purpose. Form follows function - Wikipedia! It was associated with an analytical approach to the function of buildings, a strictly rational use of (often new) materials, structural innovation and the elimination of ornament. It was also known as International Modernism or International Style, after an exhibition of modernist architecture in America in 1932 by the architect

Philip Johnson. Modernism - architecture.com Form follows function is a principle associated with modern architecture and industrial design in the 20th century. The principle is that the shape of a building or object should be primarily based upon its intended function or purpose. Quote by Louis Henry Sullivan Art Appreciation Final Flashcards | Quizlet Form follows

function is a principle associated with modern architecture and industrial design in the 20th century. The principle is that the shape of a building or object should be primarily based upon its intended function or purpose. Architecture is not merely a slavery to the past art, not is it blind originality. Architecture... where Form Follows Function | Architecture ... Architects who follow 'function

follows form', also follow money, self-interest, their whims, digital possibilities, disjointing philosophy, unbelievable 'surface' and material innovations. It is the insane Today's Architecture. Architects who follow 'architecture follows people', have lasted life times. message\_4565 - ArchnetIts ever-present philosophy abides to the ideal that form follows function. Therefore, modern

architects express themselves through simplicity, clear views of structural elements and by eschewing unnecessary design details. Modern architecture boasts the actual structure and materials used in the building vs. covering them up with ornate designs. Why People Love Modern Architecture | Freshome.com Architecture is more than a clever arrangement of bricks. In this eloquent

talk, Michael Murphy shows how he and his team look far beyond the blueprint when they're designing. Considering factors from airflow to light, theirs is a holistic approach that produces community as well as (beautiful) buildings. The emotional impact of architecture | TED Talks "Form Follows Anything" was a title of a symposium Zumthor attended some twenty years ago. "I

think that's a great title [...] architecture can be used to do anything.
