 Paxton Vance isn't as cryptic as he thinks. That broody nature and tough-guy exterior aren't fooling me one bit. I know

everything about him. I listen in on his most personal phone calls. I read his mail before he does. I even know what his mother got him for Christmas last year. You're the man of my dreams, Paxton Vance. You just don't know it yet. But don't worry, I'll remind you. I'm here to give you everything you need, before you know you need it. So don't get defensive because I take a challenge seriously. You have to open up to someone, and that someone is me. Besides,

you can't stay Mr. Mysterious forever. Why play the game if you never want to win?

Starting over at forty is hard work for landscape architect Jack Bowman. His long-term partner hurt him badly. With his self-esteem dented by the break up, trusting a new lover is going to take time. Tyler Freeman is equally unlucky when it comes to love. Now that he's over thirty-five, he's

tired of getting played. All he wants is someone special. How hard can it be to meet a man who's honest, with no hidden surprises? Being set up on a blind date might be a classic cliché, but it's a stroke of good luck for Jack and Tyler. They have a lot in common, including previous relationships steeped in deceit, but it's worth navigating their trust issues if it means laying those ghosts to rest. Making it work finally seems possible-until an accidental discovery threatens their newfound

happiness."

Chasing Christmas Eve is the fourth in New York Times bestselling author Jill Shalvis's Heartbreaker Bay series, featuring her trademark gift for humour, warmth and romance. Perfect for fans of Jill Mansell, Debbie Macomber, Nora Roberts and Marie Force. Run for the hills temporarily. That's Colbie Albright's plan when she flees New York for San Francisco. Wrangling her crazy

family by day and writing a bestselling YA fantasy series by night has taken its toll. In short, Colbie's so over it that she's under it. She's also under the waters of a historic San Francisco fountain within an hour of arrival. Fortunately, the guy who fishes Colbie out has her looking forward to Christmas among strangers. But she's pretty sure Spencer Baldwin won't be a stranger for long. Spence's commitment to hiding from the Ghosts of Relationships Past means

he doesn't have to worry about the powerful - OK, crazy hot - chemistry he's got with Colbie. Just because she can laugh at anything, especially herself...just because she's gorgeous and a great listener...just because she gets Spence immediately doesn't mean he won't be able to let Colbie go. Does it? Now the clock's ticking for Colbie and Spence: Two weeks to cut loose. Two weeks to fall hard. Two weeks to figure out how to make this Christmas last a lifetime. Want more
