The Regulators Signet

"Sometimes dead is better...." When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son -- and now an idyllic home. As a family, they've got it all...right down to the friendly cat. But the nearby woods hide a blood-chilling truth -- more terrifying than death itself...and hideously more powerful.

STEPHEN KING NEW COVER SERIES No. 18 Infobase Publishing

Illuminating the religious and existential themes in Stephen King's horror stories Who are we? Why are we here? Where do we go when we die? For answers to these questions, people often look to religion. But religion is not the only place seekers turn. Myths, legends, and other stories have given us alternative ways to address the fundamental quandaries of existence. Horror stories, in particular, with their focus on questions of violence and mortality, speak urgently to the primal fears embedded in such existential mysteries. With more than fifty novels to his name, and hundreds of millions of copies sold, few writers have spent more time contemplating those fears than Stephen King. Yet despite being one of the most widely read authors of all time, King is woefully understudied. America's Dark Theologian is the first in-depth investigation into how King treats religion in his horror fiction. Considering works such as *Carrie*, *The Dead Zone*, *Misery*, *The Shining*, and many more, Douglas Cowan explores the religious imagery, themes, characters, and, most importantly, questions that haunt Stephen King's horror stories. Religion and its trappings are found throughout King's fiction, but what Cowan reveals is a writer skeptical of the certainty of religious belief. Describing himself as a "fallen away" Methodist, King is less concerned with providing answers to our questions, than constantly challenging both those who claim to have answers and the answers they proclaim. Whether he is pondering the existence of other worlds, exploring the origins of religious belief and how it is passed on, probing the nature of the religious experience, or contemplating the existence of God, King invites us to question everything we think we know.

Pet Sematary Simon and Schuster

When a little boy's pet dies, and he persuades his parents to bury it in an old Indian cemetery, reputed by legend to house restless spirits, a nightmare of death and destruction begins as deceased animals come back to life, in a new edition of the best-selling novel, featuring an introduction by the author. Reprint. 30,000 first printing.

Pet Sematary G K Hall & Company

Haunting us with such unforgettable stories as *The Shining*, *The Shawshank Redemption*, *Salem's Lot*, *Carrie*, *The Green Mile*, and *Pet Sematary*, Stephen King has been an anchor of American horror, science fiction, psychological thrillers, and suspense for more than forty years. His characters have brought chills to our spines and challenged our notions of reality while leaving us in

awe of the perseverance of the human spirit. The first book in the new Great Authors and Philosophy series, Stephen King and Philosophy reveals some of the deeper issues raised by King's work. From retribution, freedom, and moral relativity, to death and insanity, the chapters of this book expose how King's stories access the questions and fears that haunt each of us in the middle of the night.

Carrie: The Musical - Vocal Selections Gramedia Pustaka Utama
Jason Arnopp - author of acclaimed cult hit *The Last Days of Jack Sparks* - returns with a razor-sharp thriller for a social-media obsessed world. Prepare to never look at your phone the same way again . . . Kate Collins has been ghosted. She was supposed to be moving in with her new boyfriend Scott, but all she finds after relocating to Brighton is an empty apartment. Scott has vanished. His possessions have all disappeared. Except for his mobile phone. Kate knows she shouldn't hack into Scott's phone. She shouldn't look at his Tinder, his calls, his social media. But she can't quite help herself. That's when the trouble starts. Strange, whispering phone calls from numbers she doesn't recognize. Scratch marks on the walls that she can't explain. And the growing feeling that she's being watched. Kate refuses to leave the apartment - she's not going anywhere until she's discovered what happened to Scott. But the deeper she dives into Scott's digital history the more Kate realizes just how little she really knows about the man she loves. For more from Jason Arnopp, check out: *The Last Days of Jack Sparks*

Stephen King and Philosophy Simon and Schuster

#1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

Caretakers Simon and Schuster

When Poppy's sister falls to her death from a railway bridge, she begins her own investigation, with devastating results ... A startlingly twisty debut thriller. 'Uncovering the truth propels her into a world of deception. An unsettling whirlwind of a novel with a startlingly dark core. 5 Stars' The Sun 'Sharp, confident writing, as dark and twisty as the Brighton Lanes' Peter James 'Superb up-

to-the-minute thriller. Prepare to be seriously disturbed' Paul Finch _____ When India falls to her death from a bridge over a railway, her sister Poppy returns home to Brighton for the first time in years. Unconvinced by official explanations, Poppy begins her own investigation into India's death. But the deeper she digs, the closer she comes to uncovering deeply buried secrets. Could Matthew Temple, the boyfriend she abandoned, be involved? And what of his powerful and wealthy parents, and his twin sister, Ana? Enter the mysterious and ethereal Jenny: the girl Poppy discovers after hacking into India's laptop. What is exactly is she hiding, and what did India discover...? A twisty, dark and sexy debut thriller set in the winding lanes and underbelly of Brighton, centring around the social media world, where resentments and accusations are played out, identities made and remade, and there is no such thing as the truth. _____ 'Well written, engrossing and brilliantly unique, this is a fab debut' Heat 'With twists and turns in every corner, prepare to be surprised by this psychological mystery' Closer 'Lucy V Hay's fiction debut is a twisted and chilling tale that takes place on the streets of Brighton ... Like Peter James before her, Hay utilises the Brighton setting to create a claustrophobic and complex read that will have you questioning and guessing from start to finish. The Other Twin is a killer crime-thriller that you won't be able to put down' CultureFly 'Crackles with tension' Karen Dionne 'A fresh and raw thrill-ride through Brighton's underbelly. What an enjoyable read!' Lilja Sigurðardóttir 'Slick and compulsive' Random Things through My Letterbox 'A propulsive, inventive and purely addictive psychological thriller for the social media age' Crime by the Book 'Intense, pacy, psychological debut. The author's background in scriptwriting shines through' Mari Hannah 'The book merges form and content so seamlessly ... a remarkable debut from an author with a fresh, intriguing voice and a rare mastery of the art of storytelling' Joel Hames 'This chilling, claustrophobic tale set in Brighton introduces an original, fresh new voice in crime fiction' Cal Moriarty 'The writing shines from every page of this twisted tale ... debuts don't come sharper than this' Ruth Dugdall 'Wrong-foots you in ALL the best ways' Caz Frear 'Original, daring and emotionally truthful' Paul Burston 'A cracker of a debut! I couldn't put it down' Paula Daly

