 Jesus: The Way, the Truth, and the Life by Marcellino D’Ambrosio is an ebook that stands alone but also accompanies the 10-week video study program presented by Marcellino D’Ambrosio, Jeff Cavins, and Edward Sri. In this book, Catholics walk step by step with Jesus from his infancy to the Ascension. Anchored in the life of Christ as presented in the Gospels, it explores the entirety of Jesus’ life—who he is, what he is really like, what he taught, what he did for our salvation, and what this means for us as Catholics today. This study shows, in a simple way, how Jesus, the Incarnate God, is both fully divine and fully human—his intimacy with the Father, his revelation of the Father’s love, and his extraordinary influence on his disciples, his followers, and even his enemies. Most importantly, this encounter with Christ will inspire and empower you to center your entire life in him as you come to know and love him in an ever-deeper and more intimate way. In this book, Catholics will learn... Who Jesus is and how he answers the longings of the human heart. Why Jesus was baptized. The significance of the Transfiguration. The essentials of Christology explained in a way the average Catholic can understand. The mystery and meaning of the Resurrection. Christ’s triumph over death. The nature of Jesus’ mission and the redemption of humanity. Our role today as Catholics in the Great Commission. Paperback, 280 pages Nihil

Journey of Stones Ascension

Jesus called this ordinary man for an extraordinary purpose. Simon the fisherman would become Peter the Rock. This outspoken Galilean would lead Christ’s church, stand strong in the face of persecution, and even refuse to waver when faced with death. Unshakable Faith is an eight-session Bible study that explores the life and teachings of the Apostle Peter. Participants will be eye witnesses to Peter’s spiritual growth as God strengthens and matures his fragile faith. They will discover eight key "faith traits" God developed in Peter as he followed Christ and learned from Him. Participants will walk with Peter as he walked with Jesus. They will learn what Peter learned. Then they’ll be challenged to apply it to their own lives. Study participants will not only gain a solid knowledge of Peter’s life and teaching, they will also build a foundation on which God can grow an unshakable faith that will weather every storm they encounter.

God is often at work through the ordinary: ordinary people, ordinary objects, ordinary grace.

Through the ordinary, God communicates epiphanies, salvation, revelation, and reconciliation. It is through the mundane that we hear Gods quiet voice. In this devotion for the season of Lent, Jill J. Duffield draws readers attention to ten ordinary objects that Jesus would have encountered on his way to Jerusalem: dust, bread, the cross, coins, shoes, oil, coats, towels, thorns, and stones. In each object, readers will find meaning in the biblical account of Jesus final days. Each week, readers encounter a new object to consider through Scripture, prayer, and reflection. From Ash Wednesday to Easter, Lent in Plain Sight reminds Christians to open ourselves to the kingdom of God.

What do the Gospel accounts actually say about Jesus' death and resurrection? How can we know the biblical accounts are accurate? In his bestselling book The Case for Christ, Lee Strobel retraced his spiritual journey from atheism to faith by showing how the evidence he obtained from experts in the field of history, archaeology, and ancient manuscripts led him to the verdict that Jesus truly was the Son of God. In this four-week Easter study (DVD/digital downloads sold separately), Lee investigates the story surrounding the resurrection of Jesus—and how we can know that it is true.

In each session, you'll explore: How to understand the differences between the Gospel accounts. How to use historical and medical evidence to build a strong case for Jesus' resurrection. Why the Gospel writers are credible when they make this claim. Who witnessed Jesus alive after the crucifixion and how it's clear that the early church carried on this teaching. The Case for Easter invites you and your group to examine the evidence for yourselves and point you to the conclusion that Jesus was the Son of God who conquered the grave. _____ Designed for use with The Case for Christmas Video Study/The Case for Easter Video Study (sold separately). This DVD is a set of two videos to accompany The Case for Christmas Study Guide and The Case for Easter Study Guide (each guide sold separately).

The Cross of Christ Simon and Schuster

Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect.sHow credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book The Case for Christ, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.

