CARLEE KIRK

Uncollected Stories of William Faulkner Assouline Publishing Celebrating 50 years of Tove Jansson's classic, bestselling novel Featured in the BBC 2 Between the Covers Bookclub Special (Eurovision series 2023) 'Distills the essence of summer' Robert Macfarlane 'Magical, life-affirming' Elizabeth Gilbert The Worldwide Classic about a tiny island and larger love. An elderly artist and her six-year-old grand-daughter while away a summer together on a tiny island in the gulf of Finland. As the two learn to adjust to each other's fears, whims and yearnings, a fierce yet understated love emerges - one that encompasses not only the summer inhabitants but the very island itself. Written in a clear, unsentimental style, full of brusque humour, and wisdom, The Summer Book is a profoundly life-affirming story. Tove Jansson captured much of her own life and spirit in the book, which was her favourite of her adult novels. With a foreword by Esther Freud and an afterword by Sophia Jansson (on whom the child 'Sophia' is based) who returns to the island during the pandemic at the point of becoming a grandmother herself. Includes a 15pp epilogue by Tove's niece Sophia Jansson - the inspiration for 'Sophia' - on a personal and moving return to the island. 'Eccentric, funny, wise, full of joys and small adventures. This is a book for life.' Esther Freud 'Tove Jansson was a genius. This is a marvellous, beautiful, wise novel, which is also very funny.' Philip Pullman

New Orleans Sketches DigiCat

In 1925 William Faulkner began his professional writing career in earnest while living in the French Quarter of New Orleans. He had published a volume of poetry (*The Marble Faun*), had written a few book reviews, and had contributed sketches to the University of Mississippi student newspaper. He had served a stint in the Royal Canadian Air Corps and while working in a New Haven bookstore had become acquainted with the wife of the writer Sherwood Anderson. In his first six months in New Orleans, where the Andersons were living, Faulkner made his initial foray into serious fiction writing. Here in one volume are the pieces he wrote while in the French Quarter. These were published locally in the *Times-Picayune* and in the *Double Dealer*. The pieces in *New Orleans Sketches* broadcast seeds that would take root in later works. In their themes and motifs these sketches and stories foreshadow the intense personal vision and style that would characterize Faulkner's mature fiction. As his sketches take on parallels with Christian liturgy and as they portray such characters as an idiot boy similar to Benjy Compson, they reveal evidence of his early literary sophistication. In praise of *New Orleans Sketches*, Alfred Kazin wrote in the *New York Times Book Review* that "the interesting thing for us now, who can see in this book the outline of the writer Faulkner was to become, is that before he had published his first novel he had already determined certain main themes in his work." In his trailblazing introduction, Carvel Collins often called "Faulkner's best-informed critic," illuminates the period when the sketches were written as the time that Faulkner was making the transition from poet to novelist. "For the reader of Faulkner," Paul Engle wrote in the *Chicago Tribune*, "the book is indispensable. Its brilliant introduction . . . is full both of helpful information . . . and of fine insights." "We gain something more than a glimpse of the mind of a young genius asserting his power against a partially indifferent environment," states the *Book Exchange* (London). "The long introduction . . . must rank as a major literary contribution to our knowledge of an outstanding writer: perhaps the greatest of our times."

The Summer Book Univ. Press of Mississippi

Praised by the *New York Times Book Review* as "a powerful allegory of our civilization's many maladies, artfully and elegantly articulated, by one of the young wise women of our generation," Alexandra Kleeman's debut novel, *You Too Can Have a Body Like Mine*, earned her comparisons to Thomas Pynchon, Don DeLillo, Ben Marcus, and Tom Perrotta. In her second book, a collection of twelve stories irresistibly seductive in their strangeness, she explores human life from beginning to end: the distress of birth into a world already formed; the brief and confusing period of "living" when we understand what is expected of us and struggle to do it; and, finally, the death-y period, when we sense everything is winding down and that it will conclude only partially understood, at best. The title *Intimations* is taken from one of the stories but is also a play on Wordsworth's "Intimations of Immortality"—in this case it's not clear exactly what is being intimated, only that it's nothing so gleaming and good as Immortality. At once familiar and mysterious, these stories have an eerie resonance as the characters find themselves in new and surprising situations. An unnamed woman enters a room with no

