FERNANDA BALL

Indira Gandhi New Age International
From an acclaimed economist and politician, a unique, never-before-seen look at the life of one of India's most well-known prime ministers—Indira Gandhi—and her work to protect the environment and champion the preservation of nature and the climate. Indira Gandhi, prime minister of India for sixteen years, was as charismatic as she was controversial—both admired and criticized for her political judgments and actions. Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public calling; how her views on the environment remained steadfast even as her political and economic stances evolved; how her friendships with conservationists led to far-reaching decisions to preserve India's biodiversity; how she urged, cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife; and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, *Indira Gandhi: A Life in Nature* is both a lively, engaging narrative about the little-known parts of Indira Gandhi's life, and also sheds important light on climate change and sustaining the environment—today's most pressing global issues.

This Is The First Book To Carry A Detailed Account Of Confidential Negotiations Between Indira Gandhi And Jayaprakash Narayan During The `Emergency`.

Puffin Lives: Indira Gandhi Twenty-First Century Books

It Was During Indira Gandhi'S Tenure As Prime Minister Of India That Environment, With All Its Attendant Concerns, Developed As A Pivotal New Area Of Studies, Planning And Action At Government And Public Levels All Over The World. It Was, Again, Her Deep Understanding And Involvement In These Concerns That Her Ideas And Policies Provided The Right Guidelines Not Only For India But All Other Third World And Similarly Placed Countries. Now, After She Is No More And Things Everywhere Have Started Moving In A Big Way, It Is Imperative For All Those Working In These And Related Areas, To Carefully Peruse And Grasp Whatever She Said On These Matters On Various Occasions. It Is With This View That Suitably Edited Material Culled Out Of Her Major Speeches Delivered At National And International Gatherings Is Being Published Here In Book Form. The Book Covers All Issues Concerning Environment, Such As Ecology, Conservation, Development, Population Control, Pollution, Energy, Waste Management And Recycling, Food, Fuel And Water, Social Forestry, Wildlife, Genetic Engineering, Ocean Development, Poverty, Peace, People'S Involvement, And Related Aspects Of Science And Technology. It Is A Complete Book In Every Respect On The Subject. The Book Serves The Purpose Of A Primer On Environment Wherever The Subject Is Taught Or Dealt With, Including Schools And Colleges Where It Is Fast Becoming A Part Of The Syllabus, And Institutes Specially Devoted To Its Study. We In India, In Partnership With People All Over The World, Must Rededicate Ourselves To The Protection And Wise Management Of Our Life-Sustaining Environment. Of The Many Tasks That This Entails, Perhaps The Most Crucial Is Of Revegetating Uncultivated Parts. Vegetation Forms A Green 'Security Blanket', Protecting The Fertile Yet Fragile Soil. Maintaining Balance In Atmospheric Conditions, Safeguarding Supplies Of Fresh Water And Moderating Their Flow To Prevent Flood And Drought. Animal And Human Life Is Dependent On Vegetation In A Myriad Ways. But The Green Cover,

Especially In Our Forests, Is Under Attack By The Greed Of The Rich And The Need Of The Poor. This Must Be Corrected. Each Person, Community And Organisation Can Help. Farmers And Craftsmen In Villages, Managers And Workers In Public And Private Sectors, Teachers And Students, Parents And Children Must All Join Hands To Ensure That Barren Lands, Denuded Hillsides And Eroded Watersheds Are Alive Again With Trees And Plants. **Indira Gandhi My Years with Indira Gandhi** St.

Martin's Press

How did Indira Gandhi reach the pinnacle of Indian politics? Did India move away from freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and of Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975-77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjay's death, and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged between Nehru and her mother, Vijaylakshmi Pandit, makes for an unusually penetrating psychological and political portrait from an intimate family viewpoint.

Poetry. Southeast Asia Studies. VISITING INDIRA GANDHI'S PALMIST by Kirun Kapur is the winner of the 2013 Antivenom Poetry Award published by Elixir Press. "Kirun Kapur's debut volume VISITING INDIRA GANDHI'S PALMIST offers worlds of striking richness. From family lore marked by the 1947 partition of British India and the chaos that ensued, Kapur crafts a saga

that is both personal and public. Her exploration of lives intersecting yet separated across time, culture, and continent reveals the many ways in which we carry, renounce, and rediscover the past. Kapur introduces us to an astonishing range of characters—a father who 'speaks five languages, quotes Frost as easily as Ghalib' ('Meat and Marry'); a mother and onetime nun who foreswore her 'Benedictine coif' for love ('Family Portrait, USA'); Cain and Abel of the Bible; Prince Arjuna of the Gita. At the heart of this quest, however, is an inquisitive mind examining our creation stories—personal, historical, and mythical. Through poems that are masterfully paced and densely layered, Kapur sets out to explore the tensions of our most basic human bonds: love and duty, violence and communion, family and nation."—Ned Balbo, contest judge

Indira Gandhi Penguin UK

A loving daughter, a caring mother, an affectionate grandmother a confident globetrotter and finally prime minister, Indira slipped into each role with ease.' The story of India's first woman prime minister is no ordinary story. It is the story of a girl for whom sacrifice and loss came early. For whom growing up meant seeing her father drift in and out of jail and a mother in and out of hospital. Wearing khadi and organizing her own band of troops. Combating loneliness and giving up the things she loved for a bigger cause. With the freedom struggle playing out in the background Indira Gandhi's life was inextricably linked to the politics and destiny of her country. In this compelling biography, Sreelata Menon vividly recreates the life and times of a young girl who goes on to become one of the most powerful and charismatic leaders of the world. Filled with little-known facts about Indira Gandhi's life this book is a fascinating read that brings to light the different facets of her personality.

