### How to Cast Real Spells

From Wren Maple, the Thrifty Witch, comes an introduction to witchcraft with a variety of spells, tips, and tricks to get the most out of your practice. There's nothing wrong with simple and straightforward. Easy spells are not less worthy spells. These ideas are central to the practice of the Thrifty Witch. Sick of not being able to easily source (or afford) what she needed for spells, Wren Maple dedicated herself to collecting and optimizing spells that could work for all witches—no matter where they were on their journey and no matter their personal resources. Now The Thrifty Witch is sharing her research and bringing her collection to the page for the first time. The Thrifty Witch's Book of Simple Spells is part primer, part spellbook. It includes: Getting started/witch basics: Witchcraft as self-care, how to establish a practice, and a handful of super-easy spells to get casting today. Key ingredients for spells: Starter stones and herbs, how to source, what to buy first, and more questions answered! Simple spells for every witch: Just like the spells Wren is known for online, nearly every spell in the book requires five items or fewer, and all ingredients are easy to source. Specific spells: Organized by purpose (e.g. love spells, protection spells), these spells are sure to cover what you're looking to cast. Tips and Tricks for Casting: When to cast for best results, where to cast and why it matters...make your spells count! The beauty of these spells is that they are easy enough and affordable enough to practice daily. Since practice and process are so important, this book provides an invaluable resource—unlocking the ability to try new spells and refine casting methods multiple times per week—even daily.

★ 55% OFF for Bookstores! NOW at \$ 23.97 instead of \$ 34.97! LAST DAYS! ★ Do you feel the need for more positive energy through Wicca? The Wiccan belief system is actually quite complex in the fact that Wiccans have a certain way of thinking and living their lives. Similar to other religions, Wiccans like balance and peace of all things. They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things. They go by a guilt-free morality. What this means is that there is no jealous or vindictive God in Wicca. The mother goddess is mainly loving, nurturing, generous, and wise. Whereas the gods are protective, playful, assertive, and strong without punishment or violence. Wiccans live vicariously through their gods and goddesses and implement all that is pure in the Wiccan form. Witchcraft is technically considered a type of magic whose emphasis is on earthly magic, such as natural magic and herbal magic. The witch in all her forms lives in these practices, living on the fringe of society and acting as healer and destroyer. Often associated with women, witchcraft can be practiced by men as well. But never fear; this book will help you dismantle myths misconceptions and build a solid foundation of understanding. In this book, we'll go over the history and origins of the Wiccan religion, the basics of the Wiccan pantheon of deities and their worship rituals, the dynamics of magic in the natural world, the nuances of spell casting, and more. Spend some time exploring your goals and dreams and begin to make a list of spells you would like to try. This book covers: The Simple Overview to Wicca Wiccan Beliefs - The Craft Simple Wicca Spells Everyone Needs To Help You Succeed In Life. NATIONAL BESTSELLER • “Lush with secrets, magic, and a past that won't stay where it belongs, this novel is (quite fittingly) spellbinding.”—JODI PICOULT, author of *Wish You Were Here* A deeply atmospheric story about ancestral magic, an unsolved murder, and a second chance at true love

ONE OF THE BEST BOOKS OF THE YEAR: She Reads Emery Blackwood's life changed forever the night her best friend was found dead and the love of her life, August Salt, was accused of murdering her. Years later, she is doing what her teenage self swore she never would: living a quiet existence on the misty, remote shores of Saoirse Island and running the family's business, Blackwood's Tea Shoppe Herbal Tonics & Tea Leaf Readings. But when the island, rooted in folklore and magic, begins to show signs of strange happenings, Emery knows that something is coming. The morning she wakes to find that every single tree on Saoirse has turned color in a single night, August returns for the first time in fourteen years and unearths the past that the town has tried desperately to forget. August knows he is not welcome on Saoirse, not after the night everything changed. As a fire raged on at the Salt family orchard, Lily Morgan was found dead in the dark woods, shaking the bedrock of their tight-knit community and branding August a murderer. When he returns to bury his mother's ashes, he must confront the people who turned their backs on him and face the one wound from his past that has never healed—Emery. But the town has more than one reason to want August gone, and the emergence of deep betrayals and hidden promises spanning generations threaten to reveal the truth behind Lily's mysterious death once and for all.

Wicca is also known as Witchcraft and The Craft. It is a religion that emphasizes nature, peaceful living, and spirituality. As such, it is vastly different than Satanism with which it is sometimes confused or unfairly compared to. Another singular feature of Wicca is its belief in magic. Wiccans practice a vast array of Wiccan spells and rituals such as Wiccan spells for love and Wiccan healing spells. Wiccan spells go beyond protection. Other examples are Wiccan money spells and Wiccan spells for love and healing. Wiccan money spells are meant to grant the spell-caster more money in their life. Money spells will increase a person's luck in earning and receiving money, and make them more overall successful financially. Wiccan love spells may make the spell caster more attractive in general, or they can be catered to make someone attractive to one particular individual. Some Wiccan love spells might even make a person fall in love with the spell user. The Wicca faith has an incredible range of spells and magic that are incredibly interesting to study. Read on to learn more about this fascinating religion and its unique magical features.
