**When the Irish Invaded Canada** Bloomsbury Publishing  
Use this comprehensive guide in conjunction with a rail pass to get the most out of your trip to Japan.

**Ultimate Journeys for Two** National Geographic Books  
During a year spent in Japan on a personal quest to deepen her appreciation for such Eastern ideals as commitment and devotion, documentary filmmaker Karin Muller discovered just how maddeningly complicated it is being Japanese. In this book Muller invites the reader along for a uniquely American odyssey into the ancient heart of modern Japan. Broad in scope and deftly observed by an author with a rich visual sense of people and

place, Japanland is as beguiling as this colorful country of contradictions.

*Super Volcanoes: What They Reveal about Earth and the Worlds Beyond* Houghton Mifflin

The National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel. Each book provides inspiring photography, insider tips, and expert advice for a more authentic, enriching experience of the destination. These books serve a readership of active, discerning travelers, and supply information, historical context, and cultural interpretation not available on the Internet. In Japan, spring bursts onto the scene with the splendor of blooming cherry trees (sakura), the symbol of life. This is the most popular season for visitors, who enjoy the tranquility of the Zen gardens, however, the narrow archipelago of Japan offers considerable cultural and geographical variety, with interesting attractions and places to visit throughout the seasons. Attractions range from the snowcapped volcano of Mount Fuji to tropical atolls and the frenzied metropolises of Tokyo and Kyoto—the imperative experiences of Japan could fill an entire lifetime. National Geographic brings all the aspects of the culture, history, and traditions of the places to visit. Walking itineraries, with maps, include Shibuya-ku, Ueno, Hakodate, Hagi and the route from Magome to Tsumago. Among the excursions, there are visits to the wonderful Japanese gardens, to the Peace Park in Hiroshima and to the national parks of Akan and Kushiro-Shitsugen. It is possible to follow the pilgrim paths of Kumano Kodo or take whale-watching trips along the coasts. The travel advice for the eight main islands and regions includes the most interesting cities, towns, and regions of Japan, helping visitors discover one of the most famous and complex tourist destinations of Asia.

*National Geographic Traveler - Dominican Republic* Dorling Kindersley Ltd

Ken Budd's *The Voluntourist* is a remarkable memoir about losing your father, accepting your fate, and finding your destiny by volunteering around the world for numerous worthy causes: Hurricane Katrina disaster relief in New Orleans, helping special needs children in China, studying climate change in Ecuador, lending a hand—and a heart—at a Palestinian refugee camp in the Middle East, to name but a few. Ken's emotional journey is as inspiring and affecting as those chronicled in *Little Princes* and *Three Cups of Tea*. At once a true story of powerful family bonds, of sacrifice, of self-discovery, *The Voluntourist* is an all-too-human, real-life hero whom you will not soon forget.

**A Traveller's History of Japan** National Geographic Books  
Whether you want to see cherry blossoms in Kyoto, speed through the countryside aboard a shinkansen, or shop til you drop in futuristic Shibuya, your DK Eyewitness travel guide makes sure you experience all Japan has to offer. Japan is a land of contrast - think tranquil zen gardens and peaceful pagodas, neon-lit cities and robot restaurants. Cities might be the first things that spring to mind when you think of Japan, but the countryside is just as epic. There's the iconic Mount Fuji, bubbling hot springs, unspoiled beaches and adrenaline-packed ski resorts. And if that wasn't enough to entice you to visit, there's the food - unctuous

noodles, delicate sushi and warming hotpots. Our updated guide brings Japan to life, transporting you there like no other travel guide does with expert-led insights, trusted travel advice, detailed breakdowns of all the must-see sights, photographs on practically every page, and our hand-drawn illustrations which place you inside the country's iconic buildings and neighbourhoods. DK Eyewitness Japan is your ticket to the trip of a lifetime. Inside DK Eyewitness Japan you will find: - A fully-illustrated top experiences guide: our expert pick of Japan's must-sees and hidden gems - Accessible itineraries to make the most out of each and every day - Expert advice: honest recommendations for getting around safely, when to visit each sight, what to do before you visit, and how to save time and money - Colour-coded chapters to every part of from Tokyo to Kyoto City, Hokkaido to Okinawa - Practical tips: the best places to eat, drink, shop and stay - Detailed maps and walks to help you navigate the region country easily and confidently - Covers: Central Tokyo, Northern Tokyo, Western Tokyo, Farther Afield, Central Honshu Kyoto City, Western Honshu, Shikoku, Kyushu, Okinawa, Northern Honshu, Hokkaido Only visiting Tokyo? Try our DK Eyewitness Tokyo. About DK Eyewitness: At DK Eyewitness, we believe in the power of discovery. We make it easy for you to explore your dream destinations. DK Eyewitness travel guides have been helping travellers to make the most of their breaks since 1993. Filled with expert advice, striking photography and detailed illustrations, our highly visual DK Eyewitness guides will get you closer to your next adventure. We publish guides to more than 200 destinations, from pocket-sized city guides to comprehensive country guides. Named Top Guidebook Series at the 2020 Wanderlust Reader Travel Awards, we know that wherever you go next, your DK Eyewitness travel guides are the perfect companion.

