The Placement Tests help determine the best level for a student to begin within the Math-U-See curriculum. While the student is taking the Placement Test, the teacher should document observations regarding whether the student is using finger counting, touch points, or tally marks; other patterns should be noted such as missing steps, careless errors, or incorrect methods.

Placement Tests | Math-U-See
An actual ACT Mathematics Test

contains 60 questions to be answered in 60 minutes. Read each question carefully to make sure you understand the type of answer required. If you choose to use a calculator, be sure it is permitted, is working on test day, and has reliable batteries.

The ACT Test Math Practice Test Questions | ACTA complete MyLab™ course for your textbook plus embedded and personalized review of prerequisite topics to help with student preparedness and success.
