2The Present Book Is The First Account By A Person Who Has Actually Served In Raw At A Senior Level. Though Not An Insider, He Was Part Of The Organisation For A Little Less Than Four Years And Was Able To See Its Functioning From Close Quarters. Since He Was Concerned With Signal Intelligence Rather Than Human Intelligence Operations, Most Of The Coverage Is Devoted To The Former. The Book Brings To Light Several Lacunae In The Functioning Of The Country'S Top Intelligence Agency, The Most Glaring Being The Anomalies In Procurement Of Equipment, Lack Of Accountability And Our Dependence On Foreign Sources, With The Resultant Threat To National Security. Some Of The Hitherto Untold Stories Recounted In The Book Are: -1. How Equipment Was Purchased From Foreign Companies At Prices That Were More Ten Times The Market Price By Altering Technical Parameters. 2. How The Security Of The Prime Minister Was Almost Compromised For A Few Pieces Of Silver.3. The Circumstances Leading To The Death Of One Of Raw'S Brightest Officers, Vipin Handa. 4. The Stories Of Moles In The Country'S Top Intelligence Agencies, Including That Of Rabinder Singh. 5. The Bitter Rivalry Between Raw And Ib, And Its Effects.The Modus Operandi Of Foreign Intelligence Agencies In Recruiting Moles In India.

*Soft Target* Kings Road Publishing

MISSION: PAKISTAN is not just another spy thriller. Written by someone with over three decades of experience in counter-intelligence and counter-terrorism, it offers unprecedented insights into this shadowy world as it relates to the Indian subcontinent. At the same time, it is the story of tender and cruel social and geopolitical values that have been woven around the life and times of an Indian intelligence agent. Based loosely on real historical events and people, Mission: Pakistan takes the reader back to the tumultuous decade from the mid sixties to the early seventies, when India and Pakistan fought two wars within six years. Mission: Pakistan brings to focus not only the nature of this largely unseen intelligence war that takes place in the shadows but also the impact the underlying fault lines and internal security gangrene have on those affected.

*Pioneer Sikhs in Their Own Words* Manas

How are intelligence systems structured in countries across Asia and the Middle East-from Russia to India, from Turkey to China and Japan, from Kazakhstan to Saudi Arabia? In what ways did decolonization and the Cold War influence their organization? What is their mission, and to what extent do they come under public scrutiny?The authors of this comprehensive reference delve into these questions, and more, to provide a unique, systematic survey of intelligence practices and cultures in 22 countries.

*Fulcrum of Evil* Rupa Publications

Pointing to the horizon where the sea and sky are joined, he says, 'It is only an illusion because they can't really meet, but isn't it beautiful, this union which isn't really there.' -- SAADAT HASAN MANTO Sometime in 2016, a series of dialogues took place which set out to find a meeting ground, even if only an illusion, between A.S. Dulat and Asad Durrani. One was a former chief of RAW, India's external intelligence agency, the other of ISI, its Pakistani counterpart. As they could not meet in their home countries, the conversations, guided by journalist Aditya Sinha, took place in cities like Istanbul, Bangkok and Kathmandu.On the table were subjects that have long haunted South Asia, flashpoints that take lives regularly. It was in all ways a deep dive into the politics of the subcontinent, as seen through the eyes of two spymasters. Among the subjects: Kashmir, and a missed opportunity for peace; Hafiz Saeed and 26/11; Kulbhushan Jadhav; surgical strikes; the deal for Osama bin Laden; how the US and Russia feature in the India-Pakistan relationship; and how terror undermines the two countries' attempts at talks.When the project was first mooted, General Durrani laughed and said nobody would believe it even if it was written as fiction. At a time of fraught relations, this unlikely dialogue between two former spy chiefs from opposite sides--a project that is the first of its kind--may well provide some answers.

*An India-Pakistan Covert Ops Spy Thriller* Oxford University Press

A series of misadventures outlines the trials and tribulations of being a single woman on the wrong side of twenty-five in India, as Aisha deals with her mother's presentation of candidates for an arranged marriage, falls in love with a New York investment banker, and is torn between tradition and her yearning to be a modern woman. Simultaneous. 60,000 first printing.

