Book Review: Wool by Hugh Howey Dust
Silo 3 Hugh Howey Dust: a near perfect
book to complete the trilogy that has
become one of my all-time favorites.

Hugh Howey's Silo series is one of those anthologies that goes beyond others. Although completely different, I put it up there with George R.R. Martin's Ice & Fire and King's DT series. I feel lucky to have found it. Dust (Silo, #3) by Hugh Howey is the third book in the Silo series, and nicely brings the storyline to a natural conclusion, but also leaves the door cracked open for any followups that may be written. There are many fan-fiction stories set in this world, and I'm sure there are many who will continue to write in this universe, but the main story is finally concluded.
