In response to actual questions many people have asked him about angels and demons, well-known author and philosophy professor Peter Kreeft separates fact from fantasy and myth from reality as he answers 100 common questions about these spiritual beings. Based on a very popular college course he teaches on this subject, this book responds to the incredible amount of interest in angelic beings and attempts to clear up some of the misinformation abounding in the numerous books today on what we know about these mysterious spirits. Drawing on the Bible, traditional Church teaching and St. Thomas Aquinas, Kreeft gives straight, clear answers to the perennial and philosophical questions asked about angels and demons throughout time. In his typical lucid, profound and sometimes humorous style, Kreeft answers such questions as "What are angels made of?", "How do angels communicate with God?", "How do angels communicate with us?", "Do demons, or devils, or evil spirits really exist?" and many more. Includes angel art. Peter Kreeft, Ph.D., is a professor of philosophy at Boston College. He is a regular contributor to several Catholic publications, is in wide demand as a speaker at conferences, and is the author of over 20 books including *Back to Virtue*, *Heaven the Heart's Deepest Longing* and *Fundamentals of the Faith*.

Sigrid Undset is among the great modern writers of the twentieth century and was an adult convert to Catholicism. This forgotten treasure from the Nobel Prize-winning author of *Kristin Lavransdatter* is a fascinating collection of saints' lives, a prophetic critique of modernity, and a surprisingly contemporary take on being Catholic—in particular a Catholic woman—in a sometimes-hostile secular world. *Stages on the Road* is a series of essays about the relationship between the Church and the modern world. In the spirit of G. K. Chesterton and C. S. Lewis, Undset points to inconsistencies, hypocrisies, and blind spots of the modern secular mindset by introducing readers to the stories of somewhat-forgotten Catholic figures like St. Angela Merici and the English martyrs Margaret Clitherow and Robert Southwell—people who stood fast to their faith in the face of both intellectual and political hostility. Undset tackles such topics as religious freedom, Christian/Muslim relations, and the vocation of

women.

This book is a practical, encouraging guide for "the rest of us": Catholic parents that want to impart the faith to their children but aren't quite sure where to start. Topics include leading by example, having conversations about faith, reading the Bible as a family, learning about the Saints, praying together, learning what the Mass means, celebrating special/feast days and liturgical seasons (Advent, Lent), and finding community with other Catholic families. Tommy and Karen emphasize that this a doable task and, with humor, let the reader know that there will be plenty of "fails" along the way but not to give up trying to develop a faith-filled family life.

The liturgy of the Catholic Church is the action by which Jesus Christ unites the members of the Church in glorifying God. It makes people holy through words, music, action and signs. The Eucharist is intended to be the most powerful means of union with our God, with the saints in heaven and with each other, and is to be a foretaste of the praise of God given in joy by the saints in heaven. As we move through the whole of the year, the Church is united with the mysteries of Christ's earthly life so as to come closer to her Lord and Saviour. Monsignor Peter Elliott provides scholarship and many years' experience and love of the liturgy. His previous work *Ceremonies of the Modern Roman Rite* has helped many people to celebrate our liturgy with attention and devotion. This present work is a guide to the most important moments of the Church year from Advent and Christmas to Holy Week, Corpus Christi and to the Solemnity of Christ the King. His book has been a long-awaited guide to those who wish to celebrate the events of the Church year with dignity, devotion, and deep faith. "Monsignor Elliot is one of the most insightful and reliable liturgists writing today. The rubrics of the Roman Rite are not self-explaining, but with Elliot's work safely in reach, a

generation of liturgists raised without a rich training in tradition can confidently approach the Ritual and be more respectful of the faithful's fundamental right to sound worship."—Dr. Edward Peters Institute for Pastoral Theology, Ave Maria University

*O Cross of Christ* is an original, new prayer composed by Pope Francis himself and recited by him on the occasion of Good Friday 2016. It guides all who pray it to recognize Jesus' cross in some of the most distressing circumstances of today's world — modern-day martyrs, victims of war, unfaithful ministers, and more—as well as in the lives of people who do great good—consecrated men and women, families, volunteers, and others. Presented as a litany, with responses that make it ideal for group use, this little booklet is beautifully illustrated with original art by the American artist Deborah Luke. The result is a prayer resource that promises to serve as a profound source of spiritual nourishment for Christians for years to come. Recommended for personal, family, group, or parish-wide prayer.

Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.

*Book of Blessings* USCCB Publishing

You are called to love the Lord your God with all your heart, with all your soul and with all your mind. This is not an option if we want to be a Christian! It's a command of love from God and is an invitation to share in His divine life. We should hear those words

and soak them up desiring to fulfill them in our daily life. How do we do this? How do we love God with everything we are? To say with all your “heart, mind and soul” means everything! It means all that we are. Our whole being. So loving God in the way we are called to requires a very radical commitment on our part. It requires that we are “all in” so to speak. So, again, how do we do this? The key is worship! To worship God is to love God in the way we are called to love. To worship God means that He is indeed the God of our life and nothing else gets in the way. It means we allow our heart, soul and mind to become immersed in God and filled with His presence. This is worship. And it’s our calling in life. Worship is prayer. It’s true prayer. But it’s not only a prayer we offer at church or at a specific prayer time. Rather, we are called to worship God 24/7 in all that we do and all that we are. We cannot set specific times of worship and times when we do not worship. It’s a calling to constantly be in God’s presence surrendering all to Him. This book is about Worship of the Triune God! There is nothing more important in life than what is presented here in these pages. Not because of this book itself, but because of the truths this book shares. There are two main sections of this book. The first section is about prayer as it is lived in the Sacraments of our Church. The Sacraments can seem, at times, to be dry, dull and repetitive. They can, at times, feel like empty rituals that we are “obliged” to do out of obedience. But when understood and entered into correctly, the Sacraments become the greatest source of our intimacy with our God. They become personal. They become My Catholic Worship! The second section of this book deals with all other forms of prayer. It highlights various methods as well as the meaning of prayer. So jump into this book with an open heart and know that God wants to draw you more closely to Himself in all forms of worship. He

wants you to know and love Him with your whole heart, soul and strength. And the way to do just that is prayer! About this Series: The My Catholic Life! series is a three volume series written as a complete summary of our glorious Catholic faith! The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way. We need to know who we are and what life is all about. And we need to know who God is and what He has spoke to us through the ages. Volume One, My Catholic Faith! is a summary of the Apostles and Nicene Creed. This volume looks at everything from the creation of the world to God’s eternal plan of salvation. Other topics include: Afterlife, saints, God, faith, and the Church. It is a summary of the teaching of the Catechism of the Catholic Church #1-1065. Volume Two, My Catholic Worship! is a summary of the life of grace found in prayer and the Sacraments. So often the Sacraments can be seen as dry and empty rituals. But they are, in reality, the greatest treasures we have! They are God’s true presence among us! It is a summary of the Catechism of the Catholic Church #1066-1684 and #2558-2865. Volume Three, My Catholic Morals! is a summary of the morality itself, knowing how we choose right from wrong, as well as a summary of all the moral teachings of our faith. It is a summary of the Catechism of the Catholic Church #1691-2557 Nihil Obstat & Imprimatur granted.
