As a practitioner you will understand and work more efficiently with your clients. Under each disease you will find emotional components and accurate key points guiding you to effective alternative ways to heal and how to find core issues.

Read for pleasure at your level, expand your vocabulary and learn Swedish the fun way! Crown

In early 1946, Kurds declared an independent republic in north-west Iran. The Mahabad Republic, as it became known, was the first time that the Kurds experienced self-rule in the modern era. Although short-lived, the Republic had a formative influence on the subsequent development of Kurdish nationalist movements in Iran and the wider region. Here, Abbas Vali disputes the conventional view that the Kurdish Republic was the result of a Soviet conspiracy to dismember Iran, a side-effect of the Cold War. Instead he emphasizes the diversity of the internal Iranian and Kurdish factors that led to the formation of the Republic, arguing that the Republic represents the culmination of a new and modern Kurdish national identity. This was an identity which emerged in response to the exclusionary effects of the political and discursive processes and practices of the construction of a modern Iranian nation-state and national identity since the Constitutional Revolution of 1906, which often excluded and attempted to override a Kurdish one. Vali contends

that this process, largely due to the socio-economic and cultural impact of the rule of Pahlavis, in reality forced the Kurdish people of Iran to form and reinforce their own ethno-linguistic and ethno-national community. The expressions of this separate identity can be traced through the formation and dissolution of Kurdish national parties, such as the Kurdistan Democratic Party of Iran (KDPI). 'Kurds and the State in Iran' offers an analysis of the formation and effects of the concepts of the state, the nation, nationalism and ethnic identity, which go beyond current ethnicist and constructivist theories, thus making it essential reading for anyone interested in the Kurds or the development of national and state identities in the Middle East.

Norwegian: A Comprehensive Grammar is a complete reference guide to modern Norwegian (the Bokmål standard). The Grammar is an essential source for the serious student of Norwegian, and for students of comparative linguistics. It is ideal for use in colleges, universities and adult classes of all types. The volume is organised to promote a thorough understanding of Norwegian grammar. It presents the complexities of Norwegian in a concise and readable form. Explanations are full, clear and free of jargon. Throughout, the emphasis is on Norwegian as used by present-day native speakers. An extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. *Swedish Mentality* Routledge The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Now available for the first time in print and e-book formats *Classical and Contemporary Sociological Theory: Text and Readings* offers students with the best of both worlds—carefully-edited excerpts from the original works of sociology's key thinkers accompanied by an analytical framework that discusses the lives, ideas, and historical circumstances

of each theorist. This unique format enables students to examine, compare, and contrast each theorist's major themes and concepts. In the Fourth Edition of this bestseller, examples from contemporary life and a rich variety of updated pedagogical tools (tables, figures, discussion questions, and photographs) come together to illuminate complex ideas for today's readers. Advanced maths students have been waiting for this, the third edition of a text that deals with one of the fundamentals of their field. This book contains a systematic treatment of probability from the ground up, starting with intuitive ideas and gradually developing more sophisticated subjects, such as random walks and the Kalman-Bucy filter. Examples are discussed in detail, and there are a large number of exercises. This third edition contains new problems and exercises, new proofs, expanded material on financial mathematics, financial engineering, and mathematical statistics, and a final chapter on the history of probability theory.

Are you looking for a new Korean

challenge after mastering the basics?

Welcome to the Intermediate level! The Korean language is constantly advancing and conquering new markets. Whether it's with their television series, their incredible music or simply the culture and tourism, the Korean tongue is currently taking over the world! And we guess that you don't want to be left behind in not

understanding and speaking Korean, right?

Because of this, we have created the next level of Korean stories for the students who have already surpassed the beginner level: Intermediate Korean Short Stories!

In this book we have compiled 12 challenging, compelling and fun stories that will allow you to expand your vocabulary, educate you on the culture and give you the tools to boost your grasp of the wonderful Korean tongue. How

Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! -

The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a

set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after (and in English), but no cheating! We want you to feel comfortable while mastering the Korean tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Intermediate Korean Short Stories and level up your Korean language learning right now!

A good girl in small town Oregon is about to leave the friend zone to find romance with a sweet and sexy veterinarian in this contemporary romance. As the designated good girl of Redwood Ridge, Oregon, Gabby Cosette has landed a permanent position in the friend zone. With no prospects in sight, she's ready to let the town gossips set their matchmaking sights on her. Too bad their perfect match happens to be her boss at the veterinarian clinic—and her best friend. Sure, Flynn O'Grady is handsome and kind, but getting involved with him would risk toppling both of their carefully constructed worlds. Even if he is starting to make her girly parts zing. Deaf since birth, Flynn has always felt like an outsider. Aside from his brothers, Gabby is about the only person who's gone out of her way to treat him as more than a handicap. Which is exactly why he's hidden his attraction for his beautiful vet tech. Without Gabby, his work as a veterinarian, never mind his personal life, wouldn't flow. But when a single kiss changes everything, he wonders if taking the ultimate shot at love might be worth the risk.

