Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that’s helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational DNA. Just as you can understand an individual’s personality, so too can you understand a company’s type—what makes it tick, what’s good and bad about it. Results explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can’t leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what’s good and fix what’s wrong. You’ll feel the shock of recognition (“That’s me, that’s my company”) as you find out whether your organization is:
• Passive-Aggressive (“everyone agrees, smiles, and nods, but nothing changes”): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall
• Fits-and-Starts (“let 1,000 flowers bloom”): filled with smart people pulling in different directions
• Outgrown (“the good old days meet a brave new world”): reacts slowly to market developments, since it’s too hard to run new ideas up the flagpole
• Overmanaged (“we’re from corporate and we’re here to help”): more reporting than working, as managers check on their subordinates’ work so they can in turn report to their bosses
• Just-in-Time (“succeeding, but by the skin of our teeth”): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest
• Military Precision (“flying in formation”): executes brilliant strategies but usually does not deal well with events not in the playbook
• Resilient (“as good as it gets”): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels
For anyone who’s ever said, “Wow, that’s a great idea, but it’ll never happen here” or “Whew, we pulled it off again, but I’m tired of all this sprinting,” Results provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook
From the Hardcover edition.

Bondi Urban Cowboy Mouth Publishing

A collection of fine art nude photographic portraits of men captured in the classical tradition of the heroic and mythical, in the grandiose and dramatic poses of the post-renaissance tradition, shot in both contemporary, post-modernist and neo classic or painterly environments, with over 180 photographs in both colour and warm toned black and white. This collection complements and evolves the theme developed in the first 'Heroics' book published in 2011, and has been influenced by and references the male in sculpture and painting in Western European art from the Renaissance onwards. The book plays with contemporary societal attitudes to the naked male in public and art by juxtaposing our collective artistic consciousness and heritage with the reality of the contemporary naked male physique.

Master storyteller Christopher Paul Curtis's Newbery Honor novel, featuring his trademark humor and unique narrative voice, is now part of the Scholastic Gold line! Elijah of Buxton, recipient of the Newbery Honor and winner of the Coretta Scott King Award, joins the Scholastic Gold line, which features award-winning and beloved novels. This edition includes exclusive bonus content!Eleven-year-old Elijah lives in Buxton, Canada, a settlement of runaway slaves near the American border. Elijah's the first child in town to be born free, and he ought to be famous just for that -- not to mention for being the best at chunking rocks and catching fish. Unfortunately, all that most people see is a "fra-gile" boy who's scared of snakes and tends to talk too much. But everything changes when a former slave steals money from Elijah's friend, who has been saving to buy his family out of captivity in the South. Now it's up to Elijah to track down the thief -- and his dangerous journey just might make a hero out of him, if only he can find the courage to get back home.

The Blind African Slave recounts the life of Jeffrey Brace (né Boyrereau Brinch), who was born in West Africa around 1742. Captured by slave traders at the age of sixteen, Brace was transported to Barbados, where he experienced the shock and trauma of slave-breaking and was sold to a New England ship captain. After fighting as an enslaved sailor for two years in the Seven Years War, Brace was taken to New Haven, Connecticut, and sold into slavery. After several years in New England, Brace enlisted in the Continental Army in hopes of winning his manumission. After five years of military service, he was honorably discharged and was freed from slavery. As a free man, he chose in 1784 to move to Vermont, the first state to make slavery illegal. There, he met and married an African woman, bought a farm, and raised a family. Although literate, he was blind when he decided to publish his life story, which he narrated to a white antislavery lawyer, Benjamin Prentiss, who published it in 1810. Upon his death in 1827, Brace was a well-respected abolitionist. In this first new edition since 1810, Kari J. Winter provides a historical introduction, annotations, and original documents that verify and supplement our knowledge of Brace's life and times.

Outback Bushmen Crown Business

A book of male nude portraits shot around the theme of manual labour.