exit and a ready-made life; the disappearance of people, objects, and memory creates an apocalypse; the art of dance is used to try to tame a feral child; the key to surviving a house party lies in knowing the difference between fake and real blood. Elegant, surprising, wondrous, and haunting, *Intimations* is an utterly transporting collection from one of our most ingenious and brilliant young writers.

The Wild Palms Modern Library

William Faulkner was a literary genius, and one of America's most important and influential writers. Drawing on previously unavailable sources -- including letters, memoirs, and interviews with Faulkner's daughter and lovers -- Jay Parini has crafted a biography that delves into the mystery of this gifted and troubled writer. His Faulkner is an extremely talented, obsessive artist plagued by alcoholism and a bad marriage who somehow transcends his limitations. Parini weaves the tragedies and triumphs of Faulkner's life in with his novels, serving up a biography that's as engaging as it is insightful.

Scholarly probings that find the heart of nature in the Nobel Prize author's works

Discovering God Through the Arts Harper Collins

For fans of Kate Morton and Beatriz Williams, a highly atmospheric and suspenseful historical novel, set in the 1890s about a Scottish heiress who unexpectedly encounters her childhood friend in North America, five years after he disappeared from her family's estate the night of a double murder. Nineteen-year-old Evelyn Ballantyre has rarely strayed from her family's estate in the Scottish Borderlands, save for the occasional trip to Edinburgh, where her father, a respected magistrate, conducts his business—and affairs of another kind. Evelyn has always done her duty as a daughter, hiding her boredom and resentment behind good manners—so when an innocent friendship with a servant is misinterpreted by her father as an illicit union, Evelyn is appalled. Yet the consequence is a welcome one: she is to accompany her father on a trip to North America, where they'll visit New York City, the 1893 World's Fair in Chicago, and conclude with a fishing expedition on the Nipigon River in Canada. Now is her chance to escape her cloistered life, see the world, and reconnect with her father. Once they're on the Nipigon, however, Evelyn is shocked to discover that their guide is James Douglas, the former stable hand and her one-time friend who disappeared from the estate after the shootings of a poacher and a gamekeeper. Many had assumed that James had been responsible, but Evelyn never could believe it. Now, in the wilds of a new world, far from the constraints of polite society, the truth about that day, James, and her father will be revealed...to stunning consequences.

A Loving Gentleman Farrar, Straus and Giroux

The author describes the reasons for his trip to Asia and reflects on the constrictions of the monastic life.

In Defense of Plants Open Road Media

The Study of Plants in a Whole New Light "Matt Candeias succeeds in evoking the wonder of plants with wit and wisdom." —James T. Costa, PhD, executive director, Highlands Biological Station and author of *Darwin's Backyard #1* New Release in *Nature & Ecology, Plants, Botany, Horticulture, Trees, Biological Sciences, and Nature Writing & Essays* In his debut book, internationally-recognized blogger and podcaster Matt Candeias celebrates the nature of plants and the extraordinary world of plant organisms. A botanist's defense. Since his early days of plant restoration, this amateur plant scientist has been enchanted with flora and the greater environmental ecology of the planet. Now, he looks at the study of plants through the lens of his ever-growing houseplant collection. Using gardening, houseplants, and examples of plants around you, *In Defense of Plants* changes your relationship with the world from the comfort of your windowsill. The ruthless, horny, and wonderful nature of plants. Understand how plants evolve and live on Earth with a never-before-seen look into their daily drama. Inside, Candeias explores the incredible ways plants live, fight, have sex, and conquer new territory. Whether a blossoming botanist or a professional plant scientist, *In Defense of Plants* is for anyone who sees plants as more than just static backdrops to more charismatic life forms. In this easily accessible introduction to the incredible world of plants, you'll find:

- Fantastic botanical histories and plant symbolism
- Passionate stories of flora diversity and scientific names of plant organisms
- Personal tales of plantsman discovery through the study of plants

If you enjoyed books like *The Botany of Desire*, *What a Plant Knows*, or *The Soul of an Octopus*, then you'll love *In Defense of Plants*.

