KS2 Maths Mental Workout - Book 4, Level 3

KS2 maths Buster Books

The three photocopiable titles in the Mental Maths in Minutes series provide a systematic approach to teaching and learning number facts. Each Mental Maths sheet is split into four columns - teachers photocopy the sheet, then slice the copies to provide strips of questions to give to the children. The children are timed

for one minute and achieve a score according to the number of questions that they get correct. Specific skills such as addition, subtraction, doubling, halving, multiplying and dividing are addressed repeatedly, but each time at a higher level of understanding and children are encouraged to improve upon their own scores.

Mental Maths in Minutes for Ages 9-11 A&C Black

Develops pupils' mental skills in a variety of inventive ways.

Mental Maths for ages 9 to 11 Teacher's Book provides notes for teachers in supporting the practice for mental mathematics, and encouraging children to think about all aspects of number.
