Harper Jones - 1. Maldición BASTEI LÜBBE

Pada dialog kita ada kagum yang terpendam, rindu yang menggebu, sayang yang kini asing, sabar yang menunggu, cinta yang sedang merekah atau patah, dan cita-cita yang menyadarkan kita bahwa ada yang jauh lebih penting dari itu semua. Dia adalah masa depan. Kegagalan cintamu mungkin mengubah beberapa hal, tapi usahamu, jangan sampai rapuh. Bangkit dan lawan trauma. Luka itu biasa. Pegang kendali diri dan kejar kesuksesan dengan berani. Sesungguhnya cinta sejati akan datang sendiri, tanpa perlu kau cari.

Finalist for the 2015 Epigram Books Fiction Prize "I don't aspire to be nice. I do what is necessary to get what I want." Born on the night of the nation's independence, Gimme Lao is cheated of the honour of being Singapore's firstborn son by a vindictive nurse. This forms the first of three things Gimme never knows about himself, the second being the circumstances surrounding his parents' marriage, and the third being the profound (but often unintentional) impact he has on other people's lives. Talented, determined and focused, young Gimme is confident he can sail the seven seas, but he does not anticipate his vessel would have to carry his mother's ambition, his wife's guilt and his son's secret. Tracing social, economic and political issues over the past 50 years, this humorous novel uses Gimme as a hapless centre to expose all of Singapore's ambitions, dirty linen and secret moments of tender humanity.

Fans of Jandy Nelson and Marieke Nijkamp will love this deeply moving novel in verse about the aftermath of a gun accident. Life changes forever for Liv when her older brother, Jonah, accidentally shoots himself with his best friend Clay's father's gun. Now Jonah needs round-the-clock care just to stay alive, and Liv feels like she's the only person who can see that her brother is still there inside his broken body. With Liv's mom suing Clay's family, there are divisions in the community that Liv knows she's not supposed to cross. But Clay is her friend, too, and she refuses to turn away from him—just like she refuses to give up on Jonah. This powerful novel is a stunning exploration of tragedy, grief, compassion, and forgiveness.

Winner of the 2002 Scotiabank Giller Prize and of the 2003 Commonwealth Writers' Prize: Best Book (Canada and the Caribbean) When an elderly Bimshire village woman calls the police to confess to a murder, the result is a shattering all-night

vigil that brings together elements of the African diaspora in one epic sweep. Set on the post-colonial West Indian island of Bimshire in 1952, *The Polished Hoe* unravels over the course of 24 hours but spans the lifetime of one woman and the collective experience of a society informed by slavery. As the novel opens, Mary Mathilda is giving confession to Sargeant, a police officer she has known all her life. The man she claims to have murdered is Mr. Belfeels, the village plantation owner for whom she has worked for more than thirty years. Mary has also been Mr. Belfeels' mistress for most of that time and is the mother of his only son, Wilberforce, a successful doctor. What transpires through Mary's words and recollections is a deep meditation about the power of memory and the indomitable strength of the human spirit. Infused with Joycean overtones, this is a literary masterpiece that evokes the sensuality of the tropics and the tragic richness of Island culture.

I've always preferred my life simple and commitment-free. It's why I live off the grid and do my own thing. But when I run into my best friend's widow, I realize there's one commitment I've failed to keep. It's the one I made to the fellow Marine who saved my life so many years ago, the one that became complicated the moment my feelings for her crossed the line and I had to walk away. But I'm not the only one having a problem with commitments... for Alma's got one of her own. And she's determined to honor it no matter what the cost. But when Fate brings us together, can she let go of her secrets and allow me to honor my own? Set in Dax and Harlow's world of Taos, New Mexico that began with *Everything She Ever Wanted*, *Breaking the Rules* is the third book in the series readers have called moving, riveting, and emotional. This book contains themes of combat PTSD and suicide that may be triggering to some readers. *The Abstinence Myth* Canongate Books

1. The Curse TWENTYSIX

If you think you know how this story ends—think again! Centuries ago, the royal house of witches in Vernanthia split into two factions: House Cambridge and House Montgomery. These two houses warred with each other for an age, causing widespread bloodshed and death. Those without magic—the Nulls—suffered the most. One day, a favored daughter of the Nulls was slain. With her dying breath, she cursed the covens to know no peace until love was possible between the houses. That curse had long since been forgotten—until now. Julian Montgomery is the reluctant Prince of House Montgomery and Rowan Cambridge is in no rush to become the Queen of House Cambridge. Both heirs long for freedom from their birthright obligations. When fate throws these two star-crossed lovers together, it sends them on a collision course with destiny that neither could have predicted. “The magical Romeo and Juliet reimagining you didn't know you needed” - Melanie (Melanie's Muses) Shakespeare's classic *Romeo & Juliet* is reimagined in this compelling drama about two young people drawn by fate into an unwinnable situation. « Tomber amoureux, c'est tomber quand même » Le destin ne se soucie pas du temps, ni du chemin qu'on emprunte. Il sème sur notre route, des hasards, quelques touches d'espoir. Il laisse la lumière allumée pour les jours de désespoir. Quand Lee débarque à Everness, elle ne s'attend à rien. Rien d'autre que l'envie d'une vie sereine, loin de tout ce qu'elle a fui. Ne pas faire de vagues, se fondre dans la masse. Devenir invisible pour espérer vivre. Peut-être même, exister. Il aura suffi d'un regard. D'une voix éraillée, abîmée, pour réveiller Aiden du cauchemar qu'est devenue sa vie. Elle ne sait rien de lui. Il veut tout apprendre d'elle. Peut-on seulement ouvrir son cœur lorsqu'il renferme autant de blessures ? Et si tomber douloureusement amoureux pouvait guérir les bleus à l'âme ? Et s'il fallait s'abîmer pour mieux s'aimer ?