*Mission: Pakistan* HarperCollins

You figure your movie date won't end well when the man in front of you gets shot. I'm out on a date with my girlfriend, and everything is perfect...till that shot. A high-calibre bullet. No apparent sound. A rifle with a suppressor. A sniper in the middle of a mall! As the body count mounts and I get sucked in deeper into the chaos that is unleashed by that shot, I find myself confronting many deadly enemies. To survive, and save those I care about most, I need to tap into a bloody past I thought I had left behind. I find myself on a kill list put online by terrorists and being thrown together with a man whom I need to work with if we are to save ourselves and countless others. The problem is that man is sworn to kill me. In a world where the young and poor kill and die in conflicts started by the old and rich, I and my unlikely companion finally discover the thin line that separates a mere killer from a hero. This is our story...

*Train to India* Independently Published

It was in 1973 that G.B.S. Sidhu, a young official with the newly set-up Research and Analysis Wing (R&AW), took charge of the field office in Gangtok in 1973. With an insider's view of the events that led to the Chogyal's ouster, he presents a first-hand account of the fledgling democracy movement and the struggle for reforms led by Kazi Lhendup Dorji in a society that was struggling to come to terms with the modern world. In his fast-paced, clear-sighted narrative, Sidhu tracks the reasons behind New Delhi's shift from a long-standing pro-Chogyal stand to a pro-democracy position and maps the political alignments on the ground in Sikkim. He outlines the interplay of personalities-Indira Gandhi, the Chogyal, the Kazi, and the Indian officials and intelligence agencies involved-to reveal the chain of events that led to the merger of the Himalayan kingdom with India.

*The Unending Game* Context

An insight into the working of Central Intelligence Agency through various reports presented on South Asia to top US officials from 1951 to 2001.

**SAS: Who Dares Wins Host's Incredible True Story** Createspace Independent Publishing Platform

The book is an informed and engaging narrative about twelve important trials of political figures in

Indian history which took place in the period between 1775 and 1947.

*20 Criminal Cases That Shook India* Bantam

A Gandhi is killed, a Bose is forgotten and a Bhagat Singh no more pricks the conscience of the people who lead the country. This is the story of a nation that boasts of being the largest democracy. The novel undertakes tortuous journeys through the political minefield and discovers that moneybags, muscle power and criminal fringes have hijacked Indian democracy.Satya Sarthi is a psephologist and wants to bring about a change in the system. He tries to catapult his simple but sharp businessman friend Dharmi into the top corridors of politics. His aim is to dethrone the ruling family which is corrupt and manipulative.Dharmi's hesitant metamorphosis from a businessman into a naive politician and finally into a pucca politician is full of pathos. Does he succeed in dethroning the family? Does he end up changing the system? Maloy Krishna Dhar captures the intrigues that are played in power politics in the name of We the people& We the People of India The Story of Gangland Democracy is a reminder to Generations Next that they have to fulfill unfulfilled dreams of the savants of the nation.

*Break Point* Sentient Publications

FROM THE AUTHOR OF OPEN SECRETS, THE UNTOLD STORY OF THE HUMAN TRAGEDY IN BENGAL BEFORE, DURING AND AFTER PARTITION. Maloy and his mother board the Dacca- Sylhet Express from Bhairab in 1950. The young boy notices a tick mark in white chalk on the side of the carriage, a sign that worries him. The train enters the Anderson Bridge, and a blob, of fresh blood hits Maloy's face. Bodies roll down to the river... As a young boy, Maloy Krishna Dhar, made the perilous journey to India from the East Pakistan. Politics had taken a communal colour in this region-age-old bonds between Hindi and Muslim Bengalis had deteriorated. The situation was made worse by near famine conditions and the brutal suppression of unrest. Villages were torched, marauding attackers had a free hand, and trains became charnel houses on wheels. The partition in Bengal had its share of tragedy, of lives unmade and lost, but it is relatively less chronicled than events in Punjab. Maloy Krishna Dhar's Train to India is a graphic and moving account of that turbulent and unforgotten era of Bengal History.

*Perception of Police Neutrality During Hindu-Muslim Riots in India* James Lorimer & Company

Somewhere deep in the archives of the Nehru Memorial Museum and Library (NMML) in the heart of New Delhi lies a set of papers that researchers and historians interested in recording the history of Indian intelligence, would love to get their hands on. Alas, those documents-transcripts of tape-recorded conversations with RN Kao, the legendary spy chief-are not going to be available until 2025, according to instructions left by him, months before he passed away in 2002. So until those tapes and papers are made public, any biography of Rameshwar Nath Kao or 'Ramji' to friends, colleagues and family would have to depend on personal memories of a vast array of individuals who knew him in different capacities and their interpretation of his personality and contribution.

