Retells in rhyming couplets the Shakespearean tragedy about the eleventh-century Scottish king.

Student's Guide: Macbeth Penguin UK
The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

MacBeth BookCaps Study Guides

A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

Macbeth for Kids Crossway

"This full colour graphic novel presents "The Scottish Play" just as Shakespeare intended: in its original and unabridged format. Ideal for purists, students and readers who will appreciate the unaltered text." "Macbeth is probably the most dramatic of Shakespeare's tragedies and this version will give you a brand new and totally fulfilling view of the sheer genius of Shakespeare's story telling. Featuring stunning artwork, and full of action, atmosphere and intrigue from start to finish, this new treatment of The Bard's tragedy will have you on the edge of your seat."--BOOK JACKET.

Othello. King Lear. All's well that ends well. Macbeth Ignatius Press

Highly regarded and best-selling literary writer and teacher, Joseph Pearce presents a stimulating and vivid biography of the world's most revered writer that is sure to be controversial. Unabashedly provocative, with scholarship, insight and keen observation, Pearce strives to separate historical fact from fiction about the beloved Bard. Shakespeare is not only one of the greatest figures in human history, he is also one of the most

controversial and one of the most elusive. He is famous and yet almost unknown. Who was he? What were his beliefs? Can we really understand his plays and his poetry if we don't know the man who wrote them? These are some of the questions that are asked and answered in this gripping and engaging study of the world's greatest ever poet. The Quest for Shakespeare claims that books about the Bard have got him totally wrong. They misread the man and misread the work. The true Shakespeare has eluded the grasp of the critics. Dealing with the facts of Shakespeare's life and times, Pearce's quest leads to the inescapable conclusion that Shakespeare was a believing Catholic living in very anti-Catholic times. Many of his friends and family were persecuted, and even executed, for their Catholic faith. And yet he seems to have avoided any notable persecution himself. How did he do this? How did he respond to the persecution of his friends and family? What did he say about the dreadful and intolerant times in which he found himself? The Quest for Shakespeare answers these questions in ways that will enlighten and astonish those who love Shakespeare's work, and that will shock and outrage many of his critics. This book is full of surprises for beginner and expert alike. *Hamlet SparkNotes Literature Guide* BookCaps Study Guides
Macbeth is one of the greatest plays ever written--but let's face it..if you don't understand it, then you are not alone. This annotated book includes a summary of each scene, an overview of themes and characters, and the full-text of the play. We all need refreshers every now and then. Macbeth Classical Comics

One of the four great tragedies—alongside Hamlet, King Lear, and Macbeth—Othello is among the darkest of Shakespeare's plays, illuminating the shadows of the gloomiest recesses of the human psyche and serving as a damning indictment of the world in which it was written. A cautionary tale of the destructiveness of sin and the ruinous consequences of bad philosophy, Othello seems to express Shakespeare's rage at the cynicism and brutality of the age in which he lived. From the Machiavellian menace of Iago to the blind and prideful jealousy of Othello, this classic of world literature shows us the shadow falling over a society that has turned its back on the light and life of virtue. The Ignatius Critical Editions present a tradition-oriented approach to reading Western classics. While many critical editions view literature through the lens of modernism and post-modernism, this series offers critical examinations informed by the Judeo-Christian heritage as passed down through the ages—the same heritage that provided the crucible in which the great authors formed these classic works. Edited by acclaimed literary biographer Joseph Pearce, the Ignatius Critical Editions provide essays and footnotes that analyze works in light of the Western tradition, allowing the reader to meet the authors in their element. The series is ideal for academic study and for anyone wishing to understand the great literary works of Western civilization in the company of some of the finest literature professors alive today.

Edexcel GCSE Drama Study Guide SparkNotes

Looney illustrates how the three great Renaissance poets from Ferrara are products of a cultural milieu which literary historians have typically ignored. Through these poets, who sought to incorporate details of classical literature into their idiom, Looney analyzes the impact of Renaissance humanism on popular culture.