Intimations Vintage

Master mythologist Martin Shaw uses timeless story-wisdom to examine our broken relationship with the world There is an old legend that says we each have a wild, curious twin that was thrown out the window the night we were born, taking much of our vitality with them. If there was something we were meant to do with our few, brief years on Earth, we can be sure that the wild twin is holding the key. In *Courting the Wild Twin*, Dr. Martin Shaw invites us to seek out our wild twin--a metaphor for the part of ourselves that we generally shun or ignore to conform to societal norms--to invite them back into our consciousness, for they have something important to tell us. He challenges us to examine our broken relationship with the world, to think boldly, wildly, and in new ways about ourselves--as individuals and as a collective.

Through the use of scholarship, storytelling, and personal reflection, Shaw unpacks two ancient European fairy tales that concern the mysterious wild twin. By reading these tales and becoming storytellers ourselves, he suggests we can restore our agency and confront modern challenges with purpose, courage, and creativity. *Courting the Wild Twin* is a declaration of literary activism and an antidote to the shallow thinking that typifies our age. Shaw asks us to recognize mythology as a secret weapon--a radical, beautiful, heart-shuddering agent of deep, lasting change.

Selected Short Stories Mango Media Inc.

What does art have to do with faith? For many Christians, paintings, films, music, and other forms of art are simply used for wall decoration, entertaining distraction, or worshipful devotion. But what if the arts played a more prominent role in the Christian life? In *Discovering God through the Arts*, discover how the arts can be tools for faith-building, life-changing spiritual formation for all Christians. Terry Glaspey, author of *75 Masterpieces Every Christian Should Know*, examines: How the arts assist us in prayer and contemplation How the arts help us rediscover a sense of wonder How the arts help us deal with emotions How the arts aid theological reflection and so much more. Let your faith be enriched, and discover how beauty and creativity can draw you nearer to the ultimate Creator.

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Light in August Faulkner Conference

In this feverishly beautiful novel—originally titled *If I Forget Thee, Jerusalem*—William Faulkner interweaves two narratives, each wholly absorbing in its own right, each subtly illuminating the other. In New Orleans in 1937, a man and a woman embark on a headlong flight into the wilderness of illicit passion, fleeing her husband and the temptations of respectability. In Mississippi ten years earlier, a convict sets forth across a flooded river, risking his own chance at freedom to rescue a pregnant woman. From these separate stories Faulkner composes a symphony of deliverance and damnation, survival and self-sacrifice, a novel in which elemental danger is juxtaposed with fatal injuries of the spirit. *The Wild Palms* is grandly inventive, heart-stopping in its prose, and suffused on every page with the physical presence of the country that Faulkner made his own.

Faulkner and Hemingway W. W. Norton & Company

It is well known that Jorge Luis Borges was a translator, but this has been considered a curious minor aspect of his literary achievement. Few have been aware of the number of texts he translated, the importance he attached to this activity, or the extent to which the translated works inform his own stories and poems. Between the age of ten, when he translated Oscar Wilde, and the end of his life, when he prepared a Spanish version of the *Prose Edda*, Borges transformed the work of Poe, Kafka, Hesse, Kipling, Melville, Gide, Faulkner, Whitman, Woolf, Chesterton, and many others. In a multitude of essays, lectures, and interviews Borges analyzed the versions of others and developed an engaging view about translation. He held that a translation can improve an original, that contradictory renderings of the same work can be equally valid, and that an original can be unfaithful to

