Computer
networks have
become
essential part
of modern
computing. As
a designer,

developer,
programmer,
or user it is
absolutely
necessary to
have a good
understanding
of the

concepts and techniques involved in these modern networking technologies, This book treats the Network as a system composed of inter related building blocks, giving students and professionals the best possible conceptual foundation for better understanding of current networking technologies as well as the further technologies of the industries. Healed HarperCollins

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the

male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for

her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and

her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms. [Didda - The Warrior Queen of Kashmir](#) Limited Editions *Winner of the 2017 Goodreads

Choice Awards: Non-Fiction Book of the Year!* The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt

efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success. **WARNING:** This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's

because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs. *The Modern Singhs* Rupa Publications Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered

body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do

anything to
get their next
story—to the
spoilt offspring
of the Karachi
elite who'll do
anything to
cure their
boredom. Her
most pressing
problem,
however, is
how to
straighten her
hair during the
chronic power
outages.

The Modern Singhs reveals their experiences as migrants to New Zealand as they struggled to find footing in new surroundings. They describe how they met and pursued a relationship that was forbidden by Money's culture, where he felt he had to choose between his family and the love of his life. The couple opens up about the difficult birth of their son, their journeys with mental health, a

complicated sense of home, and what it's like to raise bilingual children across three cultures. The rest is history - or at least uploaded to YouTube, where Abbey and Money's joyful outlook and celebration of tradition unites 1.3 million viewers from all over the world, encouraging others to embrace difference with open hearts.

Ballantine Books

This is a revised edition of the eight years old popular book on operating System Concepts. In Addition to its previous contents, the book details about operating system foe handheld devices like mobile platforms. It also explains about upcoming operating systems with have interface in various Indian language. In

addition to solved exercises of individual chapters, the revised version also presents a question bank of most frequently asked questions and their solutions. Value addition has been done in almost all the 14 chapters of the book. Hema Malini Manjul Publishing Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste,

while performing simultaneousy at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneousl y, the

audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she

made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her

other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV

serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai. All In Om Books International About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most

pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutka bauwa (little darling) set

out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet

Minister.

in the patchwork quilt of her creative life. Sai started her career at All India Radio, later graduating from the National School of Drama and making her way into theatre, television, documentaries and movies, working with some of the most highly regarded names of the Hindi film world. She met with success in the world of books too, her Marathi translation of

Naseeruddin Shah's memoir winning her the Sahitya Akademi award in 2019. Frank, forthright, full of anecdotes and written with a flair for recounting her multifarious journey in lively detail, *A Patchwork Quilt* is Sai Paranjpye's memoir that looks back on a life well lived. *Close to the Bone* Penguin UK Description The myth of Drishadvati appears in the Mahabharata as the 'story

of the salvation of kings by a maiden.' While tales of surrogacy abound in the Indian epics, this is the first known example of a womb-on-rent. This strange story-of a girl whose fertility was bartered repeatedly in exchange for priceless horses-has intrigued modern scholars, playwrights and authors for its cultural significance. While earlier adaptations have cast its theme as the exploitation of

a helpless woman, Bride of the Forest presents it as the story of girl who is surprisingly radical in her ultimate rejection of patriarchy. Staying true to the original myths and springing entirely from the world of the Mahabharata, the novel brings to life several other characters: Garuda, the divine bird who flies Lord Vishnu around the world: the proud kings of Ayodhya, Pratisthan and Kashi; the

arrogant queen, Devayani, and her duplicitous maid-whose stories reveal an intricate tapestry of human and divine relationships. Intertwined in the tales of traditional rivalries is the age-old war between the asuras and the devas that gave rise to the perennial male quest for immortality, transmuted into the human desire for sons that lies at the root of commercial surrogacy even today. However, it is

the story of Drishadvati, her sacrifice and her nobility, that will enchant the reader.

The Kiss of Life Penguin India

Raisha Lalwani, a reader by day and a writer by night, is a content homemaker. Her passion for writing started at an early age and has been growing since. After being trained as a singer in classical Hindustani music, she later went on to get a Master's in

