Let the River Flow The river is being
released and will, in its fullness, result in
the greatest harvest the earth has ever

known. It will be glorious! What started as a trickle, God is turning into a mighty flood, bringing refreshment and vitality to all who immerse themselves in His glorious love. If you have yet to experience this unprecedented outpouring of the Holy Spirit, or don't know how to jump into the water, this book will touch your heart and point you in the right direction. With powerful insight into the theme of water that runs through the Bible, pastor Dutch Sheets shows what a person--and a church--can do to experience the rising current of renewal

..WEEPING MAY ENDURE FOR A NIGHT,
BUT JOY COMETH IN THE MORNING (PSALM
30:5) Doubts, depression, and
discouragement are characteristic
responses of someone who has endured
the worst life offers. When a promise from
God does not come to pass, the aftermath
is often confusion about the validity of a
personal relationship with the Lord. In
Praying Through Sorrows, coauthors Dutch
Sheets and Chris Jackson confront the
emotional anguish of awaiting the arrival

of a long delayed recovery and healing from such difficult situations. You will learn how to overcome the debilitation state of "hope deferred," while seeking a restoration of faith in God's goodness. IF YOU ARE SUFFERING, THIS BOOK IS JUST WHAT YOU NEED.

Voices of the Soul Answered in God

Out of a sinful and secular world, the Lord called Abraham to live a life of faith. This entailed Abraham to leave everything he knew and travel to a land he had never seen. Abraham boldly began his life of faith, yet he still had moments of hesitation and delay throughout his life. It wasn't until Abraham yielded himself fully to the will of God in his life of faith that he received the son of prophecy, Isaac, and safely brought him through the long journey to the Promise Land. Although Abraham is considered the hero of faith, he is in no way without his flaws. In fact, we can learn as much from his flaws as from his virtues. In studying Abraham's life, we'll notice his struggle to trust God, especially when times get tough. Every true believer faces conflicts and trials that test our ability to trust God; therefore,

Abraham's life gives us much to glean from concerning the Christian pilgrimage.

Library Journal Fredericksburg Publishing Psalm 23, the exquisite representation of a shepherd's love and care for his sheep, clearly symbolizes the Lord's tender love and care for each one of us. Accordingly, "GPS-23" is an enthusiastic examination of the relationship between the Great Shepherd and we, his sheep. Using many versions of the much-loved Psalm, Johnny Palmer provides sound interpretation of each verse and multiple illustrations that support this beautiful portion of Scripture. A plain-spoken route to salvation is also carefully explained. "GPS-23" is an encouraging reminder that in the face of fear and peril, the Lord provides green pastures and still waters.

I have observed in my pediatric practice a growing desire from young couples to have a Christian "How-To" model to encourage them in their awesome responsibility of parenting. Furthermore, I was frustrated by the destructive results of the philosophies of liberal authorities ripping away at the American family. Young people turn to three groups of people for advice when raising their children: their parents, their pastor, and their pediatrician. I have sought to combine the advice of all three into a workable structure for parents to use to train their children as God intended.
