A House of Night Novel St. Martin's Griffin

Fulfilling a promise made to his mother when he was a child and she was losing her battle against cancer, Jacques Besnainou tells her story as a "hidden" child in France during World War II. He chronicles the struggles and survival of two families: his mother's and his mother-in-law's. Both lived through a terrifying ordeal provoked by the willful blindness of a government gone mad. And both were rescued thanks to the miraculous intervention of courageous people who listened to their conscience and challenged the established order, often at the expense of their own lives. In 1940, about 330,000 Jews lived in France, and three-quarters survived thanks to the exemplary altruism of ordinary French people. This book pays homage to them. Every story and location, as well as most of the dates and names, are true. Some details have been slightly romanticized to add texture and readability to this novelized history.

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it

through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

Betrayed is the true story of two men on opposing sides in WWII, one a sergeant in the US Air Corps and the other a Nazi rocket engineer. The sergeant was shot down, betrayed, and imprisoned in Buchenwald, while the engineer, an SS-Major, became a national hero of the Third Reich. After the war, the records of both men were classified Top Secret and concealed by threats, denials, and misrepresentations. The US government refuted the sergeant's accurate account, while promoting a fabricated history for the engineer, Dr. Wernher von Braun, who became as famous in the US as he had been in Nazi Germany. Betrayed demonstrates how an unconstrained military intelligence operation disrupted the lives of American ex-POWs in the name of "National Security."

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found

sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?
