Prague is a threshold, Sarah is warned, and it is steeped in blood. Soon after Sarah arrives, strange things begin to happen. She learns that her mentor, who was working at the castle, may not have committed

suicide after all. Could his cryptic notes be warnings? As Sarah parses his clues about Beethoven's "Immortal Beloved," she manages to get arrested, to have tantric sex in a public fountain, and to discover a time-warping drug. She also catches the attention of a four-hundred-year-old dwarf, the handsome Prince Max, and a powerful U.S. senator with secrets she will do anything to hide. And the

story continues in *City of Lost Dreams*, the mesmerizing sequel, which finds Sarah in the heart of Vienna, embroiled in a new web of mystical secrets and treacherous lies. [My Little Secret](#) Kaya Press

In this book, the author develops a relational concept of space that encompasses social structure, the material world of objects and bodies, and the symbolic dimension of the social world. Löw's guiding principle is the assumption that space emerges in the interplay between objects, structures and actions. Based on a critical discussion of classic theories of space, Löw

develops a new dynamic theory of space that accounts for the relational context in which space is constituted. This innovative view on the interdependency of material, social, and symbolic dimensions of space also permits a new perspective on architecture and urban development. *Answers for Healing and Infinite Love* SelectBooks, Inc. Marilyn Monroe's death has been

shrouded in decades of deception, conspiracy, and lies. Donald H. Wolfe has written a startling portrait of the twentieth century's greatest film star that not only redefines her place in entertainment history but also reveals the secret conspiracy that surrounded her last days. *In The Last Days of Marilyn Monroe*, Wolfe confirms that the tragic actress was a homicide

victim. He documents the mode of death, and names those involved and those who participated in the cover-up. Filled with documented revelations, eye-opening information about the dark secret in Marilyn's relationship with John and Robert Kennedy, and shocking details about the many bizarre events that took place at Marilyn's home the day she died, Donald H. Wolfe's

remarkable book is the culmination of more than seven years of research. It will change forever the way we view the life—and death—of this great star.

*Things That Are*

Philadelphia Museum (PA) Perhaps no one's death has stirred more interest, controversy, and theories than Marilyn Monroe's August 4 of 1962. In *Murder Orthodoxies*, author Donald R. McGovern analyzes and examines the

many theories that Monroe was murdered by a host of curious characters—from the middle Kennedy brothers to brutal gangsters to aliens.

McGovern separates fact from fiction and theory from outlandish rumor. He addresses and debunks the usual allegations related to Monroe's death, the secrets recorded in her little red diary, her scheduled

whistle-blowing press conference, the murder plots by organized crime and the brothers Kennedy, and the fatal injection of drugs, along with many others. In *Murder Orthodoxies*, McGovern restores logic and sanity to the investigation of Monroe's death. His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion, not by facts. His

credible conclusions are based on logic, science, toxicology, and forensic evidence. *Materiality, Social Structures, and Action* Aurum 'Bright Dead Things buoyed me in this dismal year. I'm thankful for this collection, for its wisdom and generosity, for its insistence on holding tight to beauty even as we face disintegration and destruction.' Celeste Ng, author of

Everything I Never Told You A book of bravado and introspection, of feminist swagger and harrowing loss, Bright Dead Things considers how we build our identities out of place and human contact - tracing in intimate detail the ways the speaker's sense of self both shifts and perseveres as she moves from New York City to rural Kentucky, loses a dear parent, ages past the capriciousness

of youth and falls in love. In these extraordinary poems Ada Limón's heart becomes a 'huge beating genius machine' striving to embrace and understand the fullness of the present moment. 'I am beautiful. I am full of love. I am dying,' the poet writes. Building on the legacies of forebears such as Frank O'Hara, Sharon Olds and Mark Doty, Limón's work is consistently generous, accessible,

and 'effortlessly lyrical' (New York Times) - though every observed moment feels complexly thought, felt and lived. The Big Sleep Midori Press LLC In his illuminating, fascinating book, Keith Badman finally uncovers the truth about the icon's last years. It was a tough time - one in which the star's increasingly erratic behaviour and dependence on alcohol and medication

plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely how Monroe died at just thirty-six years of age, and shines a light on the suspicious delays on the night of her overdose - delays that indicate a cover up. He discovers new details about her rekindled relationship with Joe DiMaggio, and the horrendous weekend she

spent at Frank Sinatra's Cal-Nevada lodge, as well as why Fox refused to let her finish her final movie Something's Got to Give, and her distress at being imprisoned at the Payne Whitney psychiatric hospital. Drawing on private, previously unpublished itineraries and original eye-witness accounts, Badman sheds new light on Marilyn's involvement with John and Bobby

Kennedy, and ends a six-decade-old mystery by telling the precise date of her first encounter with the President. The Final Years of Marilyn Monroe features a deluge of stories of which even the most die-hard fan will be unaware. *Last Stop Auschwitz* Marilyn's Red Diary Marilyn's Red Diary is shocking, funny, scandalous and sad but always brutally honest.

