Two Men on a Mission

Security Professionals

Burke and Cole Lennox

have shared women

before but never meant to

fall in love with one. Their

lives are precarious,

always on the edge of

trouble. But Jessa Wade is

too tempting, too perfect

to let go. They're on a

dangerous mission, but

they can't help but get

close to the beautiful,

innocent artist. When

their mission takes them

to a foreign land, they

reluctantly leave their  
love behind, promising to  
return for her one day. A

Woman with a Secret

After her lovers

disappeared, Jessa Wade

bravely moves on with her

life, protecting her secret.

But when she becomes

the target of one of Burke

and Cole's enemies, the

men leap into action,

vowing to save their

woman and to never

leave again. As danger

stalks all three, they must

come together and face

the mistakes of their past.

On the run and out of

time, Burke and Cole will

fight for their future with

Jessa. But will Jessa's

secret bring them

together...or tear them

apart?

Planet Lesbiya Harlequin A fast-paced contemporary romance that sizzles from the New York Times bestselling author of Order of Protection where passion for the law isn't the only

thing heating up the courtroom. Isla Shayne knows she's in over her head. As former all-star linebacker Trey Adams's personal lawyer, she's used to handling his business dealings and private financial matters, not murder charges. She needs to find an experienced criminal attorney who speaks her client's language. David Cormack of Garrison, Cormack and Lawless is exactly what she needs in the courtroom--and the only man she wants in the bedroom. For David,

taking on the Adams case means diving back into a world he thought he'd left behind and colliding head on with tragic possibilities he's in no mood to face. There's a reason professional football is in his past and no matter how close Isla gets to the truth he intends to leave it there. But long days working on the case together lead to hot nights in each other's arms. As their feelings grow, the case takes a deadly twist that could change the game between the two lovers

forever.

Big truck, hard abs, filthy mouth, and dominant af. The toughest new

alpha on the mountain's got a very huge package. And this Christmas, it's all for one lucky lady...  
Outlaw. Soldier. Villain. Hero. Smuggler for the mob. I'm whatever the highest bidder needs me to be, and I don't ask questions. That is, until a freak avalanche sends me crashing over a cliff up on Blackthorn Mountain, and I find out what--or who-- I'm really carrying. She's innocent and tempting-- the blonde and beautiful little captive I didn't even know I had. Legs for days, curves that beg for my

rough hands, and a sassy spitfire attitude that gets my pulse roaring. The mountain blizzard has us trapped. Just the two of us in an abandoned cabin, on Christmas Eve, with nothing but our body heat to keep warm. I know she's off-limits. I know the mob boss who's paying me wants to sell her to settle a debt. But once I've had a taste of Holly, there ain't no way I'm letting that happen. She came to me by accident. But I found her. I unwrapped her. I made her mine. The storm wants

to bury us. The mob wants to take her from me. But she's my Christmas miracle. She's my pretty little present, and I'm going to unwrap every inch of her with my teeth. She was never meant for me. But now, I'm keeping her all to myself. This is a standalone story. The books in the Blackthorn Mountain Men series can be read in any order. Looking to heat the holidays up? Grab some cocoa, get cozy, and get ready for all sorts of warm, fuzzy, and hot af. A

totally obsessed alpha outlaw, a sassy stowaway, the mob...just a typical Christmas on Blackthorn Mountain. Hang on tight ;). As with my all my books, this one is safe, with no cheating and a HEA guaranteed.

Billionaire and all my other books! I love to write about strong, possessive, dominant hero's and sassy, smart heroines. My characters range from hot, dominant billionaires, to strong, powerful gangsters, and all kinds of bad boy's in between. I am the bestselling author of the Amazon #1 bestsellers, You Don't Own Me 1 & 2 (The Russian Don series), the Billionaire Banker series and the Crystal Jake complete Eden series. You'll find my books packed with thrills,

suspense and of course lots, and lots of steam. I live in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife. Sadly for me I love all things chocolate and food and have a voracious appetite for Romance reads, particularly new authors with a fresh voice. When I am not feeding words into Amy, my precious laptop, I can be found lost in a long walk in the woods, particularly on moonlit nights; and

often with the man of my dreams. Want More Hot Romances? Click on the link below to receive news of my latest releases, fabulous giveaways and exclusive content. <http://bit.ly/10e9WdE>

Half a century ago a youth appeared from the American hinterland and began a cultural revolution. The world is still coming to terms with what he did. How he did it - and why - has never been fully explored. In *Once Upon a Time*, award-winning writer Ian Bell draws together the tangled strands of the many lives of Bob Dylan in all their contradictory brilliance. For the first time, the laureate of modern America is set in

his entire context: musical, historical, literary, political and personal. Full of new insights into the legendary singer, his songs, his life and his era, the artist who invented himself in order to reinvent America is uncovered. *Once Upon a Time* is a biographical study of a personality that has splintered and reformed, time after time, in a country forever struggling to understand itself. Dylan has become the puzzle that illuminates. Here, in the

first part of a major two-volume work, the puzzle is explained.