**Indian Political Trials 1775-1947** Manas Publications

The archetype of "my enemy's enemy is my friend", India's political and economic presence in Afghanistan is often viewed as a Machiavellian ploy aimed against Pakistan. The first of its kind, this book interrogates that simplistic yet powerful geopolitical narrative and asks what truly drives India's Afghanistan policy.Based on an extensive repertoire of hitherto untapped primary sources including official memoranda, diplomatic correspondence, and a series of interviews with key political actors, My Enemy's Enemy provides a comprehensive analysis of India's strategy debates and foreign policymaking processes vis-a-vis Afghanistan, from the last decade of the Cold War to the 1990s Afghan civil war and the more recent US-led war on terror. It demonstrates that Indian presence in Afghanistan has been guided primarily by an enduring vision for the region that requires a stable balance of power across the Durand Line.

*One Life is Not Enough* Manas Publications

It is 2012, and the world is a more dangerous place than ever before. Revolutions have swept aside one Middle Eastern regime after another. A regime allied to Al Qaeda has swept to power in Saudi Arabia, and uses its oil wealth and modern arsenal to further spread Jihad around the world. Yet another military coup brings a fundamentalist regime to power in Pakistan, which initiates an audacious plan to strike the first blow in this new global Jihad. As unprecedented terror attacks stun India, the stage is set for a conflict that brings the Indian subcontinent to the brink of a nuclear apocalypse. With a broad cast of characters that puts the reader into the thick of the unfolding crisis, a fast-paced storyline ripped from today's headlines, and explosive action, Line of Control is a thriller uniquely suited to the times we live in. Praise for the Indian paperback edition: "An outstanding book. Better than Tom Clancy any day. I wish I had/could have written such a book." - Air Commodore Jasjeet Singh (Retd.) Director, Institute for Air Power Studies "Captures very well the cut and thrust of combat. A thrilling read." - General V.N Sharma (Retd.) Former Chief of Army Staff, India "Dhar brings us a scenario that seems possible yet apocalyptic." - The Hindustan Times "Other than being a great plot, the author seems know how weapons work, which is a great relief to the readers and spices up the novel." - Frontier India "The characters seem real, with abundant mention of various historical characters and national heroes. Dhar has done equal justice to characters from both sides of the border. By placing readers in the thick of action, similar to the circumstances that we find ourselves in today, Dhar has actually managed to find a connect that cannot be missed easily." - HT City "A page-turner right the word 'go', Line of... is also very timely. With utter chaos all around and many internal battles fought in the name of religion, Line of ... couldn't have been timed better. This racy war-thriller is exciting, to say the least, as the reader is drawn deep into the action of war. Mainak Dhar's characterization deserves a special mention too, as each character, be it the Pakistani or Indian, is sketched in detail, complete with their eccentricities and ordinariness." - Deccan Herald "The spine-chilling war scenario entertains, by all means, with skilful plot, well-drawn variety of characters, thrilling action, a high degree of intrigue, suspense and tension, grim humour...There is no gainsaying the fact that in the wake of recent Mumbai terror strikes, "the war thriller," delineating serious and topical concerns -- fundamentalism fuelling terrorism, burgeoning instability in Pakistan, reaction of other countries to the chronic and mounting tension between India and Pakistan -- will attract much wider readership." - The Tribune *A Thriller on the Coming War in Asia* Bloomsbury Publishing Deterrence Is A Policy That Fashions A Situation Whereby War Can Be Limited If Not Averted. It Rests On The Capability Of A Nation To Deter The Enemy, Ensure That The Credibility Of The Threat Is Maintained, And Respected, And Use That Capability When Necessary. Nuclear Weapons Deter, But There Is The Pursuit For The Absolute Means To Seek Foolproof Deterrence. Herein Lies The Dilemma. The Stakes Involved In A Nuclear War And The Use Of These Weapons Stimulate Varied

And Worried Debates. To Justify A War, Arguments Tend To Get Grounded On Just War The Doctrine Of Just War Is Concerned Not With What Men Did In War But What They Ought To Do Or Refrain From Doing; The Jus Ad Bellum Or Justification Of War And The Jus In Bello Or The Limitation Of War.

