To grieving widower Elliot Colvin, life has lost meaning. Looking for solace, he retreats to the hunting cabin he last visited years ago, before his wife's illness. "[A] delicious literary Gothic debut."

-THE NEW YORK TIMES BOOK REVIEW, EDITORS' CHOICE "Moody and evocative as a fever dream, *Catherine House* is the sort of book that wraps itself around your brain, drawing you closer with each hypnotic step." - THE WASHINGTON POST A Most Anticipated Novel by Entertainment Weekly • New York magazine • Cosmopolitan • The Atlantic • Forbes • Good Housekeeping • Parade • Better Homes and Gardens • HuffPost • BuzzFeed • Newsweek • Harper's Bazaar • Ms. Magazine • Woman's Day • PopSugar • and more! A gothic-infused

debut of literary suspense, set within a secluded, elite university and following a dangerously curious, rebellious undergraduate who uncovers a shocking secret about an exclusive circle of students . . . and the dark truth beneath her school's promise of prestige. Trust us, you belong here. *Catherine House* is a school of higher learning like no other. Hidden deep in the woods of rural Pennsylvania, this crucible of reformist liberal arts study with its experimental curriculum, wildly selective admissions policy, and formidable endowment, has produced some of the world's best minds: prize-winning authors, artists, inventors, Supreme Court justices, presidents. For those lucky few selected, tuition, room, and board are free. But acceptance comes with a price. Students

are required to give the House three years—summers included—completely removed from the outside world. Family, friends, television, music, even their clothing must be left behind. In return, the school promises a future of sublime power and prestige, and that its graduates can become anything or anyone they desire. Among this year's incoming class is Ines Murillo, who expects to trade blurry nights of parties, cruel friends, and dangerous men for rigorous intellectual discipline—only to discover an environment of sanctioned revelry. Even the school's enigmatic director, Viktória, encourages the students to explore, to expand their minds, to find themselves within the formidable iron gates of Catherine. For Ines, it is the closest thing to a home

she's ever had. But the House's strange protocols soon make this refuge, with its worn velvet and weathered leather, feel increasingly like a gilded prison. And when tragedy strikes, Ines begins to suspect that the school—in all its shabby splendor, hallowed history, advanced theories, and controlled decadence—might be hiding a dangerous agenda within the secretive, tightly knit group of students selected to study its most promising and mysterious curriculum. Combining the haunting sophistication and dusky, atmospheric style of Sarah Waters with the unsettling isolation of Kazuo Ishiguro's *Never Let Me Go*, Catherine House is a devious, deliciously steamy, and suspenseful page-turner with shocking twists and sharp edges that is sure to leave readers

breathless.

In fact they just came faster and harder... It literally broke my heart, it very much lived up to being an uplifting story also... A thought

provoking, heart-wrenching but beautiful love story.' By the Letter Book Reviews, 5 stars Sometimes the end is the start of forever... Emma and Nathan couldn't be more different. But when they meet in a hospital waiting room, to the sound of a ticking clock and surrounded by faded magazines, they are both terrified, nervous and alone. And they have one fatal thing in common... Emma lives a quiet life. She looks after her disabled mother. She lives vicariously through the well-thumbed pages and cracked spines of her beloved books. Nathan spends his days fifteen thousand feet above the ground, soaring through the air, stomach somersaulting, as a sky diving instructor. After a lifetime of having a recurring dream that he would die at twenty-seven, he treats every day like it's his

last. As fate throws Emma and Nathan together, everything is about to change. Emma has never been kissed, or tasted champagne, or travelled abroad. Nathan has never fallen in love, worn odd socks, or grown a sunflower from a seed. Emma and Nathan vow never to waste an hour, knowing that goodbye could come all too soon.  A Sunday Times bestseller | A New York Times Book Review Editors' Choice
 Named a best book of the year by The

Economist | Financial Times | New Statesman | The Telegraph "[Putin's People] will surely now become the definitive account of the rise of Putin and Putinism." —Anne Applebaum, *The Atlantic* "This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades." —Peter Frankopan, *Financial Times* Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In *Putin's People*, the investigative

journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their

spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—*Putin's People* is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

"Beautiful and charismatic, Catherine, a.k.a. 'Maman,' smokes too much, drives too fast, laughs too hard, and

loves too extravagantly. During a joyful and chaotic childhood in Paris, her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive"-- Publisher's description.

"If there's one book you pick up this summer, make it this one." - Washington Post
 "A wise and intimate book about a solitary woman, a biologist by training, who befriends a fox." - Yann Martel,

author of *Life of Pi* Catherine Raven has lived alone since the age of 15. After finishing her PhD in biology, she built herself a tiny cottage on an isolated plot of land in Montana, in a place as far away from other people as possible. She viewed the house as a way station, a temporary rest stop where she could gather her nerves and fill out applications for what she hoped would be a real job that would help her fit into society. Then one day she realises she has company: a mangy-looking fox who starts showing up at her house every afternoon at 4.15pm. She has never had a visitor before. How do you even talk to a fox? She brings out her camping chair,

sits as close to him as she dares, and begins reading to him from *The Little Prince*. Her scientific training has taught her not to anthropomorphise animals, yet as she grows to know him, his personality reveals itself and the two form a powerful bond - shaken only when natural disaster threatens to destroy their woodland refuge. *Fox and I* is a story of survival and transformation, a captivating tale of a friendship between two species in a shared habitat, battling against the uncontrollable forces of nature on one side and humanity on the other - immersive, original and utterly unforgettable.
