"It was about larging it. It was about pulling out a wad of 20s when you were buying your champagne at the bar. It was about buying your cocaine in an eight ball. It was about wearing designer clothes. At that top tier of that club scene, it was about giving it loads." With a foreword by music journalist, Miranda Sawyer, Superstar DJs Here We Go! is the full, unexpurgated story of the biggest pop culture phenomenon of the 1990s: the rise and fall of the superstar DJ. During the 1990s big names such as Sasha, Jeremy Healy, Fatboy Slim, Dave Seaman, Nicky Holloway, Judge Jules, and Pete Tong exploded out of acid house, becoming international jetsetters, flying all over the world just to play a few hours and commanding up to £140,000 a night. The plush, heavily branded 'superclubs' where they performed - clubs like Cream, Ministry, Renaissance and Gatecrasher - were filled with thousands of adoring clubbers, roaring their approval of their DJ

gods. For the DJs and promoters, it was a licence to print money and live like a rock star. For clubbers, it was a hedonistic utopia where anyone and everyone could come together to look fabulous, take drugs, and dance the night away. But underneath the shiny surface lurked a darker side, a world of cynical moneymaking, rampant egos and cocaine-fuelled self-indulgence that eventually spiralled out of control leaving behind burnt-out DJs, jobless promoters and a host of bittersweet memories. They went from having the clubbing world at their feet to the world's biggest comedown. Dom Phillips - former editor of clubbers' bible Mixmag - reveals an enthralling and at times jaw-dropping account of flawed people, broken dreams and what really happens when it all goes Pete Tong.

Summer 2010 Canadian Invasion Tour: Remix Collection, TY.O. Excerpt: Here I Am is the third studio album by American recording artist Kelly Rowland, released through Universal Motown (Universal Music) on July 22, 2011. The album is Rowland's first release since parting ways with her long-time manager Matthew Knowles and record label Columbia Records. Here I Am is predominately a R&B and pop album with subtle influences of dance. It follows Rowland's assertion that "no one puts her in a box" with common themes around womanhood, sexual intimacy and love. Originally scheduled for release in 2010, the album was pushed back after the first round of singles were released to mixed reception, both with critics and commercially. "Commander" (2010) produced by and featuring David Guetta topped the US Hot Dance Club Songs chart and became a top-ten hit in the UK and some of Europe. Three other singles: "Forever and a Day," "Rose Colored Glasses" and "Grown Woman," all had limited commercial success and are subsequently included on selected editions of the album or excluded all together. The international version of the album features seventeen songs including ones excluded from the US editions and some remixes. Here I Am features guest performances from Lil Wayne, Nelly, Rico Love, Lil Playy, The WAV.s and Big Sean, who features on the single "Lay It on Me." Production of the album was handled by the likes of Rodney Jerkins, Guetta, Jim Jonsin, ...