*Gentleman Spymaster* HarperCollins

The #1 Indian bestseller now available to Kindle readers worldwide. When it was published in paperback in India in 2005, *Open Secrets* became an instant sensation. It became the #1 Non-Fiction bestseller, a position it held for many months and generated a firestorm of controversy. There were court cases, death threats against the author, intense debates in the media and a change in India's Official Secrets Act after the issues raised in the book caused uproar in Parliament. All of this is in hindsight not surprising as *Open Secrets* was the first of its kind- the first time a retired Indian Intelligence Bureau Officer penned his memoirs- detailing his thirty-year career and offering unprecedented insights into some of the pivotal moments of Indian history and a peek into the political machinations that underly them. More than an expose, *Open Secrets* was a heartfelt plea for more transparency and accountability in India's security and intelligence apparatus- to free them to serve and protect the people of India, and not just their political masters. That debate has special resonance today in the light of the growing popular movement demanding more transparency and less corruption in Indian public life. *Open Secrets* is regarded as a seminal work for its fearless exposure of the Indian political system and its insightful detailing of the course of modern Indian history's turning points.

**ABOUT THE AUTHOR** Maloy Krishna Dhar began life as a journalist and a teacher, but ended up spending more than thirty years as an officer in India's Intelligence Bureau, retiring as its Joint Director. During his highly decorated career, he handled the sensitive Pakistan and Counter-terror desks, when he got a first-hand exposure to fighting the specter of Islamic terror that many Western readers were to remain blissfully unaware of till the tragic events of 9/11. After his retirement, he went back to his original love, and became a bestselling author and a recognized and highly respected authority on security matters. He passed away in May 2012, and his son, Amazon.com bestselling author Mainak Dhar, is now bringing his work to readers worldwide. Learn more about Maloy's remarkable life and work at [www.maloykrishnadhar.com](http://www.maloykrishnadhar.com).

**Mission to Pakistan** Penguin Random House India Private Limited

The author, a former Special Secretary of India's external intelligence agency, the Research and Analysis Wing (R&AW), examines a series of interconnected events that led to the rise of the Khalistan movement, Operation Blue Star, the assassination of Prime Minister Indira Gandhi in 1984 and the anti-Sikh violence unleashed thereafter. With a timeline that moves from seven years before to a decade after 1984, the book strives to answer critical questions that continue to linger till today. The narrative moves from Punjab to Canada, the US, Europe and Delhi, looking to sift the truth from the political obfuscation and opportunism, examining the role that the ruling party allegedly played, and the heart-rending violence that devoured thousands of innocent lives in its aftermath.

**Sikkim** Penguin Random House India Private Limited

*Open Secret* is an essential work by the mysterious Wei Wu Wei, author of a series of Buddhist and Taoist spiritual classics. In poetry, dialogs, epigrams, and essays, he addresses our illusions concerning the mind, the self, logic, time, space, and causation. His substantive interpretation of

The Heart Sutra—the epitome of Buddhist teachings—conveys the inexpressible truth of existence. Reading this jewel of a book, one enters into a heart and mind possessed of a very clear insight into the essence of understanding.

**Unmasking Mamata Banerjee** *Open Secrets* Deterrence Is A Policy That Fashions A Situation Whereby War Can Be Limited If Not Averted. It Rests On The Capability Of A Nation To Deter The Enemy, Ensure That The Credibility Of The Threat Is Maintained, And Respected, And Use That Capability When Necessary. Nuclear Weapons Deter, But There Is The Pursuit For The Absolute Means To Seek Foolproof Deterrence. Herein Lies The Dilemma. The Stakes Involved In A Nuclear War And The Use Of These Weapons Stimulate Varied And Worried Debates. To Justify A War, Arguments Tend To Get Grounded On Just War The Doctrine Of Just War Is Concerned Not With What Men Did In War But What They Ought To Do Or Refrain From Doing; The Jus Ad Bellum Or Justification Of War And The Jus In Bello Or The Limitation Of War. *Open Secrets: The Explosive Memoirs of an Indian Intelligence Officer*

In God we trust, the rest we monitor . . . A former chief of India's external intelligence agency, the Research and Analysis Wing, deconstructs the shadowy world of spies, from the Cold War era to the age of global jihad, from surveillance states to psy-war and cyberwarfare, from gathering information to turning it into credible intelligence. Vikram Sood provides a panoramic view of the rarely understood profession of spying to serve a country's strategic and security interests. As a country's stature and reach grow, so do its intelligence needs. This is especially true for one like India that has ambitions of being a global player even as it remains embattled in its own neighbourhood. The Unending Game tackles these questions while providing a national and international perspective on gathering external intelligence, its relevance in securing and advancing national interests, and why intelligence is the first playground in the game of nations.

**Open Secrets** Lynne Rienner Publishers

**Fulcrum Of Evil: Isi-Cia-Al Qaeda Nexus Is Another Magnum Opus From Maloy Krishna Dhar, Author Of Best Selling Book Open Secrets: India'S Intelligence Unveiled.