International Business. She has lived in Mumbai, Jaipur, Delhi, and Dubai. Her need to pen things down has led to her debut novel, *The Diary on the Fifth Floor*. A fine line between fact and fiction, this book is a collection of short stories in the form of diary entries. *I Too Had a Love Story* HarperCollins Is my baby not well? When can I introduce my baby to solid foods? Becoming a new mother

can be an exciting yet overwhelming time. No matter how prepared you are, there will always be many confusing moments, opinions and a whole lot of drama! And just like any other new mom, Esha Deol Takhtani was faced with many such questions soon after the birth of her two daughters- Radhya and Miraya. One day, when one of her baby girls was throwing a

tantrum, Esha decided to come up with a plan, one that would ensure her child eats right and is happy in the process! And thus began her adventures in motherhood. With the help of her cook, nurse and some of the best paediatricians in Mumbai, she set off on a journey to document her experiences in motherhood in the hope that it would help other mothers too. Packed with advice, tips, stories

and easy and delicious recipes for toddlers, Amma Mia reflects the personal journey of one woman's transformation into a mother. Informative and easy to follow, this book will help new mothers navigate the ups and downs of raising a healthy toddler and make their child fall in love with food. *Operating System Concepts* Doubleday Canada 'Doc has delivered my

two greatest joys, Ranbir and Riddhima,' says actress Neetu Singh. 'I am most comfortable with him and will not go to any other doctor.' Thousands of women feel the same way. For Dr R.P. Soonawala is the doctor extraordinaire -- an expert gynaecologist, a skilled surgeon and the gentlest of people. Growing up as the third son of a Parsi doctor in 1930s' Bombay, the young RP was

more interested in sprinting and tennis than his studies. Between playing pranks on friends and dating the gorgeous Piloo, whom he would later marry, the young man's life skipped merrily from his Navjot ceremony at seven to early training in medicine. The turning point came when he witnessed the gruesome abortions performed by mercenary doctors in an era when Medically Terminated

Pregnancy was illegal in India. Deciding to change that, Dr Soonawala set about devising a new Intra-Uterine Contraceptive Device that would empower women to plan their pregnancy. He would receive the Von Graffenberg Medal from the University of Kiel in 1984, and the Padma Shri in 1991 for his extraordinary innovation. Today, at eighty-six, Dr Soonawala is as active as

ever. He is Chairman, Ob-Gyn, at Max Healthcare, and on the governing board of Ajeenkya D.Y. Patil University. His disarming humility and infectious humour continue to charm his friends and patients. Firmly putting behind him the media's unfair allegations at the time of Smita Patil's untimely death, he has gone on to deliver generations of Ambanis and Kapoors, as

also Varun Gandhi and Laloo Prasad Yadav's grandchildren. Noted writer Rashmi Uday Singh puts together five years of interviews with the doctor and his family to produce this biography of the man who changed the face of obstetrics and gynaecology in India. *Anything But Khamosh: The Shatrughan Sinha Biography* KHANNA PUBLISHING HOUSE NEW YORK TIMES BEST

SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. “A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down.”—Serena Williams In this spirited account, Billie

Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous “Battle of the Sexes.” She poignantly recalls the cultural backdrop of those years and the profound impact on her

worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entranced sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging

g her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the

story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports. Experiencing Tarot Random House India “I have not lately read a finer book than this—on any subject at all. . . . A masterpiece.” —Simon Winchester, *New Statesman* The photographs of three young men had

stood in his grandmother’s house for as long as he could remember, beheld but never fully noticed. They had all fought in the Second World War, a fact that surprised him. Indians had never figured in his idea of the war, nor the war in his idea of India. One of them, Bobby, even looked a bit like him, but Raghu Karnad had not noticed until he was the same age as they were in their photo frames. Then

he learned about the Parsi boy from the sleepy south Indian coast, so eager to follow his brothers-in-law into the colonial forces and onto the front line. Manek, dashing and confident, was a pilot with India's fledgling air force; gentle Ganny became an army doctor in the arid North-West Frontier. Bobby's pursuit would carry him as far as the deserts of Iraq and the green hell of the

Burma battlefield. The years 1939-45 might be the most revered, deplored, and replayed in modern history. Yet India's extraordinary role has been concealed, from itself and from the world. In riveting prose, Karnad retrieves the story of a single family—a story of love, rebellion, loyalty, and uncertainty—and with it, the greater revelation that is India's Second World

War. Farthest Field narrates the lost epic of India's war, in which the largest volunteer army in history fought for the British Empire, even as its countrymen fought to be free of it. It carries us from Madras to Peshawar, Egypt to Burma—unfolding the saga of a young family amazed by their swiftly changing world and swept up in its violence. **Lifegiver** Harper Collins Son of a famous father.

Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his

debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second

coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like Do Dooni Chaar, D-Day, Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a

legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the

warmest, most dil se biography an Indian star has ever penned. *The Lost Cat* Penguin UK NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get

on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the

national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs

with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador,

from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.