Pastors love to preach about grace. The essence of the Good News, grace is unmerited favor from the all-powerful Creator of the world. There is perhaps no more satisfying message to deliver. But does the average churchgoer really understand what grace means for them? Is it just another "Christianese" term that fails to resonate? Bill Thomas' Surrounded by Grace: A Bible Study for Lent is a tool based on the Gospel of John to help pastors, small groups and congregations answer the question of what grace is in a modern context. From the story of Jesus turning water into wine at the wedding in Cana to his conversation with the Samaritan woman at the well, Thomas uses John's words to affirm that the Lord's favor extends to all no matter how insignificant we see ourselves or our problems. Written to be utilized for individual or group study, or for worship services during the Lenten season, Surrounded by Grace encourages the imagination to ponder that there is no storm so great the Lord cannot overcome it; no pain so deep he will not sustain us through it; no death so final he will fail to resurrect us from it. Lessons Include: "Grace for Those Awkward Moments" (John 2:1-11) "Grace for the Broken Heart" (John 11:17-44) "Grace When Things Are Chaotic" (John 16:17-33) Bill Thomas is an associate pastor at First Christian Church of Washington, Missouri. Previously he has served as a minister at Northridge Church of Christ in

Circleville, Ohio, and as pastor of Stony Point Christian Church in Kansas City, Kansas. Bill received a B.S. in Education from the University of Kansas, a Bachelor of Theology from Manhattan Christian College, and a Master of Arts from Johnson Bible College. His previously published works include *The Road to Victory: A Pre-Easter Home Study and The Critical Questions ... And More: Three Pre-Easter Bible Studies* (CSS Publishing). An avid sports fan who referees football and basketball, he is also the author of two young adult Christian books with a sports theme: *Pete Thompson and the Long Road Home*, and *Pete Thompson and the Last Out* (Publish America, 2004).

Drawing on the rich imagery of rocks and stones in scripture, these powerful messages center around the compelling metaphor of stones (and our willingness to throw them) as representative of our sins. As worshipers enter the sanctuary they are invited to pick up stones as a concrete symbol of each sermon's theme; then as the message concludes the stones are placed at the foot of the cross. When the stones disappear on Easter (just like the stone sealing Jesus' tomb), it's a vivid illustration of how the Lord also removes our stones of sin. Each chapter includes several thought-provoking discussion questions to spur further reflection. With messages for Ash Wednesday, five weeks of Lent, Maundy Thursday, Good Friday, and Easter Sunday, this is an excellent resource for Lenten midweek programming. Molin takes us on a journey of prayerful and honest repentance -- a powerful and life-changing journey of celebration, of grace, of awe at the miracle of the empty tomb and the promise of life.... Pastor Molin is one of the best sermon story-tellers I've heard. But each sermon and every story also teaches a biblical text. These sermons are grounded in the living Word of God... (from the Foreword) Glenndy L. Sculley, Bishop's Associate Minneapolis Area Synod, Evangelical Lutheran Church in America Steven Molin is the senior pastor of Our Savior's Lutheran Church (ELCA) in Stillwater, Minnesota. He has also served parishes in Oregon and South Dakota, and been an area director for the youth ministry organization Young Life. Molin is a graduate of Concordia University (St. Paul, Minnesota) and Luther Theological Seminary.

Spring theme: The Gift of Faith This spring, lessons in Adult Bible Studies follow the theme, "The Gift of Faith." The student book writer is Jack Gilbert; Von Unruh is the writer for the teacher book.

Tests of Faith The quarter's first four lessons deal with powerful faith, simple faith, struggling faith, and resurrection faith by examining biblical texts from Mark's Gospel. Restorative Faith The first lesson in the second unit examines Luke's account of the healing of the centurion's servant, while the second lesson continues in Luke 7 with a focus on the woman who anointed Jesus' feet with expensive perfume. The third lesson features Luke's account of Jesus healing the demon-possessed man; and the next lesson, also from Luke, explores the account of the prodigal son. The last lesson in this unit focuses on Jesus' teaching about forgiveness and giving and receiving correction. Fullness of Faith The four lessons that conclude this quarter's study again come from Luke's Gospel. The first looks at Jesus' healing of the ten lepers; the second examines Jesus' encounter with the tax collector Zacchaeus. Developed for use with the student book based on the Uniform Series, this leader resource provides a wealth of information, planning ideas, and lesson guides for each of the 13 lessons in the quarter. This resource includes detailed study of the biblical text, suggestions for developing lessons, teaching options, maps, and charts. It features articles that explore biblical themes related to the passages studied in the lessons. Available in regular print, as a downloadable file or an eBook.

Why should the cross—an object of Roman distaste and Jewish disgust—be the emblem of our worship and the axiom of our faith? And what does it mean for us today? In this thoughtful, comprehensive study of Scripture, tradition and the modern world, John R. W. Stott brings you face to face with the centrality of the cross in God's plan of redemption.
