We tend to remember hymns one at a time. They color our lives, transmit our theology, and form our faith. We forget that the reason we can do so is because they have been made available throughout the centuries in hymnals. This edited collection explores the 500-year tradition of Lutheran hymnal production, illustrating how these books have influenced Lutheran faith and worship practice over time. Editor Robin A. Leaver has assembled a notable team of contributors from across the wider Lutheran church. Each chapter draws readers into the history and contributions of one or more landmark hymnals, ranging from the first books published during Luther's lifetime to volumes that have shaped the dimensions of the contemporary Lutheran church in the United States. Chapter authors include Leaver, Paul Grime, Markus Rathey, Joseph Hurl, Dianne M. McMullen, Jon D. Vieker, Paul Westermeyer, Mark A. Granquist, Daniel Zager, and Gracia Grindal.