The Memorial History of Hartford County, Connecticut, 1633-1884 Bondi

Kord and Krimmer investigate the most common male types - cops, killers, fathers, cowboys, superheroes, spies, soldiers, rogues, lovers, and losers - by tracing changing concepts of masculinity in popular Hollywood blockbusters from 1992 to 2008 - the Clinton and Bush eras - against a backdrop of contemporary political events, social developments, and popular American myths. Their in-depth analysis of over sixty films, from The Matrix and Iron Man to Pirates of the Caribbean and The Lord of the Rings, shows that movies, far from being mere entertainment, respond directly to today's social and political realities, from consumerism to "family values" to the War on Terror.

Dusk features some of the most masculine, perfectly and naturally built, handsome and sensual naked men within a stunning array of hauntingly beautiful and raw outback settings. Paul Freeman has established himself at the pinnacle of his craft, not only as a photographer, but as a visual poet and artist eulogizing as he captures the spirit of the rugged yet sensitive Australian male in all his physical glory. His genius is to find the right men to photograph and then tell an enthralling story with his vision from behind the camera. From the quality of the compositions and the lighting through to the texture of the outback locations, these are some of the most perfectly executed and delightful photographs in any collection, and set a tone of sophistication so rarely achieved in books of the male nude.

Photographer Paul Freeman takes a sometimes tongue-in-cheek look at the way European men have adorned and mythologized themselves and their physical courage over the centuries, and refers for inspiration to monumental art and paintings that were the work of artists who tended to depict a fantasy of sensuality rather than the brutal masculinity of reality. This sumptuous collection of gorgeous male art nude photographs is printed on large format art stock paper, another masterful tome by the inimitable Freeman, following closely on the heels of his bestselling Bondi and Outback series of books.

The Psychology of Superheroes Paul Freeman Publishing

This latest installment in the Psychology of Popular Culture series turns its focus to superheroes. Superheroes have survived and fascinated for more than 70 years in no small part due to their psychological depth. In The Psychology of Superheroes, almost two dozen psychologists get into the heads of today's most popular and intriguing superheroes. Why do superheroes choose to be superheroes? Where does Spider-Man's altruism come from, and what does it mean? Why is there so much prejudice against the X-Men, and how could they have responded to it, other than the way they did? Why are super-villains so aggressive? The Psychology of Superheroes answers these questions, exploring the inner workings our heroes usually only share with their therapists.

Battle Cry Rizzoli Publications

"The fourth book in the series by renowned photographer Paul Freeman, which studies men and masculinity in rugged outdoor and rustic farm settings. In this book Freeman uses the Australian bush and its' changing moods to explore his male aesthetic, and to style and weather his subjects"--Jacket.

Larrikin Open Road Media

A coming-of-old-age novel from the Hugo Award-winning author of When Gravity Falls. “Engaging . . . spry, inventive, and often quite funny” (Kirkus Reviews). In HEROICS, Irene--like everyone in the

future--struggles with boredom. Food, clothing, and all the necessities of human life have been taken care of. But, what does that leave of life itself? At eighty-two, Irene sets out on a pilgrimage across America hoping to find the answer. Along the way, she becomes transformed, both physically and by her interactions with other civilians all trying to cope with this new world. Filled with wry humor and fantastic symbolism, HEROICS mixes adventure and philosophy in a way both engrossing and entertaining. Of this book, friend and fellow writer Harlan Ellison said, "It is the best Effinger yet...and for those of us who have been watching with amazement that is about as rich a compliment as you can expect from other envious authors. Damn him, he's good!" George Alec Effinger was a true master of satirical Science Fiction. Before his death in 2002, Effinger was a

prolific novelist and short story writer, earning acclaim from his fans and peers, including a Nebula Award nomination for his first book WHAT ENTROPY MEANS TO ME. In HEROICS, he revisits some of the themes and characters of that first book for startling, funny and poignant results.
