A Tale of Two
Cities (1859)

is a historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to live in London with his daughter Lucie, whom he had never met. The story is set against the conditions that led up to the French Revolution and the Reign of Terror.

A Novel Open Road Media Training Circular (TC) 3-09.81, "Field Artillery Manual Cannon Gunnery," sets forth the doctrine pertaining to the employment of artillery fires. It explains all aspects of the manual cannon gunnery problem and presents a practical application of the science of ballistics. It includes step-by-step instructions for manually solving the

gunnery problem which can be applied within the framework of decisive action or unified land operations. It is applicable to any Army personnel at the battalion or battery responsible to delivered field artillery fires. The principal audience for ATP 3-09.42 is all members of the Profession of Arms. This includes field artillery Soldiers and combined arms chain of command field and company

grade officers, middle-grade and senior noncommissioned officers (NCO), and battalion and squadron command groups and staffs. This manual also provides guidance for division and corps leaders and staffs in training for and employment of the BCT in decisive action. This publication may also be used by other Army organizations to assist in their planning for support of battalions.

This manual builds on the collective knowledge and experience gained through recent operations, numerous exercises, and the deliberate process of informed reasoning. It is rooted in time-tested principles and fundamentals, while accommodating new technologies and diverse threats to national security. Changeling Penguin The publication of

the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The

introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. Model Rules of Professional Conduct

Maud Demille is a daughter of Innkeepers--a special group who provide 'lodging' to other-planetary visitors--so she knows that a simple life isn't in the cards. But even Maud could never have anticipated what Fate would throw at her. Once a wife to a powerful vampire knight, Maud and her young daughter,

Helen, were exiled with him for his treachery to the desolate, savage planet of Karhari. Karhari killed her husband, and Maud-- completely abandoned by his family--has spent over a year avenging his debts. Rescued by her sister Dina, she's sworn off all things vampire. Except... In helping Dina save the world, she met Arland, the Marshal of House Krahr, one of the most powerful vampire

houses. One thing led to another and he asked for her hand in marriage. She declined. Arland is not used to hearing the word 'no;' and try as she might, Maud can't just walk away from Arland. It doesn't help that being human is a lot harder for Maud than being a vampire. To sort it all out, she accepts his invitation to visit his home planet. House Krahr is extremely influential and Maud knows

that a woman--a human, with a very questionable past--who's turned down a proposal from its most beloved son won't get a warm reception. Maybe she's not sure about marrying Arland, but House Krahr isn't going to decide for her. Maud Demille has never run from a fight, and House Krahr will soon discover that there's a lot more to Maud than they're expecting. **Clean Sweep**

Twenty years

ago, Morgan Rowlands was the most powerful young bloodwitch to come around in generations - making magickal discoveries, facing and conquering unimaginable evil, and surviving a devastating betrayal. Her daughter, fifteen-year-old Moira, knows there's more to her mother's past than she's been told. And the secrets that lie in Morgan's heart could destroy Moira's entire

world. When Moira learns two painful truths about her family, she begins to put the puzzle together - and realizes that someone close to her is in grave danger. *Book One* Penguin "Morgan is the last of an unbroken line of ancient and powerful witches. author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement

is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated. **One Fell Sweep** Thomas Nelson Incorporated Maurice Broaddus's Sweep of Stars is the first in a trilogy that explores the struggles of an empire. Epic in scope and intimate in voice, it follows members of the Muungano empire – a far-

reaching coalition of city-states that stretches from O.E. (original earth) to Titan – as it faces an escalating series of threats. "The beauty in blackness is its ability to transform. Like energy we are neither created nor destroyed, though many try." - West African Proverb The Muungano empire strived and struggled to form a utopia when they split away from old earth. Freeing themselves

from the endless wars and oppression of their home planet in order to shape their own futures and create a far-reaching coalition of city-states that stretched from Earth and Mars to Titan. With the wisdom of their ancestors, the leadership of their elders, the power and vision of their scientists and warriors they charted a course to a better future. But the old powers could not allow them to thrive

and have now set in motion new plots to destroy all that they've built. In the fire to come they will face down their greatest struggle yet. Amachi Adisa and other young leaders will contend with each other for the power to galvanize their people and chart the next course for the empire. Fela Buhari and her elite unit will take the fight to regions not seen by human eyes, but no training will be enough to bring them

all home. Stacia Chikeke, captain of the starship Cypher, will face down enemies across the stars, and within her own vessel, as she searches for the answers that could save them all. The only way is forward. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Clean Sweep Book of Shadows Book One Witch Morgan Rowlands and

members of the team, Macho Row follows the remarkable season with an up-close look at the players' lives, the team's triumphs and failures, and what made this group so unique and so successful. With a throwback mentality, the team adhered to baseball's Code.

Designed to preserve the moral fabric of the game, the Code's unwritten rules formed the bedrock of this diehard team whose

players paid homage and respect to the game at all times.

Trusting one another and avoiding any notions of superstardom, they consistently rubbed the opposition the wrong way and didn't care. William C. Kashatus pulls back the covers on this old-school band of brothers, depicting the highs and lows and their brash style while also digging into the suspected steroid use of players on the

team. Macho Row is a story of winning and losing, success and failure, and the emotional highs and lows that accompany them.

Strife Puffin Dina DeMille isn't your typical Bed and Breakfast owner. Her inn defies laws of physics, her dog is secretly a monster, and the only permanent guest of the inn is a former Galactic tyrant with a price on her head. The inn needs guests to thrive and guests have

been scarce, so when an Arbitrator shows up at Dina's door and asks her to host a peace summit between three warring species, she jumps on the chance. Unfortunately, for Dina, bridging the gap between space vampires, the Hope-Crushing

Horde, and the merchants of Baha-char is much easier said than done. To make the summit a success, she must find a chef, remodel the inn, keep her guests from murdering each other, and risk everything, even her life,

to save the man she might fall in love with. But then it's all in the day's work for an Innkeeper...
