Books description ● Summarize most vital concepts from each reading ● Key formulas and facts ● 25th Hour Notes can be used on a 'stand-alone' basis if you are time-constrained. The 25th HOUR NOTES is based on Pareto's 80-20 rule according to which 80% of the exam questions are likely to be based on 20% of the curriculum. Hence this course

focuses on the 20% material which is most testable. We call this the "25th Hour Notes" because your investment (time and money) is low but the potential return (passing the exam) is high! Many candidates complain that they forget material covered earlier. The 25th HOUR NOTES addresses this problem by helping you to quickly revise key concepts. Condition ●All new and unused books. ●High quality material. ●100% Money back guarantee if not satisfied with the quality.