Not all magicians go to schools of magic. Adam Binder has the Sight. It's a power that runs in his bloodline: the ability to see beyond this world and into another, a realm of magic populated by elves, gnomes, and spirits of every kind. But for much of Adam's life, that power has been a curse, hindering friendships, worrying his backwoods family, and fueling his abusive father's rage. Years after his brother, Bobby, had him committed to a psych ward, Adam is ready to come to grips with who he is, to live his life on his terms, to find love, and maybe even use his magic to do some good. Hoping to track down his missing father, Adam follows a trail of cursed artifacts to Denver, only to discover that an ancient and horrifying spirit has taken possession of Bobby's wife. It isn't long before Adam becomes the spirit's next target. To survive the confrontation, save his sister-in-law, and learn the truth about his father, Adam will have to risk bargaining with very dangerous beings ... including his first love.

Pet Sematary Scribner

Storyline Louis Creed, his wife Rachel, and their two children, Gage and Ellie, move to a rural home where they are welcomed and enlightened about the eerie 'Pet Sematary' located nearby. After the tragedy of their cat being killed by a truck, Louis resorts to burying it in the mysterious pet cemetery, which is definitely not as it seems, as it proves to the Creeds that sometimes, dead is better.

Children and Childhood in the Works of Stephen King

Simon and Schuster

"The four never-before-published novellas in this collection represent horror master King at his finest, using the weird and uncanny to riff on mortality, the price of creativity, and the unpredictable consequences of material attachments. A teenager discovers that a dead friend's cell phone, which was buried with the body, still communicates from beyond the grave ... A series of apocalyptic incidents [bears] out one character's claim that 'when a man or a woman dies, a whole world falls to ruin.' 'Rat' sees a frustrated writer strike a Faustian bargain to complete his novel, and in the title story, private investigator Holly Gibney ... faces off against a ghoulish television newscaster who vampirically feeds off the anguish he provokes in his audience by covering horrific tragedies"--Publishers Weekly (03/09/2020)

""Sometimes dead is better...."" When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son -- and now an idyllic home. As a family, they've got it all...right down to the friendly cat. But the nearby woods hide a blood-chilling truth -- more terrifying than death itself...and hideously more powerful.

Screenplay Hal Leonard Corporation

A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls.

Pet Sematary Simon and Schuster

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times).

Bonding Simon and Schuster

La nuova casa dei Creed è vicino a Pet Sematary, il luogo dove i ragazzi seppelliscono i propri animaletti. Ma presto la loro vita è sconvolta da forze oscure.

If It Bleeds Pet SemataryA Novel

Looks at the interconnected elements among the works of Stephen King, including his novels, short stories, films, teleplays, and mini-series, examining the themes, plots, characters, influences, and TV and film adaptations. Reprint. 20,000 first printing.

The Religious Imagination of Stephen King Simon and Schuster

Now a major motion picture! Stephen King's #1 New York Times bestseller is a "wild, powerful, disturbing" (The Washington Post Book World) classic about evil that exists far beyond the

grave—among King’s most iconic and frightening novels. When Dr. Louis Creed takes a new job and moves his family to the idyllic rural town of Ludlow, Maine, this new beginning seems too good to be true. Despite Ludlow’s tranquility, an undercurrent of danger exists here. Those trucks on the road outside the Creed’s beautiful old home travel by just a little too quickly, for one thing...as is evidenced by the makeshift graveyard in the nearby woods where generations of children have buried their beloved pets. Then there are the warnings to Louis both real and from the depths of his nightmares that he should not venture beyond the borders of this little graveyard where another burial ground lures with seductive promises and ungodly temptations. A blood-chilling truth is hidden there—one more terrifying than death itself, and hideously more powerful. As Louis is about to discover for himself sometimes, dead is better...

[America's Dark Theologian](#) Signet Book

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover.

Others laugh. But never without feeling." -B.R. Yeager, author of Negative Space "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of Hunchback '88
Pet Sematary *Film 5 April 2019 Simon and Schuster
Provides a biography of author Stephen King along with critical views of his work.

The Mist SPERLING & KUPFER

This unique and timely collection examines childhood and the child character throughout Stephen King’s works, from his early novels and short stories, through film adaptations, to his most recent publications. King’s use of child characters within the framework of horror (or of horrific childhood) raises questions about adult expectations of children, childhood, the American family, child agency, and the nature of fear and terror for (or by) children. The ways in which King presents, complicates, challenges, or terrorizes children and notions of childhood provide a unique lens through which to examine American culture, including both adult and social anxieties about children and childhood across the decades of King’s works.