a translation. Borges's bold habits as translator and his views on translation had a decisive impact on his creative process. Translation is also a recurrent motif in Borges's stories. In "The Immortal," for example, a character who has lived for many centuries regains knowledge of poems he had authored, and almost forgotten, by way of modern translations. Many of Borges's fictions include actual or imagined translations, and some of his most important characters are translators. In "Pierre Menard, author of the Quixote," Borges's character is a respected Symbolist poet, but also a translator, and the narrator insists that Menard's masterpiece-his "invisible work"-adds unsuspected layers of meaning to Cervantes's Don Quixote. George Steiner cites this short story as "the most acute, most concentrated commentary anyone has offered on the business of translation." In an age where many discussions of translation revolve around the dichotomy faithful/unfaithful, this book will surprise and delight even Borges's closest readers and critics.

William Faulkner Manuscripts Simon and Schuster
Hailed by critics and scholars as the most valuable study of Faulkner's fiction, Cleanth Brooks's William Faulkner: The Yoknapatawpha Country explores the Mississippi writer's fictional county and the commanding role it played in so much of his work. Brooks shows that Faulkner's strong attachment to his region, with its rich particularity and deep sense of community, gave him a special vantage point from which to view the modern world. Brooks's consideration of such novels as *Light in August*, *The Unvanquished*, *As I Lay Dying*, and *Intruder in the Dust* shows the ways in which Faulkner used Yoknapatawpha County to examine the characteristic themes of the twentieth century. Contending that a complete understanding of Faulkner's writing cannot be

had without a thorough grasp of fictional detail, Brooks gives careful attention to "what happens: In the Yoknapatawpha novels. He also includes useful genealogies of Faulkner's fictional clans and a character index.

Invisible Work Moody Publishers

Brenda Ueland was a journalist, editor, freelance writer, and teacher of writing. In *If You Want to Write: A Book about Art, Independence and Spirit* she shares her philosophies on writing and life in general. Ueland firmly believed that anyone can write, that everyone is talented, original, and has something important to say. In this book she explains how find that spark that will make you a great writer. Carl Sandburg called this book the best book ever written about how to write. Join the millions of others who've found inspiration and unlocked their own talent.

Above the Water Simon and Schuster

"I believe that man will not merely endure: he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but because he has a soul, a spirit capable of compassion and sacrifice and endurance." —William Faulkner, on receiving the Nobel Prize
Go Down, Moses is composed of seven interrelated stories, all of them set in Faulkner's mythic Yoknapatawpha County. From a variety of perspectives, Faulkner examines the complex, changing relationships between blacks and whites, between man and nature, weaving a cohesive novel rich in implication and insight.

Requiem for a Nun LSU Press

Faulkner and Hurston is a collection of literary criticism from the 2016 Faulkner/Hemingway Conference at Southeast Missouri State University. *Faulkner and Hemingway* is Volume Six in

Southeast's Faulkner Conference Series.

The Wild Palms Phalena Press

"This saga of bad luck and good company is a wry, scary, heartfelt ode to the traverses we have to make in life when we're at the end of our rope and there's no net below us." —ELLE
When Hattie's moody boyfriend dumps her in Paris, she returns home to find that her sister Min is in the psych ward again. Freaked out by the prospect of becoming a surrogate mother to Min's kids, Logan and Thebes, Hattie decides to take them in the family van to find their father, last heard to be running an idiosyncratic art gallery in South Dakota. What ensues is a remarkable journey across America, as aunt and kids—through chaos as diverse as their personalities—discover one another to be both far crazier and far more normal than any of them thought.

Call It Sleep Crossroad

Winner of the Hugo Award! In *A Psalm for the Wild-Built*, bestselling Becky Chambers's delightful new Monk and Robot series, gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
