Star Wars on Trial: The Force Awakens Edition Penguin
This last book from beloved Hollywood icon Carrie Fisher is the crown jewel of ideal Star Wars gifts. The Princess Diarist is an intimate, hilarious, and revealing recollection of what happened behind the scenes on one of the most famous film sets of all time. When Carrie Fisher discovered the journals she kept during the filming of the first Star Wars movie, she was astonished to see what they had preserved—plaintive love poems, unbridled musings with youthful naiveté, and a vulnerability that she barely recognized. Before her passing, her fame as an author, actress, and pop-culture icon was indisputable, but in 1977, Carrie Fisher was just a teenager with an all-consuming crush on her costar, Harrison Ford. With these excerpts from her handwritten notebooks, *The Princess Diarist* is Fisher's intimate and revealing recollection of what happened on one of the most famous film sets of all time—and what developed behind the scenes. Fisher also ponders the joys and insanity of celebrity, and the absurdity of a life spawned by Hollywood royalty, only to be surpassed by her own outer-space royalty. Laugh-out-loud hilarious and endlessly quotable, *The Princess Diarist* brims with the candor and introspection of a diary while offering shrewd insight into one of Hollywood's most beloved stars.

Star Wars: Ahsoka Armand Colin

An anonymous musician plays Pachelbel's Canon on the electric guitar in a clip that has been viewed over sixty million times. The

Dramatic Gopher is viewed over sixteen million times, as is a severely inebriated David Hasselhoff attempting to eat a hamburger. Over 800 variations, parodies, and parodies-of-parodies are uploaded of Beyonce Knowles' Single Ladies dance. Tay Zonday sings Chocolate Rain in a video viewed almost forty million times and scores himself a record deal. Obama Girl enters the political arena with contributions such as I Got a Crush on Obama and gets coverage in mainstream news networks. In *Watching YouTube*, Michael Strangelove provides a broad overview of the world of amateur online videos and the people who make them. Dr. Strangelove, the Governor General Literary Award-nominated author that *Wired Magazine* called a 'guru of Internet advertising,' describes how online digital video is both similar to and different from traditional home-movie-making and argues that we are moving into a post-television era characterized by mass participation. Strangelove draws from television, film, cultural, and media studies to help define an entirely new field of research. Online practices of representation, confessional video diaries, gendered uses of amateur video, and debates over elections, religion, and armed conflicts make up the bulk of this groundbreaking study, which is supplemented by an online blog at strangelove.com/blog. An innovative and timely study, *Watching YouTube* raises questions about the future of cultural memory, identity, politics, warfare, and family life when everyday representational practices are altered by four billion cameras in the hands of ordinary people.

Albion's Seed Princeton Architectural Press

This is a revised and updated edition of the book, including more recent information, footnotes, a bibliography, page numbers

(print edition) and more beautiful fonts! In a groundbreaking reappraisal of European history, award-winning historian Brian M. Watson gives the secret history of smut through the literature, art, photography, and historical figures you didn't learn about in school. Watson combs the bawdy and forgotten corners of Western civilization to reveal the hidden story of a topic that still causes anger, arousal, excitement and scandal. Combining an entertaining style with brand-new research, *Annals of Pornographie: How Porn Became Bad* explores not only the salacious history of pornography, but also explains the evolution of Western sexuality, the 'creation' of privacy (and public life), and the 'invention of manners.' The book analyzes Western culture's tortured and rapturous relationship with erotic representation by probing the underside of its culture, art, literature, philosophy, sexology, psychology and its law. Covering everything from the fifteenth century Renaissance all the way up to the twentieth century *Playboy* magazine, Watson takes the reader on a grand tour of the forgotten debauchery of Western history. Along the way, we meet a variety of colorful characters who rarely get their historical due: Lord Rochester, the royal Pimp; Pietro Aretino, the Renaissance godfather of pornography; Edmund Curll, the first Hugh Hefner; along with many other tax-dodging street pornographers and radicals who roamed the streets of London, Paris, New York, and other major metropolises. Watson takes us from the hallowed halls of the Council of Trent, where Popes and kings fought over the future of the west, to Grub Street, a narrow and disgusting London alley filled with hack writers, aspiring poets and pushers of dirty French pictures and many other sights and sounds from Western Civilization's glorious

and seedier locales. *Annals of Pornographie: How Porn Became Bad* reveals, for the first time, exactly how pornography went from being beautiful to being bad.

