defeat them.

But there's hope because every individual gets to decide how their story plays out. Carolyn J Rivera knows this first-hand—the discouragement of defeat as well as the empowering realization that every person has within themselves the ability to overcome life's greatest challenges when they have a clear-cut vision of what they are pursuing. Through personal stories,

relatable examples, and specific calls to action, Plant Your Flag breaks down the steps necessary to win in today's ever-changing environment professionally and personally. Carolyn participated in the most grueling reality TV show of all time, "Survivor", and came in second place. Within Plant Your Flag, she breaks down the formula to achieve VICTORY in all of life's

endeavors. 7 Secrets of Confidence Crimson Work Life Balance is a myth - it gives us more stress and struggle. But in this powerful little book, Sean divulges his seven secrets to cut through the natural awkwardness of meeting new people and build powerful, long-term relationships for success. Let's face it-in

this world, it's not what you know. It's who you know. By practicing the simple techniques in this book, you'll know more people- the right people-and build a network strong enough to propel you far beyond your wildest ambitions! The Seven Secrets of a Stress Free Life Independently Published What would a little extra confidence mean to you? You might do better at work, feel more

comfortable in social situations, be more open to new experiences. Confidence can do amazing things for you. If you've ever done anything well you already know how to do confidence. The secret is to know what it looks, sounds and feels like for you, and then replicate it in areas where confidence doesn't come so easily. Instant confidence Most people are brought up thinking

you're either confident or not. That's not the case. Confidence isn't something you have or don't have; it's something you do or don't do. We all have it and can trigger it in an instant regardless of situation, experience or external factors. Get the confidence habit This book is packed with strategies for increasing confidence. By choosing one or two at a time and using them, your

confidence will grow significantly no matter what your starting point. Apply the tools, techniques and principles you are about to read and you will have all the confidence you could ever need in any situation. They’d rather party than plan. They’d rather be entertained than be educated. Most people don’t set goals, and

that’s why they work for people who do. Here’s the good news: You’re not like most people. That’s why you picked this book. That’s why you never trade what you want most – for what you want now. And that’s why you’re in pursuit of discovering how to create the best version of yourself possible. Jeremy McGilvrey is a Harvard-educated No. 1 bestselling author. When he’s not

studying neuroscience or epigenetics, he’s helping business owners take their companies from brick-and-mortar to click-and-order by leveraging the massive power of the Internet. If you’re on the fence about reading this book, let me ask: when you were a child, what did you want to be when you grew up? Are you who that child wanted you to become? If not, you need to start

believing in yourself and your dreams again. This book will show you scientifically proven and action-based strategies so you can do just that: believe in yourself and become who you were meant to be. *The seven secrets of successful people* Createspace Independent Publishing Platform A guide to achieving total self-confidence explains how to dispose of negative