Marilyn Monroe is caught between intellectual giants - her award-winning playwright husband Arthur Miller and her dashing politician boyfriend Jack. Then along comes Jack's fiery brother Bobby. The world's dream girl relates her intimate adventures with many of the era's who's who. Marilyn's Red Diary is a touching portrait of a hard-working, extremely bright woman,

trapped in her own sensuality and, tragically, born far ahead of her time. transform the way we look at these iconic tragedies that have long fascinated and intrigued the general public. *Murder, Lies, and Cover-Ups* reveals that Elvis Presley died not as a self-obsessed caricature but as a genuine hero who may have signed his death warrant going undercover for the FBI; how Marilyn Monroe's secret affairs with JFK and his brother, Robert, left her in the crosshairs of a lethal conspiracy;

why Princess Diana's death was no accident; who ordered President John F. Kennedy's assassination; and how on three occasions Michael Jackson “died” of painkiller drug overdoses in the months before his death. In the wake of new evidence and testimonies, *Murder, Lies, and Cover-Ups* provides many of the answers that have been elusive for so long, while explaining what it was

about these enduring legends that made their legacies burn so bright. *A Novel* Simon and Schuster Combining heart-wrenching emotion with edge-of-your-seat tension, Charles Martin explores the true power of sacrificial love. He shows up when all hope is lost. Murphy Shepherd has made a career of finding those no one else could—survivors of human trafficking. His life's mission is helping

others find freedom. But then the nightmare strikes too close to home. When his new wife, her daughter, and two other teenage girls are stolen, Murphy is left questioning all he has thought to be true. With more dead ends than leads, he has no idea how to find those he loves. After everything is stripped away, love is what remains. Hope feels lost, but Murphy is willing to expend his last breath

trying to bring them home. Preview from Charlie Martin: "I don't know how he does what he does. It sounds rhetorical at this point because I find myself saying the same thing after every book. I flip the last page over (usually after having read it multiple times to prolong the ending) and then say, usually out loud to myself, 'How the h-e-double-hockey-stick did he just pull that off?' This book is no exception. It is

unequivocally, hands down, a remarkable read. It's everything you want (and a whole lot more) from a sequel. "David Bishop/Murphy Shepherd is the guy who shoots first and asks questions later. He's got multiple secret identities, flies around on private jets, has several storage units with motorcycles, walls full of well-used handguns, rifles, shotguns, not to mention the storage unit in

south Florida where he's got a Hell's Bay skiff . . . I mean c'mon. He makes Batman's arsenal and gadgets look like a joke, and Jason Bourne look like a rookie in the world of taking out bad guys. AND on top of that, the dude's a PRIEST . . . and he uses his priestly credentials to get in (and out) of some pretty shady situations (spoiler alert) taking out a respectable amount of bad guys in his white robes in the process . . . (spoiler alert #2). Too bad those robes don't stop bullets . . . (spoiler alert #3 . . . my bad. I'll stop.) And on top of that, he's got the world's greatest dog. The Shepherd/Gun nar duo is unstoppable, again, this time around. "But amid all the secret identities and kicking butt he does, let's face it . . . the dude's got MAD game. For those who don't know what that means, the dude is a total chick magnet—and not by choice. And if I can get serious for a minute, The Letter Keeper takes the character development between Bishop and his girls to the next level. By the end, you're so invested and knitted into their stories and hearts, you're left scratching your head thinking, 'Are we sure this is fiction? There's no way this is made up.' "The way he/Dad/Charles walks us

through the storyline of Bishop, Summer, and Angel is everything we, us readers, have been waiting for. It's beautiful and deep and genuine, but thrilling and exciting all in one. Dad/Charles has had a couple of really phenomenal characters break the pages in the last 20+ years of his writing—Matthew Rising, Sunday, Ella Rain (love that lady), Tyler Steele . . . You

know 'em, we love 'em all—but these—Bishop, Summer, Angel, Casey, Clay, Bones, yes even Gunnar—might be my favorite. Speaking of Bones, for those who were like me wondering who the heck this guy is in the first book, well, let's just say there's more to Bones than meets the eye. "Y'all better get ready. Like I said last time, clear your schedule. When this book comes out, say you

got a scratchy throat or something, muscle aches, play the COVID scare card for a day and say you need to quarantine. Then read this book . . . front to back. There will be more sweaty palms, fist pumps, tears, and laughter than the first one. I promise. "And yes . . . in case you're wondering . . . by the time this book ends, there's not much room left on his back for more names. But something tells me that's

