prayer! There will be conflict before, during, and after ministry, and the battles will be within you. Believe God is with you, take risks, and reach out in prayer. 8. Ministry of Jesus Jesus made it

clear we would have difficulties and problems, but He has overcome all evil with good - on the Cross, and through His ministry to us. As we face the reality that we are hurting and suffering, and allow the Lord to help us repent and forgive, He will always respond. God is committed to our character and growth, not our comfort.

Healing Ministry Training Hodder Faith Receive Your Healing from the Inside Out! Jareb and Petra Nott say its time for us to rethink our approach to physical illness. Having prayed for countless people to receive inner healing and deliverance, Jareb and Petra have witnessed that physical health is the inevitable result of spiritual freedom. Science continues to verify that rejection, fear, and other emotional

strongholds are closely linked to physical issues. This proves what God already taught us that forgiveness and inner healing produce positive physiological changes. Its time to partner with the Holy Spirit to heal your emotional wounds so the enemy can no longer use them against you! In The Science of Deliverance, Jareb and Petra do not advocate a cookie cutter approach to ministering healing. They stress the uniqueness of each person and the importance of following the Holy Spirit in each situation. At the same time, they give biblical step-by-step instructions on how to: Identify the source of emotional and physical issues. Renew your mind. Forgive those who have hurt you. Address memories stored in your physical body. Reset your DNA to bring

healing. Minister freedom to others. and more. Whether youre a deliverance minister, counselor, pastor, medical professional, or someone seeking deeper healing for yourself, youll want to incorporate these principles into your daily life! Dont allow unhealed emotions to continue to wreak havoc in your body. As you seek what you need in health, wellness, and medicine, seek out healing in your emotions too. God intends for you to be completely whole and completely free. Using these biblical, tried-and-true tools, its time to go after your healing from the inside out. Youll be surprised at the results!

Sozo - Salvation, Deliverance, Healing, & Wholeness Mick Brindle

The purpose of this manual, Deliverance Training 201 is to provide each and

every believer with the tools necessary to bring health healing and wholeness into individuals lives, as well as their own. It is our experience that many believers who receive deliverance have difficulty maintaining that deliverance or staying free from the bondage that once plagued them. This manual will provide support by delivering an understanding as to how the bound person got into the situation they're in. As we begin the journey to understanding why we do the things we do, we will begin to heal. This journey towards deliverance and healing will give us empathy for others. As we get healed and delivered we eventually begin to live without being angry. When we're no longer judgmental and critical, it will eventually lead others to come to us for answers. The body of Christ has

been sent to provide solutions to man's problems, not participate in them. One of the greatest benefits of getting yourself delivered is you can then help others. The more we help others, the more we ourselves are healed.

Deliverance 201 will also focus on how demons spirits operate, where they reside and the various methods they have for invading a person's life.

Additionally, it tackles many common misconceptions of deliverance and removes the mysticism surrounding deliverance, healing and wholeness.

The purpose of this project is to develop and teach a training curriculum based on the Five Step Healing Model at Vineyard of Harvest Church in Walnut, California.

Chapter 1 presents the purpose, goals, context, rationale, definitions, limitations, and research methodology of the project. Chapter 2 provides the biblical and theological foundations for Healing Prayer Ministry by examining selected New Testament passages which show (1) Christ taught and trained the twelve and the seventy disciples to heal the sick and free the demonically oppressed. (2) Christ told his disciples that they would do the same type of works (and even greater) than he did in his earthly ministry. (3) In the book of

Acts, the Spirit-empowered disciples continued the healing and deliverance ministry of Christ. (4) In the epistles of 2 Corinthians 10 and Ephesians 4, Paul states that deliverance ministry is needed for people who suffer from sinful strongholds. (5) In the epistle of James, church believers are commanded to pray for one another for healing. Chapter 3 discusses the theoretical and practical issues related to healing prayer ministry. For effective healing prayer ministry to take place, believers must understand the concept of the kingdom of God, and prayer intercessors must understand spiritual warfare, be equipped to do deliverance ministry, and know how to set people free from sinful strongholds. Chapter 4 explains the elements of the ministry research project. This chapter

systematically describes what the project entailed and how it was conducted, including a project questionnaire, the curriculum used for the Five Step Healing Model, handouts which explain how to get rid of sinful strongholds and utilize Scripture in healing prayer ministry. Chapter 5 provides an evaluation and reflection of the project's purpose, goals, and modifications to strengthen the project for future use. This project can benefit any size church, in any demographic setting, which seeks to implement a healing prayer ministry.

