How Archaeology is Reshaping the Middle East Prophecy Depot Publishing

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

The King of the South Kregel Academic

The Arab Spring, the continuing Israel - Palestine conflict... why does the Middle East dominate the news headlines so often? One obvious answer is oil, the lifeblood of our modern world. The crucial importance of oil alone ensures that the Middle East will remain in the headlines for years. The Middle East is also the birthplace of the world's three great monotheistic religions—Judaism, Christianity and Islam. It has also been the battlefield for each religion—trying to control the territory they consider holy. Nowhere are these conflicts more obvious than in Israel, and specifically in Jerusalem. Whether you understand it or not, events in the Middle East are destined to affect the lives of every person on earth! Bible prophecy gives us the clues to understand what will happen. This ebook, "The Middle East in Bible Prophecy", will help you better understand the troubled history of the Middle East—and its tumultuous future. Chapters in this ebook: -- Introduction: Worlds in Turmoil -- The Middle East: Worlds in Collision -- The Sons of Abraham -- The Rise and Fall of Ancient Israel -- The Four Empires of Daniel's Prophecies -- The Coming of Islam -- The Jews: From the Dispersion to the Modern Israeli State -- The Creation of the Modern Middle East -- A Rising Tide of Arab Nationalism -- Fundamentalist Islam Resurges -- Anger Mounts Following Gulf War -- Not Enemies Forever -- "Why Do People Hate Us So Much?" -- War and Peace in the Middle East -- What Is the "Abomination of Desolation"? -- Prophecy of an Arab Confederation -- What Should You Do? Inside this Bible Study Aid ebook: "It's impossible to understand the present Middle East without a knowledge of the three great religions that emanate from the area—Judaism, Christianity and Islam. These three faiths all trace their spiritual roots back to the same individual, Abraham." "However, conflict between Christians and Muslims has been a constant theme of history for 14 centuries." "Many other factors have contributed to the rise of Islamic

fundamentalism and subsequent terrorism, including the Israeli-Palestinian problem and the domination of American culture."

"After so much death and destruction, and centuries of war and unrest in the Middle East, imagine what a difference the second coming of Jesus Christ will make."

The Destiny of Israel and the Church Philadelphia Church of God (Foreword by Eugene H. Merrill) A compelling call for Christians to rethink the role of Arabs—also descendents of Abraham and recipients of his blessing.

Jesus Through Middle Eastern Eyes United Church of God

The complete 16-volume set of Swindoll's Living Insights New Testament Commentary draws on 13-time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible, verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. A must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.

The Middle East in Bible Prophecy Kregel Academic

With nearly 20 Bible prophecy books published, Mark Hitchcock has distinguished himself as a trustworthy and solidly biblical prophecy teacher. Middle East Burning helps make sense of the bewildering firestorms raging in the Arabic-Israeli world.

Widespread revolutions in multiple Arab nations. New powers rising to challenge entrenched despots and ruling bodies. Bitter new conflicts further enflaming the many already in place. And a pall of uncertainty over how it will all play out. Indeed the Middle East is burning. How can we make sense of it all? At first glance the many hotspots may seem without a pattern, without rhyme or reason. But a look at Scripture helps paint a clear picture of what's taking place, giving insight on current events in Egypt, Libya, Sudan, Russia, Turkey, Iran, Syria, and more. A riveting and timely survey of things now and things to come!

What Should We Think About Israel? Simon and Schuster

The accounts of the Holy Land's history in the Bible have for years been taken for granted, but recently, a body of dramatic discoveries has raised the questions about many of the most widely accepted Biblical narratives. Amy Dockser Marcus examines this research which is changing not only our understanding of Scripture but the face of the Middle East today. Marcus takes the reader on a tour of the Old Testament to reveal startling new discoveries about the history of that time, and reminds us that the problems that plague the modern Middle East have their roots in Biblical times - and may find their solutions there as well. Marcus's extensive research included visits to digs in Egypt, Jordan, Israel and the West Bank, where she interviewed archaeologists, Bible scholars, government officials and historians.