Indira Gandhi HarperCollins UK

A Life in the Day of Indira Gandhi

Princeton University Press

Indira Gandhi's life was part of the unfolding history of India, intricately woven with India's past and future. It (became) inevitable, therefore, that politics (formed) a backdrop to her public and often private actions. Indira Gandhi's life spanned over two-thirds of a

century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira Gandhi—her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, Indira Gandhi: A Biography Paints A Magnificent Portrait—At Once Empathetic And Unprejudiced—Of One Of The Twentieth Century's Most Remarkable Women.

My Truth Diamond Pocket Books Pvt Ltd

The book is an intimate look at India's former Prime Minister, Indira Gandhi. While biographers have generally seen Indira only through the lens of politics, Dr Mathur gives us a moving and witty account of the three-term PM as a person. The book provides us with a rare look at the trajectory of her development as a politician as well. Dr K.P. Mathur joined the Safdarjung Hospital as a physician in 1953. His patients included personalities like V.K. Krishna Menon, Dr S. Radhakrishnan, G.B. Pant and Lal Bahadur Shastri, among others. Later, when Indira Gandhi became PM in 1966 and required the services of a physician, Dr Mathur took charge. Thus began an association that lasted for almost 20 years; in fact, Dr Mathur was one of the last persons whom Indira Gandhi met before she was assassinated by her guards on October 31, 1984.

Mother India Penguin UK

Describes how Indira Gandhi, intimately involved in Indian political life even from childhood, became prime minister and the first woman to lead her country.

Indira Gandhi David & Charles

Sonia Gandhi's story represents the greatest transformational journey made by any world leader in the last four decades. Circumstance and tragedy, rather than ambition, paved her path to power. Born into a traditional, middle-class Italian family, Sonia met and fell in love with Rajiv Gandhi, son of future Indian prime minister Indira Gandhi and grandson of Jawaharlal Nehru, while studying English in Cambridge. Cruelly tested by the assassinations of her mother-in-law and of her husband, Sonia grew into a strong, authoritative but always private figure, now president of a coalition ruling over a billion people in the world's largest

democracy. Through exclusive interviews with members of Sonia's party, political opponents and family friends, Rani Singh casts new light on Sonia. In the first mainstream biography of this inspirational figure, the author's compelling narrative retraces the path of the brave and beautiful Sonia Gandhi, examining what her life and legacy mean for India. Indira Gandhi Returns Simon and Schuster Presents the life of the first woman prime minister of India, from her childhood to her assassination.

Indira Gandhi Pantheon

Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Full of startling insights, Indira Gandhi: A Biography paints a magnificent portrait—at once empathetic and unprejudiced—of one of the twentieth century's most remarkable women.

Indira Gandhi Penguin Books India

This is the first definitive biography of arguably India's most influential and powerful civil servant: P.N. Haksar, Indira Gandhi's alter ego during her period of glory. Educated in the sciences and trained in law, Haksar was a diplomat by profession and a communist-turned-democratic socialist by conviction. He had known Indira Gandhi from their student days in London in the late-1930s, even though family links predated this friendship. They kept in touch, and in May 1967, she plucked him out of his diplomatic career and appointed him secretary in the prime minister's Secretariat. This is when he emerged as her ideological beacon and moral compass, playing a pivotal role in her much-heralded achievements including the nationalization of banks, abolition of privy purses and princely privileges, the Indo-Soviet Treaty, the creation of Bangladesh, rapprochement with Sheikh Abdullah, the Simla and New Delhi Agreements with Pakistan, the emergence of the country as an agricultural, space and nuclear power and, later, the integration of Sikkim with India. This power and influence notwithstanding, Haksar chose to walk away from Indira

Gandhi in January 1973. She, however, persuaded him to soon return, first as her special envoy and later as deputy chairman of the Planning Commission where he left his distinctive imprint. Exiting government once and for all in May 1977, he then continued to be associated with a number of academic institutions and became the patron for various national causes like protecting India's secular traditions, propagating of a scientific temper, strengthening the public sector and deepening technological self-reliance. Successive prime ministers sought his counsel and in May 1987, he initiated the reconstruction of India's relations with China. He remained an unrepentant Marxist and one of India's most respected elder statesman and leading public figures till his death in November 1998. Drawing on Haksar's extensive archives of official papers, memos, notes and letters, Jairam Ramesh presents a compelling chronicle of the life and times of a truly remarkable personality who decisively shaped the nation's political and economic history in the 1960s and 1970s that continues to have relevance for today's India as well. Written in Ramesh's inimitable style, this work of formidable scholarship brings to life a man who is fast becoming a victim of collective amnesia.

Intertwined Lives Penguin Random House India Private Limited
Based on interviews and other source material My Truth is a rare and vitally important book; the story of much of Indira Gandhi's life in her own words. First published in India and France in 1980 when Mrs Gandhi was out of power, it now assumes an extra importance in view of her tragic and untimely death. Told simply and warmly, the book unfolds the life of a gifted person born into a remarkable family. There are evocative passages of her recollections of her grandfather and the days spent in Allahabad, of the heroes of her childhood, the books she admired, of Jawaharlal exhorting her to take to physical activities, of holidays in the hills, a dream, like childhood abruptly altered as her father plunged into the freedom movement.

Indira Gandhi, the "Emergency", and Indian Democracy New Delhi : Vision Books

The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. Emergency Chronicles provides the first comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.