Salie lives in Paris. Back home on the Senegalese island of Niodior, her football-crazy brother, Madicke, counts on her to get him to France, the promised land where foreign footballers become world famous. Given his illusions, how can Salie explain to him the grim reality of life as an immigrant? The story of Salie and Madicke highlights the painful situation of those who emigrate. Others who feel this pain include Ndetare, the Marxist schoolteacher and football coach, exiled to Niodior by the government but never accepted by those born there. Then there's the legendary beauty Sankele, his former lover, whose only way out of an arranged marriage ends in tragedy. And poor Moussa, whose dreams look set to come true when he's scouted by a big French football club, but which fall apart when he doesn't make the

team.

Enhanced Edition CRC Press

Maud is an irascible 88-year-old Swedish woman with no family, no friends, and... no qualms about a little murder. This funny, irreverent story collection by Helene Tursten, author of the Irene Huss investigations, features two-never-before translated stories that will keep you laughing all the way to the retirement home. Ever since her darling father's untimely death when she was only eighteen, Maud has lived in the family's spacious apartment in downtown Gothenburg rent-free, thanks to a minor clause in a hastily negotiated contract. That was how Maud learned that good things can come from tragedy. Now in her late eighties, Maud contents herself with traveling the world and surfing the net from the comfort of her father's ancient armchair. It's a solitary existence, and she likes it that way. Over the course of her adventures--or misadventures--this little bold lady will handle a crisis with a local celebrity who has her eyes on Maud's apartment, foil the engagement of her long-ago lover, and dispose of some pesky neighbors. But when the local authorities are called to investigate a dead body found in Maud's apartment, will Maud finally become a suspect?

Short Stories in Swedish for Beginners

Morgan & Claypool Publishers

Europe is stunning in the summer . . . but NYPD detective Jacob Kanon isn't there for the beauty. He's on a mission: to track down his daughter's killer. NYPD detective Jacob Kanon is on a tour of Europe's most gorgeous cities. But the sights aren't what draw him--he sees each museum, each cathedral, and each cafe through the eyes of his daughter's killer. Kanon's daughter, Kimmy, and her boyfriend were murdered while on vacation in Rome. Since then, young couples in Paris, Copenhagen, Frankfurt, and Stockholm have been found dead. Little connects the murders, other than a postcard to the local newspaper that precedes each new victim. Now Kanon teams up with the Swedish reporter, Dessie Larsson, who has just received a postcard in Stockholm--and they think they know where the next victims will be. With relentless twists and unstoppable action, *The Postcard Killers* may be James Patterson's most vivid and compelling thriller yet.

Is there a distinctly Swedish national character? Are Swedes truly shy, unemotional, conflict-avoiding, melancholy, and dour? *Swedish Mentality*, the English translation of the hugely successful book published in Sweden in 1989, considers the reality behind the myth. The author, Åke Daun, is a respected ethnologist who is sometimes referred to as the "guru" of Swedish character. In recent years, it has become popular to discuss Swedishness and Swedish identity. The advent of the European Union and the increasing presence of immigrant refugees in Sweden have fueled public debate on the distinctiveness of Swedish culture. Daun, however, goes beyond stereotype, drawing upon statistics gathered over more than a decade of research. The result is an entertaining and engagingly written book. Throughout, Daun quotes from interviews with native Swedes and immigrants as well as from travel accounts, folklore, and proverbs. We learn why some Swedes might prefer to walk up a flight of stairs rather than share an elevator with a neighbor and why some gain satisfaction from walking alone in the woods or going fishing. Daun describes a

range of factors influencing Swedish character, including population composition, rural background, and even climate. He recognizes behavioral variations related to gender, age, class, and region, and he considers subtleties of individual character as well. *Swedish Mentality* should interest a wide array of readers, whether of Swedish descent or not.

The European Union: A Very Short Introduction Teach Yourself

Words shape and redefine reality, a constantly evolving and fluid interpretation of social rules and ideas. Foreign words expose us to other realities, unfamiliar practices and exotic beliefs. They can help us discover feelings that are not expressible in our native language. They can inspire us to adopt a new lifestyle, or question the way we live. They may seem obvious, obscure, quirky, unnecessary, universal, or remarkably niche. Swedish has enriched the English language with moped, ombudsman, and smorgasbord. While culturally, Abba, Ikea, Spotify, and Volvo have become part of the global lexicon and in many ways transcend their Swedish origins. But it is more recent words like lagom (moderation) and fika (coffee breaks) which have pushed Swedish language and culture deeper into the global consciousness. But Sweden is more than lifestyle trends and technical solutions. It is the country of fredagsmys (cosy Friday), kosläpp (release of the cows), lillördag (little Saturday, Wednesday), and where the average citizen dreams of a villa, Volvo and a vovve. - Explore the Swedish lifestyle beyond the clichés, with the help of more than 100 Swedish words, translated into English. - Learn more about the country where yes is just another word for no, where the word for poison is the same as for married, and where words without meaning are described as mashed snow. - Listen to three different Swedish dialects with complementary audio files, and wrap your tongue around the pronunciation tricks you need to master to sound like a local. - Be challenged with language quizzes, word games and crossword puzzles. - Enjoy the silliness of direct translations, false friends and other quirky features of the Swedish language — and learn more about the origins of those words we think of as Swedish today. *Villa Volvo Vovve* is inspired by The Local's popular 'Word of the day' column which continues to explore Swedish language and culture beyond global stereotypes and buzz words.