End Times, the Middle East, and the New World Order

CreateSpace

The next time you read about peace in the Middle East, consider the facts: For over 4,000 years, the Middle East has been fraught with cultural, political and religious violence. Much of this history is recorded in the history book almost no one relies on the Holy Bible. And what makes the Bible so unique, compared to other

historical accounts, is that it is recorded much of this history before it occurred! In this booklet: • A Great Conflict • The End of Persia Prophesied • Alexander's Empire Divided • Kings of the North and South • Antiochus Epiphanes • The New King of the North • Prophecy Shifts to End Time

Nuclear Iran and the Future of Israel, the Middle East, and the United States in Bible Prophecy Harvest House Publishers

This unique book offers a Catholic view of the Holy Land in the debate that rages among Jews, Christians, and Muslims. Alain Marchadour and David Neuhaus, two biblical scholars and priests living in Jerusalem, clearly analyze the Promised Land-as concept, history, and contested terrain-in Catholic teaching and doctrine. They offer an analytical reading of the entire Christian Bible (Old and New Testaments) with reference to the idea of the Land promised by God. They explore early and medieval attitudes, especially with regard to the Holy Places and the Jewish people. Moving carefully to the present day, they focus on anti-Semitism, the tragedy of the Shoah, Western colonialism in the Middle East, the creation of the State of Israel, and the birth of the Palestinian refugee problem as they examine Catholic reactions to the tumultuous events of the nineteenth and twentieth centuries, particularly the renewal of Catholic thought in the aftermath of the Second Vatican Council. Studying the most recent Church documents, Marchadour and Neuhaus confront the ongoing struggle for peace, justice, and reconciliation in the Middle East. This illuminating book is an essential tool for all those struggling to understand the links between the Bible, the Church, and contemporary Middle Eastern realities, especially in Israel and Palestine.

The Bible Unearthed Harvest House Publishers

The One Resource with All the Facts You hear about Israel in the news regularly, but beyond the many opinions and preconceptions, do you really know what to make of the conflicts and controversies in the Middle East? What Should We Think About Israel? exposes the main current issues and provides well-researched objective facts to help you learn the truth about Israel's past, present, and future. This compilation from experts including Walter Kaiser, Jr., David Brickner, Mitch Glaser, Michael Brown, Arnold Fructenbaum, and Steven Ger, will help you answer the tough questions: What is the history of the strife and suffering that continues in Israeli and Palestinian territories—and what are the potential solutions? What are the significant and long-term implications of locating the US Embassy in Jerusalem? Why is the Holocaust still such a big deal nearly 75 years after it happened? What is the Boycott, Divestment, Sanctions movement all about? What is being done to restore relations between Jews and Arabs? Learn from respected scholars how to look past the heated debates and discern for yourself what is important to know about Israel, and how that affects you today. Thomas Nelson

What's ahead for the United States and Britain? Is the world's most powerful nation—the United States of America—overlooked in Bible prophecy? Why are relatively small powers like Egypt, Syria and Lebanon mentioned, but no nation recognizable as the United States can be found? What about other major English-speaking nations such as the United Kingdom, Canada and Australia? In fact, many prophecies do mention these nations. But, without a proper understanding of history and the Scriptures, few can identify these countries and understand what lies ahead for them. The Bible study aid booklet, *The United States and Britain in Bible Prophecy*, takes you on a remarkable journey through history and Bible prophecy to reveal an incredible story with sobering implications for the major English-speaking nations. You can't afford to be without this priceless information. Chapters

