content and data licensing platform.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Ain't Got No Cigarettes AuthorHouse

Upon its completion, The Collected Works of Ralph Waldo Emerson (1971-2013) was hailed as a major achievement of scholarship and textual editing. Drawing from the ten volumes of the Collected Works, Ronald A. Bosco and Joel Myerson have gathered some of Emerson's most memorable prose published during his lifetime and under his direct supervision. The editors have enhanced those selections with additional writings to produce the only anthology that represents in a single

volume the full range of Emerson's written and spoken prose genres—sermons, lectures, addresses, and essays—that took on their public life in the pulpit or lecture hall, or on the printed page. *Ralph Waldo Emerson: The Major Prose* demonstrates the remarkable scope of Emerson's interests, from science, literature, art, philosophy, natural history, and religion to pressing social issues such as slavery and women's rights, to the character of his contemporaries, including Lincoln and Thoreau. Emerson's classic essays *Nature*, "Self-Reliance," and "Experience" complement his less familiar but no less vital texts, including the deeply heterodox sermon on "The Lord's Supper," which effectively announced his resignation from the

ministry, and late essays on "American Civilization," "Character," and "Works and Days." Edited according to the most rigorous modern standards, *Ralph Waldo Emerson: The Major Prose* provides an authoritative compendium of writings by one of America's most significant literary figures and public intellectuals.

Pickers and Poets □□□□□

Over 11,000 of these 18,000 quotations have never before appeared in a quotation book. Chosen not for their familiarity but for their quality and their relevance in the 1990s, these provocative quotations cover subjects from adolescence and adoption to yuppies and zoos.

Music and Sound in the Films of Dennis Hopper Christian Faith Publishing, Inc. From live productions of the 1950s like

Requiem for a Heavyweight to big budget mini-series like *Band of Brothers*, long-form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes

include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium.

Country Music FriesenPress
Lists over 800 performers and includes information about each performer's career and albums.

A to Z of American Women in the Performing Arts iUniverse
This “fast-moving” southern American dystopian novel is “full of twists and turns” and “perhaps an insightful vision of the second Texas republic” (W. Michael Gear, New York Times–bestselling author of *Dissolution*).

In this near-future, post-apocalyptic novel, retired lawyer-turned-professor Willoughby Burns finds himself trying to survive against hunger and deadly threats in southern Louisiana. The Dixie Apocalypse takes place in an America ravaged by natural disasters, lack of petroleum, plagues, and terrorism. What is left of the United States is controlled by martial law. Life itself becomes primitive and favors those who can grow their own food or handle firearms. Will befriends US General Merski stationed in Baton Rouge, LA, and founds a farming community of fifty farms on the eastern bank of the Mississippi river due south of downtown Baton Rouge. General Merski enlists Will as a civilian commissary officer, in charge of carrying out errands for his troops without arousing suspicion.

When the general sends Will down to Texas on to bring back supplies for his garrison, Will's survival skills are put to the ultimate test.

Save a Decade! Harvard University Press Immediately upon publication in 1998, the Encyclopedia of Country Music became a much-loved reference source, prized for the wealth of information it contained on that most American of musical genres. Countless fans have used it as the source for answers to questions about everything from country's first commercially successful recording, to the genre's pioneering music videos, to what conjunto music is. This thoroughly revised new edition includes more than 1,200 A-Z entries covering nine decades of history and artistry, from the Carter Family

recordings of the 1920s to the reign of Taylor Swift in the first decade of the twenty-first century. Compiled by a team of experts at the Country Music Hall of Fame and Museum, the encyclopedia has been brought completely up-to-date, with new entries on the artists who have profoundly influenced country music in recent years, such as the Dixie Chicks and Keith Urban. The new edition also explores the latest and most critical trends within the industry, shedding light on such topics as the digital revolution, the shifting politics of country music, and the impact of American Idol (reflected in the stardom of Carrie Underwood). Other essays cover the literature of country music, the importance of Nashville as a music center, and the colorful outfits that have long been a staple of the

genre. The volume features hundreds of images, including a photo essay of album covers; a foreword by country music superstar Vince Gill (the winner of twenty Grammy Awards); and twelve fascinating appendices, ranging from lists of awards to the best-selling country albums of all time. Winner of the Best Reference Award from the Popular Culture Association "Any serious country music fan will treasure this authoritative book." --The Seattle Times "A long-awaited, major accomplishment, which educators, historians and students, broadcasters and music writers, artists and fans alike, will welcome and enjoy." --The Nashville Musician "Should prove a valuable resource to those who work in the country music business. But it's also an entertaining read for the music's true

fans." --Houston Chronicle "This big, handsome volume spans the history of country music, listing not only artists and groups but also important individuals and institutions." --San Francisco Examiner "Promises to be the definitive historical and biographical work on the past eight decades of country music. Well written and heavily illustrated an unparalleled work, worth its price and highly recommended." --Library Journal

Your Place or Mine? Scarecrow Press
Filichia presents brainteasers that require more than an ordinary

knowledge of Broadway facts that will send even the most seasoned theater lovers looking for answers. With shows from each decade, Broadway lovers who are around the age of Old Deuteronomy in Cats or as young as dear Evan Hansen will find questions that require more than an ordinary knowledge of beloved musicals. Are you a Broadway genius?

Pearl Independently Published
The definitive biography of the 1960s music legend covers her trailblazing life from troubled childhood to iconic stardom to her tragically early death. A wild child of the Texas-Louisiana swamps, Janis Joplin wailed the blues like no one before had ever dared. She was the first rock star of the 1960s counterculture, a fashion trendsetter in San Francisco's back-to-the-roots

movement that overtook the world, and a prisoner of an ultimately doomed search for happiness in sex, drugs, money, and fame. But to those who knew and loved her intimately, she was Pearl. Acclaimed music biographer Ellis Amburn reveals the true life story of this immortal legend. From her backwater Texas childhood where classmates punished her for her individuality, Amburn charts her unlikely rise to stardom and affairs with fellow music legends including Jim Morrison, Kris Kristofferson, and Jimi Hendrix. Amburn also chronicles her losing battles with addiction, insecurity, and other forces that drove her through a short, impulsive life, to death by overdose at the age of twenty-seven.

