 Manifestation - The Secrets to Life Transformation & Self Discovery
 Many of us are beginning to realize that to get more out of life, we first have to become more. As the powerful Law of Attraction states 'like attracts like'. For this reason self-development and motivation is becoming an increasingly important part of our lives. Just as regular exercise enables us to enjoy the physical side of life. Self-help and personal development can help us find longer lasting fulfillment and happiness. Most of us take the path to self-development once we become tired of our current state of affairs. Maybe we don't have our dream partner, or our career sucks, perhaps we have little financial freedom or feel depressed and unhappy. Whatever the external symptoms are, we can begin to remedy these and get more of what we want by learning to Manifest the potential which lies within each and every one of us. The good news is that the personal transformation we seek is available to everyone who desires it. But the right steps need to be taken to make sure we reach this place in the right way. Just as a caterpillar transforms itself into a magnificent butterfly through a inner manifestation, we humans can undergo a similar experience ourselves. This book contains the secrets I have discovered after many years of trial and error in trying to improve my own life. It's cuts out the non-relevant parts and presents you with the things which really matter, so that you too can begin implementing these secret ideas to your life immediately. This title

Manifestation includes - Discovering your purpose and meaning in life
 Creating the best you!
 Accessing your true potential
 How to transform your inner and outer reality (Law of attraction)
 Living from a brand new paradigm
 Secrets of manifesting
 This book outlines the systematic steps you need to take in order to blossom into the greatest version of yourself. This title uses the analogy of how a caterpillar transforms into a butterfly while drawing parallels with how humans can achieve a similar transformation. It is also supported and backed-up with anecdotes from some of the greatest thinkers throughout human history. I urge you to find the courage to change your life and pick up a copy of this book today.

 Symbols contain knowledge which has been kept secret, passed on from generation to generation accompanying oral tradition of ancient cultures. These images contain records of knowledge, history, traditions, religions, and customs of ancestors long ago forgotten who whisper to us from their graves, and draw us to the picture language with which they inscribed their legacy. Symbology is the process of decoding these inscriptions, placing them in proper historic context, finding their origins, and unveiling their secrets. Symbology ReVision: Unlocking Secret Knowledge is a revision of Symbology: Decoding Classic Images, and makes a great book even better, with bigger illustrations, glossary, bibliography,

and updated material. Embark on a fascinating journey into a misty past, and clear away the fog.

This book is written in the style of the great Napoleon Hill. Think about this. With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as Napoleon Hill's "Think and Grow Rich", instead enable life-challenging success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades, I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which sets them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success. Let's start at the beginning with a simple truth. Success is hard. Very Hard. Very very very hard. We all know that, once we have had a little bit

of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "We don't know what we don't know." So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple. If you want to increase your level of success, read this book. We all go through the same struggles. This book—simply but powerfully—is your instruction manual on how to overcome them. Read this book and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further—and execute them better than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier overtime. If you don't want to keep making the same mistakes over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

Performed by an ensemble of young women, *EMOTIONAL CREATURE* is made up of original monologues—and irresistible songs—about and for girls. Placing their stories squarely center stage, it gives full expression to their secret voices and innermost thoughts, highlighting the diversity and commonality of the issues they face. *EMOTIONAL CREATURE* is a call, a reckoning, an education, an act of empowerment for girls, and an illumination for parents and for us all. Eve Ensler's *Emotional Creature* is a vehicle to empower girls and inspire their activism. V-Girls is a global network of girl activists and advocates. In the same way *The Vagina Monologues* built a movement on college campuses and in communities, young girls will be able to participate in V-Day's empowerment philanthropy model, igniting their activism through V-Girls. V-Girls is rooted in youth-driven activism. A V-Girls Action Guide provides service-learning curriculum for middle and high school youth based on issues covered in *Emotional Creature*, with an emphasis on activism. Organizers can start a V-Girls club or incorporate V-Girls resources into an existing youth program.

"Do you realize that in the year that we've known each other, we've never argued?" It was that initial insight that led Phil and Maude to explore their relationship and write this book. Written in a combination of their individual voices and a blended voice, this concentrated and powerful little work captures the essence of how they are together, going right to the heart of what makes a successful relationship. Their clear, crystalline writing and stark honesty will challenge you to examine your own life and how you relate to others. The approach is radically different from the usual relationship book. Phil and Maude offer no rules and no exercises. Rather, through their sincere examination of what

makes their relationship so different, you will find yourself gaining insight into your own behavior and at the same time glimpse other possibilities. For anyone in a relationship, or seeking to be in one, this special gem is a must read.
