*Vigyan bhairav tantra* Vk Publications

A Yakshagana folk theatre piece, combining music, dance and drama. Two young heroes, Devadatta, a man of the intellect, and Kapila, a man of the body, are both attracted to Padmini, who marries Devadatta. When the rivalry threatens their friendship each man commits suicide by cutting off his own head. Through the intervention of the goddess Kali the men are brought back to life but Padmini accidentally mixes the heads up, attaching them to the wrong bodies. A subplot fleshes out the theme of the search for completeness: Hayavadana wants to lose his horse's head and become fully human.

Key points Fully updated, new edition providing students with comprehensive guide to biochemistry Includes a free booklet of revision exercises and free online access Highly illustrated with nearly 1500 figures, images, tables and illustrations Previous edition published in 2010

*Inventory of Sanskrit Scholars* Vani Prakashan

His real name was Dhanpat Rai but he is better known by his pen name Munshi Premchand. He has been read and studied both in India and abroad as one of the greatest writers of the century. Premchand's literary career started as a freelancer in Urdu. In his initial short stories he has depicted the patriotic upsurge that was sweeping the country in the first decade of the 19th century. In 1914, Premchand started writing in Hindi. Premchand was the first Hindi author to introduce realism in his writings. He pioneered the new art form of fiction with a social purpose. He wrote of the life around him and made his readers aware of the problems of the urban middle-class and the country's villages. Besides being a great novelist, Premchand was also a social reformer and thinker. Pratigya is the story about a young idealist who takes on himself the task of social upliftment and progress. It gives a vivid description of the society during that era and the obstructions that were faced by the few who believed in a new and better country by the removal of social evils prevalent during those times.

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again.//Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

Embrace the opportunity to explore this profound work. Purchase "The Buddha and His Dhamma" today and embark on a journey of spiritual insight and growth.

**Reality at Dawn** Legare Street Press

Translated by the author 'Tamasdrove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

Learn about the most important discoveries and theories of this science in The Biology Book. Part of the fascinating Big Ideas series, this book tackles tricky topics and themes in a simple and easy to follow format. Learn about Biology in this overview guide to the subject, great for novices looking to find out more and experts wishing to refresh their knowledge alike! The Biology Book brings a fresh and vibrant take on the topic through eye-catching graphics and diagrams to immerse yourself in. This captivating book will broaden your understanding of Biology, with: - More than 95 ideas and events key to the development of biology and the life sciences - Packed with facts, charts, timelines and graphs to help explain core concepts - A visual approach to big subjects with striking illustrations and graphics throughout - Easy to follow text makes topics accessible for people at any level of understanding The Biology Book is a captivating introduction to understanding the living world and explaining how its organisms work and interact - whether microbes, mushrooms,

or mammals. Here you'll discover key areas of the life sciences, including ecology, zoology, and biotechnology, through exciting text and bold graphics. Your Biology Questions, Simply Explained This book will outline big biological ideas, like the mysteries of DNA and genetic inheritance; and how we learned to develop vaccines that control diseases. If you thought it was difficult to learn about the living world, The Biology Book presents key information in a clear layout. Here you'll learn about cloning, neuroscience, human evolution, and gene editing, and be introduced to the scientists who shaped these subjects, such as Carl Linnaeus, Jean-Baptiste Lamarck, Charles Darwin, and Gregor Mendel. The Big Ideas Series With millions of copies sold worldwide, The Biology Book is part of the award-winning Big Ideas series from DK. The series uses striking graphics along with engaging writing, making big topics easy to understand.

**When Stone Melts, and Other Stories** Independently Published

This book is actually a sentinel of love. The cacophonous chatter, sharing of experiences, lessons learnt by each other all so robustly, so patiently developed this fetish for writing of this mother and daughter duo. How we envision our children carrying on with a legacy or a leisure and see them beautifully reciprocate the same is a miracle which is so heart warming. Hope that the words and the feelings strike a chord with everyone who reads them. The poems are on diverse virtues and experiences which in turn revolute to form this big gamut of life. In a world full of words this is our attempt from the heart to bring forth a Pandora of contradictions. Happy reading to each one of you.

**Hayavadana** Little, Brown

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more than half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

Reality at Dawn Is one of the greatest yogic texts of the modern era. Written in the 1940s by Ram Chandra of Shahjahanpur, known as Babuji, it lights the path for seekers to explore Realisation and further onwards to the Centre of existence itself. Babuji writes in simple language, unravelling the most profound principles and wisdom, and it is from this deep wisdom that the practices of Heartfulness emerged. "Babuji has laid out the practical steps to reach the highest spiritual state available to human beings. He has also made this possibility available to all, no matter their current level of attainment, culture, education or background. In doing so, he has demystified spirituality and given it to the people."

*All of Us in Our Own Lives* Arihant Publications India limited  
"Essential reading for anyone who wants to understand history – and then go out and change it." –President Barack Obama  
Nelson Mandela was one of the great moral and political leaders of his time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. After his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela was at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is still revered everywhere as a vital force in the fight for human rights and racial equality. *Long Walk to Freedom* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela told the extraordinary story of his life -- an epic of struggle, setback, renewed hope, and ultimate triumph. The book that inspired the major motion picture *Mandela: Long Walk to Freedom*.

*That Long Silence* Prabhat Prakashan

A beautiful story of strangers who shape each other's lives in fateful ways, *All of Us in Our Own Lives* delves deeply into the lives of women and men in Nepal and into the world of international aid. Ava Berriden, a Canadian lawyer, quits her corporate job in Toronto to move to Nepal, from where she was adopted as a baby. There she struggles to adapt to her new career in international aid and forge a connection with the country of her birth. Ava's work brings her into contact with Indira Sharma, who has ambitions of becoming the first Nepali woman

director of a NGO; Sapana Karki, a bright young teenager living a small village; and Gyanu, Sapana's brother, who has returned home from Dubai to settle his sister's future after their father's death. Their journeys collide in unexpected ways. *All of Us in Our Own Lives* is a stunning, keenly observant novel about human interconnectedness, about privilege, and about the ethics of international aid (the earnestness and idealism and yet its cynical, moneyed nature).

**English-Hindi Dictionary of Technical Terms** S. Chand Publishing

Indian philosopher, poet, mystic and Yogi, Sri Aurobindo, argued that human society has evolved throughout history and is destined to move towards better organization of life. Applying his ideas to problems confronting the world today, this collection presents an in-depth exploration of Aurobindo's evolutionary philosophy and Integral Yoga. Written by an international team of scholars and practitioners, each chapter takes a theoretical aspect of Sri Aurobindo's philosophy, positions it alongside policy debates on the individual and the state and explains its practical and educational benefits. Contributors discuss his vision of unity in diversity, shed light on his poetry and offer a comprehensive view of his concept of ethics as well as his metaphysics of consciousness. They examine his contribution to the Indian response to post-Enlightenment modernity and reveal how his philosophy illuminates some of the fundamental problems of our times, offering possible solutions. By presenting the first sustained discourse between Sri Aurobindo and the contemporary world, this collection addresses the relevance of his philosophy for everyday life and highlights the lasting work of this important 20th-century Indian thinker.