Empire of Illusion Routledge

Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. *Star Wars® Origami* marries the fun of paper folding with the obsession of Star Wars. Like *The Joy of Origami* and *Origami on the Go*, this book puts an original spin on an ancient art. And like *Star Wars® Scanimation®* and *Star Wars® Fandex®*, it's a fresh take on Star Wars mania. Chris Alexander is a master folder and founder of the popular website *StarWarsOrigami.com*, and here are 36 models, clearly explained, that range in difficulty from Youngling (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book's unique folding paper, two sheets for each figure. Illustrated with original art, it makes each creation—the essential lightsabers, the Death Star, and much more—true to the movies. *Star Wars Origami* includes a foreword by Tom Angleberger, author of the New York Times bestsellers *The Strange Case of Origami Yoda* and *Darth Paper Strikes Back*, and is scheduled to be published at the same time as Angleberger's upcoming book, *The Secret of the Fortune Wookiee*.

The Way of Kings Oxford University Press

Zeus is a god with a reputation for lechery, and it's been driving his wife Hera nuts for years. Reaching her limit one night, she puts together an epic practical joke: she places a spell on Zeus that makes him fall in lust with every inanimate object in sight! It was a night Zeus doesn't remember, but his godly seed took root nevertheless. Now, eighteen years later, his unnatural hybrid bastards wander the world. And because Zeus has a reputation to protect, these embarrassing freaks have got to go! But this motley crew refuses to go quietly. Through schemes both ingenious and idiotic — Cotton, a smarmy cloth patchwork; Carmine, a timid automobile; Corey, a self-loathing apple; Walter, a belligerent stack of bricks; and Panos, their gallant would-be leader — will force their negligent father to acknowledge them — that is, if their own squabbling doesn't defeat them first! Collecting the mini-series that takes Greek mythology in a

decidedly different direction, the *Hybrid Bastards!* hardcover includes a bonus story and pin-ups by talented guests.

Focus On: 100 Most Popular Films Based on British Novels Ignatius Press

Pornography: The force for change that has been written out of the history of world culture. From cave painting to photography to the internet, pornography has always been at the cutting edge in adopting and exploiting new developments in mass communication. And in so doing, it has helped to promote and propel those developments in ways that are rarely acknowledged. Without pornography, the internet would not have grown so quickly. The e-commerce payment systems that are now commonplace would be at a far more primitive stage security and usability. Without video streaming software developed for pornography sites, CNN would be struggling to deliver news clips. Without advertising from sex sites, Google could not have afforded YouTube. This smart, witty and well-researched history shows how a vast secret trade has bankrolled and shaped mainstream culture and its machines.

Architecture and Film Marvel

The entertainment world lost many notable talents in 2018, including movie icon Burt Reynolds, "Queen of Soul" Aretha Franklin, celebrity chef and food critic Anthony Bourdain, bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2018 are included. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers.