Once Upon a Time Darby Creek

Planet Lesbiya is about a young woman who struggles to define her sexuality and spirituality. She lives in what she views as a man's world, but spends most of her time dwelling in the subconscious part of her mind in a world where she claims women rule. Join her as she embarks on a quest to define herself. Self Analysis Longman Publishing Group

You know that feeling you get when you're being watched? I don't.

Oblivious is my middle name. Luckily, I have a Hiroki. And a Rome, a Remy, and a David to keep an eye out for me, and on me. So leave it to little old oblivious me not to notice that I have a couple new supernatural

stalkers. I mean, I've had my share of men check me out in a bar, but once they get to know me, they usually run. Not enroll in my school, get scheduled in every one of my classes, and offer me free rides in their...chariot?If that wasn't weird enough, another god joining my not-a-fan club was. They say the third one's the charm...but not in this case. One wants to use me, one wants to kill me, and the new one wants me to do what every god in the nine realms failed to do...kill a god and put

an end to Ragnarok. It's like they don't even know me at all. I fall down getting dressed.Thankfully, I have three-and-a-half boyfriends to help with the hard stuff and keep me safe. Especially when my arch nemesis, Sabine, escapes the school dungeon and is Hel bent on turning me into a Kaede-kabob.Don't get me wrong. Sometimes, getting skewered can be a lot of fun. But sometimes, you can end up in a worst-case scenario. Like dead...

 "Fasten your seatbelts and get ready for the adventure of a lifetime" in this whirlwind romance of luxury, passion, and intrigue (Melanie Dobson).  
 Anna St. James's new job is a dream come true: personal flight attendant to billionaire, Stuart Manning. From Venice to Paris to Mai Khao Beach, she's visiting the world's hottest destinations. With access to fabulous haute

couture fashions, she's a star attraction herself at movie premieres and parties around the globe. There's just one thing missing: the true love she left behind. Tennis pro Cade Williams's own career was put on hold after a tragic accident. Now on the mend, he understands Anna's commitments—even if the distance between them is hard to reconcile. So is the question he's afraid to ask: out of the hundreds of women who'd have done anything to be at Manning's beck and call . . .

. why Anna? That's when Anna's jet-setting life takes a turbulent detour, and she's ushered into the shadows of a mysterious new stranger. Realizing that Manning could want more than she's willing to give, Anna wonders what she must do next, and what's at risk, to stay true to herself and the man she loves.

 As a little girl, Sofia McKenzie dreamed of baking and designing wedding cakes when she

grew up-at age twenty-two she has that dream, working in a small exclusive bakery in Lexington, Kentucky. She loves her life and hadn't really known anything was missing until she met the brother of the soon-to-be bride. Shane Fletcher made his fortune on the technology market, and although he sold his business, he's still involved. His past isn't as clean as he sometimes wished it were, which is why he runs every time he gets closer to Sofia. She's unlike anyone he's

met before-she doesn't see his bank balance when she looks at him; she sees him. As his sister's wedding draws closer, Shane has a choice to make: walk away from Sofia for good, or tell her how he feels.

Their Virgin's Secret:  
Masters of Menage

Daisy Hubbard, a genetic researcher in a prestigious Boston lab, is driven to find a cure for the rare genetic disease that claimed the life of her younger brother. Her progress is halted, however, when her

mentally unstable sister Anna is discovered missing from her California home. Daisy, fearing the worst, drops everything and flies across the country to find Anna. Once there, she is informed by the LAPD that known serial killer Roy Gaines has confessed to Anna's murder, but he will only reveal where he has hidden the body if he can lead Daisy to it himself. Daisy, teaming up with a handsome detective named Jack Makowski, follows Roy to a number of dead bodies, but none

of them are Anna's. As Daisy realizes that Roy knows too much about her research, she begins to fear that Anna is a pawn in a game with much larger stakes. It will take all of Daisy's cunning and resolve to stop the killer in his tracks and to uncover his obsession with the disease she has been trying to unravel for her entire life.

Used in Stanford's CS102 Big Data (Spring 2017) course. Want to get

started on data science? Our promise: no math added. This book has been written in layman's terms as a gentle introduction to data science and its algorithms. Each algorithm has its own dedicated chapter that explains how it works, and shows an example of a real-world application. To help you grasp key concepts, we stick to intuitive explanations, as well as lots of visuals, all of which are colorblind-friendly. Popular concepts covered include: A/B

Testing Anomaly Detection Association Rules Clustering Decision Trees and Random Forests Regression Analysis Social Network Analysis Neural Networks Features: Intuitive explanations and visuals Real-world applications to illustrate each algorithm Point summaries at the end of each chapter Reference sheets comparing the pros and cons of algorithms Glossary list of commonly-used terms With this book, we hope to give you a practical understanding

of data science, so that you, too, can leverage its strengths in making better decisions.

With its fresh new look, the third edition of the Summit program helps develop confident English speakers who are able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual

recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series. Summit 1 covers competencies from B2 to B2+ and Summit 2 introduces C1 competencies in the Common European Framework of Reference. The entire Summit course can be tailored to blended learning with its integrated online component, MyEnglishLab (access code provided in the Student Book).