Japan Bloomsbury Publishing

Examines the places and activities around the world that captivate their residents--from regional festivals, undiscovered local restaurants, and lesser-known art galleries, to quiet places to sit and watch another world stroll by.

*Where the Locals Go* Crown Currency

Reliable: No need to worry about cell service or battery--the maps in this atlas are thoroughly researched and regularly updated by the leading publisher of Asia Pacific maps.

*The Voluntourist* National Geographic Books

The brave, wry, irresistible journey of a fiercely independent American woman who finds everything she ever wanted in the most unexpected place. Shufu: in Japanese it means "housewife," and it's the last thing Tracy Slater ever thought she'd call herself. A writer and academic, Tracy carefully constructed a life she loved in her hometown of Boston. But everything is upended when she falls head over heels for the most unlikely mate: a Japanese salary-man based in Osaka, who barely speaks her

language. Deciding to give fate a chance, Tracy builds a life and marriage in Japan, a country both fascinating and profoundly alienating, where she can read neither the language nor the simplest social cues. There, she finds herself dependent on her husband to order her food, answer the phone, and give her money. When she begins to learn Japanese, she discovers the language is inextricably connected with nuanced cultural dynamics that would take a lifetime to absorb. Finally, when Tracy longs for a child, she ends up trying to grow her family with a Petri dish and an army of doctors with whom she can barely communicate. And yet, despite the challenges, Tracy is sustained by her husband's quiet love, and being with him feels more like "home" than anything ever has. Steadily and surely, she fills her life in Japan with meaningful connections, a loving marriage, and wonder at her adopted country, a place that will never feel natural or easy, but which provides endless opportunities for growth, insight, and sometimes humor. A memoir of travel and romance, *The Good Shufu* is a celebration of the life least expected: messy, overwhelming, and deeply enriching in its complications.

**Discovering Japan** Interlink Books

Following the success of the *Journeys of a Lifetime* series, National Geographic delivers this large-format, lavishly illustrated travel planner, packed with more than 250 big, colorful images, 110 original, detailed maps, and evocative text.

**National Geographic Kids Everything Space** CRC Press

An exhilarating, time-traveling journey to the solar system's strangest and most awe-inspiring volcanoes. Volcanoes are capable of acts of pyrotechnical prowess verging on magic: they spout black magma more fluid than water, create shimmering cities of glass at the bottom of the ocean and frozen lakes of lava on the moon, and can even tip entire planets over. Between lava that melts and re-forms the landscape, and noxious volcanic gases that poison the atmosphere, volcanoes have threatened life on Earth countless times in our planet's history. Yet despite their reputation for destruction, volcanoes are inseparable from the creation of our planet. A lively and utterly fascinating guide to these geologic wonders, *Super Volcanoes* revels in the incomparable power of volcanic eruptions past and present,

Earthbound and otherwise—and recounts the daring and sometimes death-defying careers of the scientists who study them. Science journalist and volcanologist Robin George Andrews explores how these eruptions reveal secrets about the worlds to which they belong, describing the stunning ways in which volcanoes can sculpt the sea, land, and sky, and even influence the machinery that makes or breaks the existence of life. Walking us through the mechanics of some of the most infamous eruptions on Earth, Andrews outlines what we know about how volcanoes form, erupt, and evolve, as well as what scientists are still trying to puzzle out. How can we better predict when a deadly eruption will occur—and protect communities in the danger zone? Is Earth's system of plate tectonics, unique in the solar system, the best way to forge a planet that supports life? And if life can survive and even thrive in Earth's extreme volcanic environments—superhot, superacidic, and supersaline surroundings previously thought to be completely inhospitable—where else in the universe might we find it? Traveling from Hawai'i, Yellowstone, Tanzania, and the ocean floor to the moon, Venus, and Mars, Andrews illuminates the cutting-edge discoveries and lingering scientific mysteries surrounding these phenomenal forces of nature.

**Lonely Planet Japan** Stichting Kunstboek

This eleventh edition was developed during the encyclopaedia's transition from a British to an American publication. Some of its articles were written by the best-known scholars of the time and it is considered to be a landmark encyclopaedia for scholarship and literary style.

**Around the World in 80 Trains** Penguin

Captioned photographs depict Japanese life during one twenty-four hour period in 1985.

**A Traveller's History of London** Anchor

A useful guide to carry with you around the city, providing a comprehensive account of London's 2000 year history. *A Traveller's History of London* gives a full and comprehensive historical background to the capital's past and covers the period from London's first beginnings, right up to the present day—from Londinium and Lundenwic to Docklands' development. It reveals the city's hidden treasures and forgotten places and guides the reader to the sights and sites that can still be seen and enjoyed.