Focus On: 100 Most Popular American Romantic Drama Films Fantagraphics Books

"Maitland Ward joined the cast of *The Bold and the Beautiful* as a teenager and found fame as the loveable, sexy (but not too sexy) co-ed Rachel McGuire in the later seasons of the beloved ABC sitcom *Boy Meets World*. Forced into the "good girl" role time and again, she was denied the darker, meatier roles she truly wanted to sink her teeth into. And so she turned away from Disney gold, and eventually established herself as one of the most-respected actresses in porn today. Full of jaw-and panty-dropping anecdotes, as well personal stories from her time on one of the

most beloved sitcoms of the '90s, *RATED X* won't be your run-of-the-mill celebrity memoir. Readers will get to see Hollywood and triple-x stardom up close and personal, and in a whole new light. Her story is not a cautionary tale. It's a story of hope and triumph about a woman who took her desire by the reins, shot to the top of the industry, and has become one of porn's most prominent figures with crossover appeal—all at the age of forty. Sharp, provocative, and unexpected, *RATED X* is the story of a Disney Princess who—unapologetically—found her fairytale in porn"—

Porn on the Couch W. W. Norton & Company

A new epic fantasy series from the New York Times bestselling author chosen to complete Robert Jordan's *The Wheel of Time®* Series

The Erotic Engine BenBella Books, Inc.

The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek, its history, its influence, and the scholarly response to the franchise, as well as possibilities for further study. This volume aims to bridge the fields of science fiction and (trans)media studies, bringing together the many ways in which Star Trek franchising, fandom, storytelling, politics, history, and society have been represented. Seeking to propel further scholarly engagement, this Handbook offers new critical insights into the vast range of Star Trek texts, narrative strategies, audience responses, and theoretical themes and issues. This compilation includes both established and emerging scholars to foster a spirit of communal, trans-generational growth in the field and to present diversity to a traditional realm of science fiction studies.

Money Shot Vol. 2 University of Iowa Press

Written by a former member of the Monty Python troupe, this satire of the fairy picture hoax of 1895 is riotously witty, visually extraordinary and wildly original. Illustrations.

Adaptations in the Franchise Era Penguin

Sex Criminals meets the Fantastic Four in *MONEY SHOT*, a sexy sci-fi space adventure about scientists exploring the exotic side of alien civilizations! *A STORY ABOUT SCIENTISTS HAVING SEX WITH ALIENS FOR THE GLORY OF MANKIND—AND MONEY.?* The XXX-pplorers have a good thing going, funding science with sex. The Princess Diarist Chronicle Books

Fans have long wondered what happened to Ahsoka after she left the Jedi Order near the end of the Clone Wars, and before she re-appeared as the mysterious Rebel operative Fulcrum in Rebels. Finally, her story will begin to be told. Following her experiences with the Jedi and the devastation of Order 66, Ahsoka is unsure she can be part of a larger whole ever again. But her desire to fight the evils of the Empire and protect those who need it will lead her right to Bail Organa, and the Rebel Alliance....

Hybrid Bastards! McFarland

Star Wars, comme disent ses fans, c'est " tellement plus que du cinéma " ! Il y a les romans, les jeux, les BD, les sites internet, les costumes, les encyclopédies sans parler du programme de la défense nationale des États-Unis. Un univers qui s'adopte et qu'on utilise à la manière d'un jeu de construction pour produire à son tour et aussi pour réfléchir à des questions importantes, et parfois même un style de vie. A la veille de la sortie du 7e épisode de cette saga légendaire et si populaire du cinéma, cet ouvrage décortique les films (leurs grands thèmes, les inspirations mythologiques et littéraires, les ressorts naratifs...), les compare aux classiques de l'histoire du cinéma et analyse l'engouement des fans (notamment ce foisonnement de courts-métrages amateurs, à la fois hommages et parodies de l'œuvre). Un livre pour tous ceux et toutes celles qui ont envie de (re)découvrir Star Wars, à la fois phénomène de cinéma et de société.