One day when Jesus was teaching, “the power of the Lord was present for Him to heal the sick” (Luke 5:17). His same power is present in every believer today. Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God’s miraculous healing in the four corners of the world. Many believers want to understand: How can I receive and retain healing? Why

would God use me? What's the best way to approach someone who needs healing? How can I effectively pray for healing? The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: “Go into all the world, and preach the gospel to every creature... lay hands on the sick, and they shall recover....(Mark 16:15, 18b).

how to deal with them 4. Breaking bondages 5. Casting out spirits 6. Healing the wounded heart 7. Ungodly beliefs 8. Ministering to people 9. House cleansing Appendix: Discerning of spirits Audio Transcripts: (not included - see above) Apostolic Anointing and Ministry (1 of 5) The apostolic anointing is a commissioning, sending, empowerment to impact lives for the kingdom of God. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and God wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus'

teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a persons life. In this session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view, blessing and cursing are a great reality. Blessing means there's a flow of spiritual

power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached. Deliverance Training Manual - 201 The Mathetes Trust

Will you go to hell for me? asked the Lord. I remember standing in my living room stunned. It took me a few days to be able to answer him. I replied with a

shaking, Yes. He then took me in a vision to the gates of hell. I could smell the sulfur and feel the heat. The gates were huge thick black iron, they swung open as I approached. I was standing on stepping stones just big enough for my feet and lava swirled around the stones. I heard the Lords voice, Dont be afraid Carolyn. I have a net around you and yours. I looked and saw a large net all around me. I continued along the stones and then I saw it - a hand reached desperately to me out of the lava. I grabbed a hold and pulled for all I was worth! The vision ended. From that vision, I learned there are people all around us who are in the own personal hells. We are to set the captives free! The Lord gave me a way to help. It is called Spiritual Body Mapping and it

works! It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life. As you read this book, I pray for the spirit of wisdom and revelation to enlighten you. God Bless you, Carolyn Steidley

Sozo School of Healing: Training Seminar on Disease Eradication and Prevention
This vital training seminar will teach you how to stay mentally, physically and spiritually healthy. The objective of this seminar is to teach you how to walk in wholesome health. We

will study 11 major topics regarding the roots of disease and how to find healing & deliverance over those issues. Sozo School of Healing training is fully dependent to the Word of God, the Power of the Spirit and the Manifestation of the Presence of Jesus in people's lives. The information presented will cover disease, sickness and physical ailments and how God will release supernatural healing to bodies by declaring scriptural decrees. The Scriptures declares health to us, "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers." (3 John 2) When we understand the Word of God and His authority over all Creation, we are able to reclaim the keys to pathways of healing and wholeness. It has always been God's intention to keep us healthy

and whole as declared in Psalms 103:2-3 "Praise the LORD, O my soul, and forget not all his benefits- who forgives all your sins and heals all your diseases". From this training, you will have in-depth understanding of the spiritual dimension of disease. You will have the tools to apply it in your life to be in good health in accordance with God's truth! We encourage those who are seeking healing to pour yourself over this material and allow God to move in your life. The Word of God on healing will be taught line upon line and precept upon precept. (Isaiah 28:10) Sozo School of Healing focuses on teaching believers the backgrounds of disease as well as revealing pathways to health and wholeness. This training material offers biblical insights into how your physical

body system works, in connecting to your body, your mind and your spirit. A focus on this material can give rise to the question, "Can a disease be spiritually rooted?" As you study this material, you will notice that it has been designed for you to learn how to defeat and prevent disease using the discernment God has given mankind to produce wholeness of spirit, soul and body. The topics are geared to facilitate and encourage each participant to renew their mind with the Word of God. Proverbs 4:20-23, "My son, pay attention to what I say; listen closely to my words. Do not let them out of your sight, keep them within your heart; for they are LIFE to those who find them and HEALTH to a man's whole body. Above all else, guard your heart, for it is the

wellspring of life." The Word of God leads us to divine health when we recognized that a foundational key for realizing healing is when we apply the scriptural principle of sanctification. Deuteronomy 28:22, "The LORD will strike you with wasting disease", clearly demonstrates that diseases are passed from generation to generation through the bloodline. Many diseases are the result of separation between God, yourself, and others due to sin, sickness and disease. When we identify and minister to the root causes behind these separations healing occurs. Fear, stress, guilt, self-hatred, accusation, and rejection are a few examples of spiritual issues that are included in the teachings of the Sozo School of Healing seminar. This training material is designed to read by people

from all denominations with a biblical or non-biblical background. Although, have a personal relationship with Jesus Christ, regardless of religious background, this material will make a great impact in your life toward healing. It is our desire that any following this material will find healing and find the way to prevent sickness in their mind, body & spirit. Createspace Independent Pub