not going to stop Bishop.” Praise for The Letter Keeper: “Very few contemporary novelists have found acclaim within mainstream and evangelical markets, but Charles Martin is among them. His latest novel is both a stand-alone story and a sequel to his highly-praised The Water Keeper. It hinges on the Scriptural message of forsaking the found in order to seek the lost, a theme Martin brings to poetic and

brilliant life. A man broken by events beyond his control accepts the challenge to walk dark ways in order to bring the lost and helpless home, but he comes close to losing himself in the process. Despite the hardship and heartache, Martin’s story shines with the light of eternal hope.” —Davis Bunn, writing for Christianity Today Full-length novel One of the Murphy Shepherd

interaction between religion and political authority throughout history. *The Living Spirit* Penguin 'Bobby called. He's coming to California. He wants to see me.' Drawing on secret police files, Marilyn Monroe's private diary and never before published first-hand testimony, this book proves that Robert Kennedy was directly responsible for her death. It details the

legendary star's tumultuous personal involvement with him and his brother, President John Kennedy, and how they sought to silence her. The new evidence and testimony is provided by Mike Rothmiller who, as a detective of the Organized Crime Intelligence Division (OCID) of the LAPD, had direct personal access to hundreds of secret LAPD files on

exactly what happened at Marilyn Monroe's Californian home on August 5, 1962. With his training and investigator's knowledge, Rothmiller used that secret information to get to the heart of the matter, to the people who were there the night Marilyn died - two of whom played major roles in the cover-up - and the wider conspiracy to protect the Kennedys at all costs. There will be those with

doubts, but to them, the lawman - who directed international intelligence operations targeting organized crime - says the printed, forensic and oral evidence are totally convincing. He insists: 'If I presented my evidence in any court of law, I'd get a conviction.'

From Library Journal  
Women's Summer Reading and Romantic Times Editor's Choice author Marta Acosta comes a "heart-breaking and heart-warming" story about

taking risks, making friends, and finding love, while staying true to yourself.

Broken-hearted Maddie Whitney, aka Mad Girl, is a dog trainer whose significant behavioral issues make her an outcast in the small rural California town of Coyote Run. When Maddie discovers a murdered woman in a field, she impulsively claims that she's an animal psychic to

promote her canine rehabilitation center and save the family ranch. Now the girl who can't make eye contact is the focus of the wrong kind of attention. Maddie's forced to start a Search and Rescue team with her ex-girlfriend's twin brother, Oliver, a hostile sheriff, or risk losing her beloved former military dog. As she trains Oliver to be a dog handler, their relationship evolves from

animosity to respect and more. Meanwhile, Maddie's younger sister, Kenzie, who has always cared for Maddie, yearns for a life of her own, and the unknown murderer believes the animal psychic will discover his identity. Difficult and complicated Maddie makes new friends, faces life-threatening dangers, and tests her ability to function without the protective

walls she's built around her. "Amazing! A gripping read that will have your heart racing from start to finish." --James Sinclair, *Autistic & Unapologetic Praise for Marta Acosta's Books* "Acosta's talent is staggering. Central Publishing I have written The Living Spirit not just for healers, but for anyone who wants to awaken to their soul's mission and to the incredible plan God has for them. It is intended as a compassionate and supportive guide for others beginning their spiritual journey as mediums, psychics, and energy healers or simply for those with questions about who they are, what

life is all about, and whether there is indeed life after death. In short, it is the book I wish I had on that night all those years ago. In gratitude for my spiritual gifts, I made a commitment to live according to the universal laws of energy and to share all I've learned with others. This includes helping others to conquer their childhood fears and limitations so their souls can mature. As our souls grow and expand,

our physical lives expand and abound in abundance. It is my hope that by reading the personal stories shared by a host of people and those from my daily life, it will become apparent to you that each of us is more than we appear to be. We can transform our selves and our world into a place that reflects the best of our divine gifts. When one shifts to living in conjunction with spirit, and to moving

through their emotional issues with new vision and expertise, anything is possible. Another major emphasis of this book is to share the miraculous happenings and coincidences that have proven to me, a former skeptic, that life is not random, and all our experiences are the way to a higher understanding of self. There are three main points that I hope readers take away from The

Living Spirit: - We are divine soul beings interconnected to each other and to the universal energy that supports all of us. -Life is not random. Throughout our lives we will experience a series of coincidences that are not coincidental at all, but Spirit, whispering words of love and guidance in our ears. - Our loved ones in afterlife guide us to expand our understanding of our soul nature and our physical lives. I invite readers to share this journey with me and learn to let go of any restriction preventing their full enjoyment of life. Once we become aware of how we can recognize and utilize coincidences, synchronicities, and higher guidance, we can begin our exploration of what these mean in our lives and in our role in the world. We all have the Divine-given abilities to repair our wounds and misguided thinking. Through meditation and energy work like Reiki, we can learn to quiet the mind of negative chatter and learn to find that place within where we are sure of God's love and guidance.
