An inspired observer of the Indian psyche, Sudhir Kakar trained as a psychoanalyst at the Sigmund Freud Institute, Frankfurt. He set up a clinic in Delhi in 1975, thus embarking on a lifelong search for the wellsprings of Indian identity. He went on to establish the new discipline of cultural psychology. A Book of Memory records not only the crises of identity and intellect, but also the highs and lows of love and pleasure. It is fearless and revelatory with regard to the self and its motivations, a rare candour illuminating the urbane prose.

What does Doing the Impossible really mean? This book is for those who have a desire to achieve greatness and are ready to take the steps to turn that desire into a reality. At one point or another in this book, you will experience several different reactions - excitement, curiosity, joy, laughter, or even tears - but the ultimate goal is to encourage and challenge you to make a decision to do the impossible. That may have a totally different meaning to you than it did to Steve Jobs, Thomas Edison, or any of the other role models we will look at; but whatever Doing the Impossible means to you, the goal of this book is to help you realize that you have the capacity to do what the critics think is impossible. - Patrick Bet-David, Introduction to Doing the Impossible. Doing the Impossible is a roadmap for those who want to do something big with their lives. The book goes over 25 steps that the reader should take to re-create themselves, identify their cause, and make history. Patrick Bet-David shares his own impossible crusade and gives key principles for anyone looking to do the same.

In June 1984 the Indian army attacked Sachkand Sri Harmandir Sahib, Amritsar under fabricated claims of flushing out Sikhs. Thousands of innocent people were murdered by the army and no arrest warrants were mentioned in the 'Indian government white paper the Punjab agitation' (July 1984) for anyone in the complex at the time of the attack. The Sikhs who defended the complex fell to the bullets of the Indian army – a few survived. The account that follows is based upon factual information and events. A lead fictional character, Balraam Singh, has been created to lead the narrative.

10,000 Afghans. 21 Sikh soldiers. One epic battle. On 12 September 1897, 21 soldiers of 36th Sikh regiment stood undeterred as they guarded the post of Saragarhi against the onslaught of almost 10,000 Afghan tribesmen – a battle for the ages that ended in them laying down their lives in a final hand-to-hand combat. The unparalleled heroics of these 21 men have, however, been long forgotten by history. What led to the Battle of Saragarhi? What was the socio-political scenario at the time? Who were these tribesmen and why did they attack an outpost in such great numbers? Who were the 21 soldiers and how were they able to keep the enemy at bay against all odds? Based on colonial era records and information provided by the 4th Sikh battalion, the legatee unit of 36th Sikhs, 21 Kesaris attempts to answer these questions while paying homage to the brave soldiers who defended the 'kesari' flag – depicting their Khalsa heritage – with their last breaths.

What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download now and you will learn how.

"We are like the Corleones in The Godfather"—Randhir Kapoor There is no film family quite like the Kapoors. A family of professional actors and directors, they span almost eighty years of film-making in India, from the 1920s to the present. Each decade in the history of Hindi films has had at least one Kapoor—if not more—playing a large part in defining it. Never before have four generations of this family—or five, if you include Bashesharnath Kapoor, Prithviraj Kapoor’s father, who played the judge in Awara—been brought together in one book. The Kapoors details the professional careers and personal lives of each generation—box-office successes and failures, the ideologies that informed their work, the larger-than-life Kapoor weddings and Holi celebrations, their extraordinary romantic liaisons and family relationships, their love for food and their dark passages with alcohol. Based on extensive personal interviews conducted over seven years with family members and friends, Madhu Jain goes behind the façade of each member of the Kapoor clan to reveal what makes them tick. The Kapoors resembles the films that the great showman Raj Kapoor made: grand and sweeping, with moments of high drama and touching emotion. ‘Few books on Indian cinema have been written with such wit, clarity and sparkle’—Outlook ‘Jain writes in a language that is simple and pithy. . . it will keep alive public interest in the Kapoors who refuse to call it a day’—Telegraph 'Immensely readable...will surely find a place in the Indian cineaste's library’—Biblio **Big Lies in a Small Town** Tranquebar Press

"Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated Court Battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the Colonial jail, and faced torture and pain. Their heroism made them icons and figures of

Inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four Books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the Young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his Birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This Edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important Texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging" -- Provided by publisher.