Fried & Justified Orpen Press

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

No Depression ABRAMS

Forty years after her death, Janis Joplin remains among the most compelling and influential figures in rock-and-roll history. Her story—told here with depth and sensitivity by author Ann Angel—is one of a girl who struggled against rules and limitations, yet worked diligently to improve as a singer. It's the story of an outrageous rebel who wanted to be loved, and of a wild woman who wrote

long, loving letters to her mom. And finally, it's the story of one of the most iconic female musicians in American history, who died at twenty-seven. Janis Joplin includes more than sixty photographs, and an assortment of anecdotes from Janis's friends and band mates. This thoroughly researched and well-illustrated biography is a must-have for all young artists, music lovers, and pop-culture enthusiasts.

issues and trends.

California Slim iUniverse

Here are five reasons why you should read and practice what I tell you in this book: 1. Desire—you should want to save a decade (ten years) of your working life by believing what I tell you in this book about getting experience now and avoid the slow learning process of the past. 2. Value—you should want to receive the highest reward, however you measure it, for the remainder of your working life. 3. Audience—anyone (regardless of age, gender, or profession) can add the principles in this book to their current skill set. 4. Basis—I've seen a lot of good and bad work practices and worked in several industries in fifty-four countries, so have some faith and trust that I know what

I'm talking about in this book. 5. Gender Neutral—I had to write this book from a male perspective, but if you can find a masculine pronoun in this book, other than in the context of an anecdote, I'll send you a free copy of this book. Morals and ethics are the most important things you must possess. You must make the switch from competition to cooperation/collaboration when you leave school and start working. You must learn how to work and coexist with many different kinds of people. You must learn how to observe, listen, think, and ask questions. You must learn how to solve problems. You must learn why organizations have policies and procedures. You must learn why every company needs a Jesus. You must learn how to travel. You must learn how to talk

in front of a group of people.

Janis Joplin Oxford University Press

A well-known radio personality surveys popular-music history from 1955 to 1976, calling attention to leading artists and their greatest hits and including annual charts of the top fifty songs.

Dark Descent Rowman & Littlefield

There are literary reminiscences that reek of self-congratulation over the authors' proximity to famous movers and shakers. Andy Bernstein's California Slim aspires to far more than that—and achieves it. Andy was there, at the onset of the post-'50s revolution that, as a beat poet once put it, roared as it ripped the threadbare fabric of an age. Andy was no distant, casual observer during the tumultuous '60s and '70s; he was at the heart of the maelstrom, and writes

about it with candor, humor, and originality. The story begins, for God's sake, with Andy and his then unknown banjo teacher, a young Jerry Garcia, fingerpicking in a back room at Dana Morgan's Music Studio in Palo Alto in 1962. A skinny six-foot-seven-inch Jewish kid (later known as "California Slim"), Andy divided his time between the usual adolescent interests and music, for which he would go on to provide a capital M by promoting and staging concerts throughout the San Francisco Bay Area. His Palo Alto nightclub, Homer's Warehouse, across the street from the Stanford University campus, brought revolutionary musicians (among them, Sonny Terry and Brownie McGhee) to young sensibilities hungry for new driving rhythms and thought-provoking

lyrics. The early chapters of this book set the stage for Andy's eventual hooking-up with Willie Nelson and his Family—which felt, Andy said, "like reading a really good book that I couldn't put down." That feeling led directly, if gradually, to California Slim. And you, dear reader, won't be able to put it down, either.
—Tony Compagno

Ralph Waldo Emerson Faber & Faber
Ireland's economy is being scrutinised daily by everyone from politicians to pub goers, but what about the deeper questions of Ireland's sense of identity and community? Socially, Ireland is in a period of rapid change - is it time to get behind the numbers and look at who we really are? In *Your Place or Mine?* sociologist Ethel Crowley looks at our attitudes to home, place, family,

sexuality and community. Do we still need the traditional forms of connection to home, family, community and locality in the highly globalised society in which we live? Do we still like to stay within the heart of a familiar comfort zone or are we willing to push its boundaries? *Your Place or Mine?* captures some of the complexities of contemporary Ireland. What is the impact of globalisation and multiculturalism? Are community values really declining? Despite a more liberal attitude to sexuality, are we a liberal society? Ethel Crowley mixes warm-hearted biography and sociological rigour to create a set of reflections on finding our place in the world, as a country and as individuals. 'Crowley uses an exciting, innovative approach to identify and describe the cultural

transformations of contemporary Ireland. Mixing personal memories with sociologically informed debate, she provides an insightful and imaginative explanation of how Ireland has combined the local with the global.' Professor Tom Inglis, School of Sociology, University College Dublin

Kris Kristofferson Texas A&M University Press

'The greatest book ever written on British independent music' Guardian
 'One of the best British music books of the last ten years' Mojo
 Founded by Alan McGee in 1983, Creation Records achieved notoriety as the home of Primal Scream, the Jesus and Mary Chain and other anti-Establishment acts. During the Britpop boom of the mid-90s, the astonishing success of Oasis brought

Creation fame on the world stage. In 1999, however, McGee announced his shock departure as his label's influence over a generation of British music came to a confusing and disappointing end.

Containing interviews with Creation musicians, employees, supporters and detractors, this is the inside story of Creation Records - and of British music since the 1980s.