in this ebook: -- Two Nations That Changed the World -- God's Commitment to Abraham and His Descendants -- What Is a Biblical Covenant? -- How God Shaped Israel's Future -- Does God Keep His Word? -- How Jacob Became Abraham's Heir -- Israel's Golden Age -- With Justice for All -- International Trade: A Source of Solomon's Wealth -- God's Covenant With David -- Were All the Israelites Deported? -- Are All Israelites Jews? -- The Mysterious Scythians Burst Into History -- Celts and Scythians Linked by Archaeological Discoveries -- Linguistic Links: What's in a Name? - - The Label Celt and Celtic Society -- Prophecies of Israel's Resettlement in Northwestern Europe -- Britain and the United States Inherit Joseph's Birthright -- Benjamin Disraeli: Maestro of Empire -- Advocates of British-Israelism -- The Bible In British and American History -- From Punishment to Destiny -- Dual Fulfillment in Bible Prophecy -- The Geography of Celtic-Scythian Commerce Inside this Bible Study Aid ebook: "Why has history been so benevolent and economically generous to Britain and the United States? Why have they been blessed so favorably over the nations that preceded them in history? The answer lies in the understanding and fulfillment of biblical prophecy." "God's promise to Abraham was not limited to a small and ancient people in the Middle East. It extends far into the future, and it is not limited by national boundaries." "Where can we find the descendants of Joseph, the lost tribes of Ephraim and Manasseh? This list of blessings eliminates most of the nations of the world as contenders. To find them we must ask: Which nations possess these blessings in our world?" "When we understand that the modern descendants of Joseph are the people of the United States and Britain, we see that over the past three centuries God has been true to His promises." "Though the United States and Britain do not appear in the Bible's prophecies of the end time under their present names, God hasn't ignored these nations. He identifies them in prophecy according to their ancestry. Most people simply haven't known where to look for them."

Are We Living in the Time of the End? Lulu Press, Inc

The news headlines from the war-torn Middle East are constantly changing, and though those countries are on the opposite side of the globe, the events unfolding there have a powerful effect on America. But the complexity of all that's happening makes it difficult to understand what it means and how it affects us. Authors John Ankerberg and Dillon Burroughs help bring clarity to the issues as they answer these important questions: Why does peace continue to elude the Arab nations and Israel? What part does Middle East oil have in all this? Where do Iran, Lebanon, and Hezbollah fit into the big picture? What can we expect from today's new breed of terrorists? What does the United States have at stake? Readers who have perceived the Middle East conflict as too complicated to understand will gain a new appreciation for how today's events fits into God's plan for the future.

Middle East Conflict Rowman & Littlefield

The relationship between the church and Israel has been the source of passionate debate among Christians throughout much of church history. In recent years the traditional pro-Israel stance of evangelicals has come under fire by those who support the Palestinian cause, calling for a new perspective and more nuanced approach by Christians who believe that the land of Israel belongs to the Jewish people by virtue of God's covenants and promises. Israel, the Church, and the Middle East challenges the supersessionist drift of the modern church, showing that God retains a plan and purpose for the Jewish people while also addressing a number of the divisive issues raised by authors critical both of Israel and of those who affirm Israel's right to the land. The book explores the hermeneutics and wider effects of the conflict, such as the growing antipathy within the church

toward the evangelization of the Jewish people. It provides readers with an objective and interdisciplinary treatment, which is irenic and respectful in tone. The book is directed toward pastors, global Christian leaders, theological students, and well-read lay Christians who are actively seeking guidance and resources regarding the Middle East conflict. The contributors represent a broad evangelical spectrum.

Storm Clouds On The Horizon Harvest House Publishers

'Why is the tiny country of Israel the focus of world attention?' 'How can true justice and peace come to the middle east?' 'How do the history and future of Israel affect Christians today?' These are among the questions tackled by Derek Prince in this thorough study of God's prophecies concerning the land and people of Israel. Rigorous biblical analysis reveals how the destiny of Israel, while clearly distinct from the destiny of the Church, is interwoven with it. Israel is now at the centre of a powerful clash of forces but God has established firm covenants with both Israel and the Church, so the restoration of Israel must be of profound concern for Christians if the reliability of Scripture is not to be called into question. Derek Prince calls on Christians to acknowledge their spiritual debt to Israel and uphold her in prayer.