The Intimacy Experiment e-artnow sro

Order in the Court! Star Wars: the most significant, powerful myth of the twenty-first century or morally bankrupt military fantasy? Six films. Countless books. \$20 billion in revenue. No one can question the financial value or cultural impact of the Star Wars

film franchise. But has the impact been for the good? In Star Wars on Trial's courtroom—Droid Judge presiding—Star Wars stands accused of elitist politics and sexism, religious and ethical lapses, the destruction of literary science fiction and science fiction film, and numerous plot holes and logical gaps. Supported by a witness list of bestselling science fiction authors, David Brin (for the prosecution) and Matthew Woodring Stover (for the defense) debate these charges and more before delivering their closing statements. The verdict? That's up to you. Covering the films from A New Hope to The Force Awakens, Brin and Stover provide new forewords that explore the newest generation of Star Wars films and what JJ Abrams must do to live up to—or redeem—the franchise.

Star Wars - 3e éd. WaterBrook

For readers of Peggy Orenstein and Rebecca Traister, an authoritative, big think look at pornography in all its facets - historical, religious, and cultural. In the 1960s, sex researchers Masters and Johnson declared the end of the fake orgasm. Nearly two decades later, in 1982, evangelical activist Tim LaHaye foretold that the entire pornography industry would soon be driven out of business. Neither prediction proved true. Instead, with the rise of the internet, pornography saturates the American conscience more than ever and has reshaped our understanding of sexuality, relationships, media, and even the nature of addiction. Dr. Kelsy Burke has spent the last five years researching and interviewing internet pornography's opponents and its sympathizers. In *The Pornography Wars*, Burke does a deep dive into the long history of pornography in America and then turns her gaze on our present society to examine the ways this industry touches on the most intimate parts of American lives. She offers a complete understanding of the major players in the debates around porn's place in society: everyone from sex workers, activists, therapists, religious leaders, and consumers. In doing so, she addresses and debunks the myths that surround porn and porn usage while showing how everything from the way we teach children about sex to the legal protections for what can be published is tied up in the deeply complicated battles over pornography. Sweeping, savvy, and deeply researched, *The Pornography Wars* is a necessary and comprehensive new look at pornography and American life.

Lady Cottington's Pressed Fairy Book JMS Books LLC

"From Gifs to vids, from tourist attractions to digital costuming, from Trekkers to Inspector Spacetime, Media Play illuminates the multiple economic, cultural, and social links between fans and the media industries"--

Porn for Women Stone Bridge Press

The Complete Hate is a three-volume set that includes the original 1990-1998 30-issue run, the nine subsequent Hate Annuals, and tons of other Hate-related comics, illustrations, and ephemera created for books, magazines, comics, toys, and other merchandise. Bagge combined his cartoony drawing style with uncomfortably real Gen X characters, and the comic books resonated with readers. Book One (Hate 1-15), focuses on young Buddy Bradley's travails in early 1990s Seattle. Book Two focuses on Buddy and his girlfriend Lisa Leavenworth's move back to Buddy's native New Jersey (and a switch from black-and-white to full color). Book Three features the final arc of Bagge's magnum opus, as Buddy and Lisa become parents (and buy a garbage dump).

Star Wars Origami Macmillan

"Danan is becoming a go-to author."—New York Times Book Review
Naomi and Ethan will test the boundaries of love in this provocative romance from the author of the ground-breaking debut, *The Roommate*. Naomi Grant has built her life around going against the grain. After the sex-positive start-up she cofounded becomes an international sensation, she wants to extend her educational platform to live lecturing. Unfortunately, despite her long list of qualifications, higher ed won't hire her. Ethan Cohen has recently received two honors: LA Mag nominated him as one of the city's hottest bachelors and he

became rabbi of his own synagogue. Low on both funds and congregants, the executive board of Ethan's new shul hired him with the hopes that his nontraditional background will attract

more millennials to the faith. They've given him three months to turn things around or else they'll close the doors of his synagogue for good. Naomi and Ethan join forces to host a buzzy seminar series on Modern Intimacy, the perfect solution to their problems--

until they discover a new one--their growing attraction to each other. They've built the syllabus for love's latest experiment, but neither of them expected they'd be the ones putting it to the test.
