MCCARTHY AGUIRRE

Vietgone Columbia University Press

Through four decades, five television series comprising over seven hundred episodes, ten feature films, and an animated series, fandom's thirst for more Star Trek stories has been unquenchable. From the earliest short-story adaptations by James Blish in the 1960s, followed by the first original Star Trek novels during the seventies, and on throughout the eighties, nineties, and into the twenty-first century, fiction has offered an unparalleled expansion of the rich Star Trek tapestry. But what is it that makes these books such a powerfully attractive creative outlet to some and a compelling way to experience the Star Trek mythos anew to others? *Voyages of Imagination* takes a look back on the first forty years of professionally published Star Trek fiction, revealing the personalities and sensibilities of many of the novels' imaginative contributors and offering an unprecedented glimpse into the creative processes, the growing pains, the risks, the innovations, the missteps, and the great strides taken in the books. Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this definitive guide to the history and evolution of an incomparable publishing phenomenon. Fully illustrated with the covers of every book included herein, *Voyages of Imagination* is indexed by title and author, features a comprehensive timeline, and is a must-have for every fan.

Echoes from Mt. Olympus Viking Adult

Relying on true courage and true love, as well as some surprising connections to the Arthurian legends, a young Welsh teenager named Rhodri embarks on a quest to remove an ancient curse from Great Britain during the reign of Richard the Lionheart.

Teaches critical thinking and focuses on the question "Why do myths endure?" with selections by Jane Yolen, Rita Dove, Barbara McBride-Smith, Olivia Coolidge, Bernard Evslin, Margaret Atwood, and more. Literature & Thought Series.

First Fire Penguin

BONUS: This edition contains a Beatrice and Virgil discussion guide. When Henry receives a letter from an elderly taxidermist, it poses a puzzle that he cannot resist. As he is pulled further into the world of this strange and calculating man, Henry becomes increasingly involved with the lives of a donkey and a howler monkey—named Beatrice and Virgil—and the epic journey they undertake together. With all the spirit and originality that made *Life of Pi* so beloved, this brilliant new novel takes the reader on a haunting odyssey. On the way Martel asks profound questions about life and art, truth and deception, responsibility and complicity.

Jana the *Jungle Girl* races to save a group of intruders into this strange land - a land filled with dinosaurs, prehistoric men, and much, much more! Each issue reveals more clues about the nature of Jana, and of the island itself!

Hellas Regained Macmillan

This interdisciplinary study investigates the divine personas in the so-called magical hymns of the Greek magical papyri which, in a corpus usually seen as a significant expression of religious syncretism with strong Egyptian influence, were long considered to be the 'most authentically Greek' contribution. Fifteen hymns receive a line-by-line commentary focusing on religious concepts, ritual practice, language and style. The overarching aim is to categorise the nature of divinity according to its Greek or Egyptian elements, examining earlier Greek and Egyptian sources and religious-magical traditions in order to find textual or conceptual parallels. Are the gods of the magical hymns Greek or

Egyptian in nature? Did the magical hymns originate in a Greek or Egyptian cultural background? The book tries to answer these questions and to shed light on the religious plurality and/or fusion of the two cultures in the treatment of divinity in the Greek magical papyri.

Film Writers Directory Simon and Schuster

A resource for middle and high school teachers offers activities, lesson plans, experiments, demonstrations, and games for teaching physics, chemistry, biology, and the earth and space sciences.

"Incorporates authors' name, biographies, and titles of their works in one alphabetical listing. Plot summaries also included. Covers U.S. and Canadian literature."--

Reaching Olympus, the Greek Myths Random House

Only one man has the power and courage to preserve Rome from utter destruction-but to save the Empire, he must first overcome the Sword of Attila. In an epic campaign that historians have called the most crucial in history, two great warriors match strength and tactics in a colossal struggle for the fate of the known world. Ultimate authority in the fragile Western Empire rests on the shoulders of one man. Adhering to the ancient code of honor on which Rome was founded, he wages a single-minded struggle against barbarian invasions and internal decadence to prevent a catastrophic reign of terror. Respected and feared by friends and enemies alike, he is Count Flavius Aetius, Supreme General of the Legions-better known to history as the Last of the Romans. Facing him is a foe who has led his Asian hordes on a rampage of conquest and terror, from the barren steppes of the north to the very sands of Persia, ruthlessly destroying vast swaths of civilization. Now he and his army of fierce horsemen have penetrated deep into Europe and are poised to strike at the heart of the empire, the city of Rome itself. The entire world shudders at mention of this man's name-Attila the Hun. Horrified victims call him the Scourge of God. On a sweltering June day in A.D. 451, the fates of these two titans of antiquity collide in a conflict of such massive carnage and heroism as to dwarf nearly every other single battle in history. Though little known today, this monumental contest on a remote plain in Gaul determined the fate of Europe-and the very course of civilization. In *The Sword of Attila*, Michael Curtis Ford once again demonstrates his mastery as a chronicler of battle, honor, and ancient worlds.

The Stage is Set Hassell Street Press