Arabs in the Shadow of Israel Moody Publishers

Having been born in the Middle East and raised among Arabs, Christians, and Jews, Pastor Hinn has a truly unique perspective on the Middle East. He shares personal memories of growing up in the region, scriptural prophecies pertaining to the current crisis, and his own heart regarding what he believes is on the horizon. (Practical Life)

Jacob-Israel Vs. Esau-Edom Whitaker House

In *Jesus of Arabia*, the Reverend Canon Andrew Thompson introduces an unfamiliar Jesus—Jesus in the context of his home in the Middle East. Whether readers believe Jesus to be a prophet or the messiah, Thompson enhances our understanding of his work and character by looking at his social context as a man and Middle Easterner. Jesus's teachings take on new meaning as Thompson explores themes including family in Arabia, gender roles in the region, food culture, and more. *Jesus of Arabia* looks at the bridges between Islam and Christianity through the figure of Jesus and how the two communities may reflect each other despite their differences. Thompson draws on his experience as a priest in the Anglican Church and his many years living in the Middle East to analyze the often conflicting roles and loyalties concerning family, culture, and God. A timely and incisive work, *Jesus of Arabia* invites us to consider contemporary views of the Middle East and how a figure like Jesus might be received today.

What Can We Expect Next in the Middle East? Harvest House Publishers

Judaism, Christianity, and Islam all feature parallel accounts of the "end times," and all three accounts feature a messianic Savior, an apocalyptic final war between good and evil, and a central role for the city of Jerusalem. Do these three "end times" scenarios intersect in some way? In a world that cries out for peace, which will prevail—Jesus or jihad?

The Land, the Bible, and History Harvest House Publishers

What does Bible prophecy tell us about the time of the end? Are we living in the end time? When will be the end of the world? For thousands of years people have been fascinated with predictions of the end of the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in

mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. This eye-opening Bible study aid booklet, *Are We Living in the Time of the End?*, examines exactly what Jesus, His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end. You need this vital information! Chapters in this ebook: -- Are We Living in the Time of the End? -- What Is the Time of the End? -- A World in Perpetual Crisis -- Noah and Our Time: A Sobering Parallel -- The End of the Age -- The Time of the End: The End of What? -- Biblical Terms for the Coming End of Man's Age -- Jesus Christ's Olivet Prophecy: Where Are We Now? -- Did Jesus Christ Foretell Devastating Storms? -- 'This Generation Will Not Pass' -- The End Time in the Book of Revelation -- The Population Explosion and Prophecy -- God's Framework for End-Time Prophecy -- Preparing for the End Time -- What Can You Do? Inside this Bible Study Aid ebook: "But we should remember that Jesus made it clear that no one could know the exact time of His return: "... Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come."" "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."

Christ through Middle Eastern Eyes Philadelphia Church of God

One Nation Holds the Key to the Destiny of Mankind Though it may seem distant from our modern lives, the drama playing out in the Middle East on the world stage has consequences beyond what we can imagine. And in the tumult of it all, one tiny nation will become the watershed of world events, affecting us all. In this accessible, behind-the-scenes guide, internationally renowned teacher and scholar Derek Prince goes beyond the headlines and immerses you in what the Bible has to say about Israel. Tracing her long, astonishing history, he offers insight into the mounting tension and exposes the destructive enemy now stalking this war-torn land. Accessible and fascinating, *The Key to the Middle East* also reveals God's plans for all nations--and what our future could look like. Prince's depth of understanding and interpretation of Scripture will challenge and encourage you. But above all, you will be brought face-to-face with the God who remembers, honors and lovingly guards His promises to His people.

The Unfolding of God's Prophetic Plan for Ishmael's Line United Church of God

Is global peace and prosperity really just around the corner, or should people take a more critical look at world events and lofty political promises? Ed Hindson analyzes the current world scene in light of Bible prophecy, from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace.

Understanding the Middle East Through Biblical Prophecy United Church of God

The conflict in the Middle East raises many questions for Americans, Christians, and the world community. Randall Price, a bestselling author and expert in Middle Eastern studies, provides concise answers to those questions. In a practical Q-and-A format with maps, charts, and sidebars, this book unveils a fascinating timeline of the conflict development as it answers: Why is

America involved? What are the common misconceptions about the conflict? How does the truth differ from the headlines? Is there a way to resolve this situation? Price's knowledge of Israel, Islam, and the current controversies provides an insider's information in a quick-reference format. Readers will be able to understand the complex issues appearing in today's media reports.
