Holism: Possibilities and Problems brings together leading contributors in a ground-breaking discussion of holism. The terms ‘holism’ and ‘holistic’ arouse strong emotional responses in contemporary culture, whether this be negative or positive, and the essays in this interdisciplinary collection probe, each in its own way, the possibilities and problems inherent in thinking holistically. Christian McMillan, Roderick Main and David Henderson bring together established academics and emerging scholars across subject areas and disciplinary approaches to reveal the multiplicity and complexity of issues involved in holism. Divided into four parts, the chapters determine key strands of thinking explicitly or implicitly underpinning contemporary holistic thought, including what ethical conclusions might most reasonably be drawn from such thought. Accessible and diverse, this extensive volume contains chapters from the perspective of history, ecology, psychotherapy, poetry, mythology, and an especially strong representation of continental philosophy and Jungian depth psychology. Due to its multi-disciplinary nature, the book represents an unparalleled discussion of the meanings and implications of holism. Written by an innovative and international calibre of contributors, this pioneering collection will be essential reading for practitioners in depth psychology and scholars of Jungian studies, as well as academics and students of philosophy, religious studies, spirituality, history and the history of ideas. The book is a rich resource for the enhancement of critical reflection among all those with an interest in holism. Catalogue des livres de feu M. Bellanger, tresorier general du Sceau de France Penguin Group(CA) Bethell investigates controversies over common descent, natural selection, the fossil record, biogeography, information theory, evolutionary psychology, artificial intelligence, and the growing intelligent design movement.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Within five days, you'll move from idea to prototype to decision, saving you and your team countless hours and countless dollars. A must read for entrepreneurs of all stripes." --Eric Ries, author of The Lean Startup From three partners at Google Ventures, a unique five-day process for solving tough problems, proven at more than a hundred companies. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the sprint. Designer Jake Knapp created the five-day process at Google, where sprints were used on everything from Google Search to Google X. He joined Braden Kowitz and John Zeratsky at Google Ventures, and together they have completed more than a hundred sprints with companies in mobile, e-commerce, healthcare, finance, and more. A practical guide to answering critical business questions, Sprint is a book for teams of any size, from small startups to Fortune 100s, from teachers to nonprofits. It's for anyone with a big opportunity, problem, or idea who needs to get answers today.

'What is a self and how can a self come out of inanimate matter?' This is the riddle that drove Douglas Hofstadter to write this extraordinary book. In order to impart his original and personal view on the core mystery of human existence - our intangible sensation of 'I'-ness - Hofstadter defines the playful yet seemingly paradoxical notion of 'strange loop', and explicates this idea using analogies from many disciplines.

Simon and Schuster Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions **Manuel du libraire et de l'amateur de livres contenant un nouveau dictionnaire bibliographique ... une table en forme de catalogue raisonné ...* Createspace Independent Publishing Platform "As Mercury dwelleth near the Sun, so I abide in the heart of my Lord. My feet run upon His errands and by my mouth are His words spoken." Thus wrote Brother XII in the preface to "The Three Truths," describing his role as the divinely-ordained agent of an ancient mystical Brotherhood known as the Great White Lodge. As the agent of this mysterious fraternity, Edward Arthur Wilson, aka Brother XII, a slight, soft-spoken former English sea-captain, embarked on a dramatic and sensational career that established him as one of the most fascinating figures in the history of modern religion. "Brother XII: The Strange Odyssey of a 20th-century Prophet" chronicles the life and exploits of the enigmatic figure who established a utopian community in southern British Columbia in the late 1920s and early 1930s. The tales of gold, sex and black magic associated with Brother XII and his flamboyant mistress, a whip-wielding devotee of ritual magic with the pulp-

fiction name of Madame Z, have gripped people's imaginations for years, and the story has been described as a "Gone with The Wind" of the occult, an evocative mixture of the sacred and profane. Though other religious figures may be better known, for pure drama, nothing rivals the story of Brother XII. Though Brother XII largely fell through the cracks of history, his amazing chronicle is being rediscovered, for it rings with contemporary relevance; not only was he a prototypical cult leader, he was a genuine mystic and seer, while also writing on political issues in a way that eerily foreshadows the world today. Brother XII was both a forerunner of the New Age and one of the few spiritual teachers of his time to give expression to the geopolitical and conspiratorial concerns that dominate the cultural debate today. Both mystic and mountebank, seer and charlatan, he was a complex, contradictory individual, the ultimate "man of mystery." The story of Brother XII features an intriguing cast of characters who find themselves irresistibly drawn to the power of this classic rogue messiah, a spiritual anti-hero possessed of a Nietzschean will to power. After the destruction of his colony, Brother XII and Madame Z fled with nearly half-a-million dollars in gold, outwitting the authorities and escaping justice. Brother XII's fate is uncertain, for his death in Switzerland remains a matter of speculation. For all that is known about him, he's still an elusive figure, leaving his metaphysical teachings and the provocative legend that has grown up around him as his legacy. Praise for "Brother XII: The Strange Odyssey of a 20th-century Prophet " "I found myself totally absorbed...a book that will become a classic of its kind. I know of no more fascinating or better researched study of a 'false messiah.'" From the Foreword by Colin Wilson "Sex, sadism, black magic and mystery upon mystery. It sounds like the recipe for a Stephen King potboiler, and author John Oliphant has made the most of it. The difference is that Oliphant's Brother XII is a true story...a marvelous web of suspense and intrigue...riveting stuff." "The Vancouver Sun" ""Brother XII" is a fascinating read " William Gibson "A tremendously exciting story of the religious mania in extreme form. Brother XII is a type who recurs throughout human history, and Oliphant provides not only a great horror tale, but a warning as to how we can recognize such types and be armed against them. I heartily recommend this book." Robert Anton Wilson "Sharing the brilliance of an L. Ron Hubbard, the destructiveness of a Jim Jones, and the hypnotic hold of a Rasputin, E. A. Wilson ranks as one of the most intriguing, mysterious, and infamously charismatic and prophetic cult leaders to grace the annals of North American history...a well-documented...thoroughly fascinating book." "Theosophical History "
