Management* Baker Books

Decline can be avoided. Decline can be detected. Decline can be reversed. Amidst the desolate landscape of fallen great companies, Jim Collins began to wonder: How do the mighty fall? Can decline be detected early and avoided? How far can a company fall before the path toward doom

becomes inevitable and unshakable? How can companies reverse course? In *How the Mighty Fall*, Collins confronts these questions, offering leaders the well-founded hope that they can learn how to stave off decline and, if they find themselves falling, reverse their course. Collins' research project—more than four years in duration—uncovered five step-wise stages of decline: Stage 1: Hubris Born of Success Stage 2: Undisciplined Pursuit of More Stage 3: Denial of Risk and Peril Stage 4: Grasping for Salvation Stage 5: Capitulation to Irrelevance or Death By

understanding these stages of decline, leaders can substantially reduce their chances of falling all the way to the bottom. Great companies can stumble, badly, and recover. Every institution, no matter how great, is vulnerable to decline. There is no law of nature that the most powerful will inevitably remain at the top. Anyone can fall and most eventually do. But, as Collins' research emphasizes, some companies do indeed recover—in some cases, coming back even stronger—even after having crashed into the depths of Stage 4. Decline, it turns out, is largely

self-inflicted, and the path to recovery lies largely within our own hands. We are not imprisoned by our circumstances, our history, or even our staggering defeats along the way. As long as we never get entirely knocked out of the game, hope always remains. The mighty can fall, but they can often rise again.

Silos, Politics and Turf Wars "O'Reilly Media, Inc."

Church growth models have often been long on promises and short on disciple-making. We continue to watch consistent church attendance shrink, and our desire to reach the lost is infected with a need for self-validation by growing our numbers at any cost. If we believe that God wants his church to grow, where do we go from here? What is the future of the church? Drawing from his 20 years and 15,000 hours of consulting, author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth. With plenty of salient stories and based solidly on the disciple-making methods found in Scripture, *Future Church* exposes the church's greatest challenge today, and offers 7 transforming laws of real church

growth so that we can faithfully and joyfully fulfill Jesus's Great Commission.

The Fred Factor John Wiley & Sons

Based on my work with executive teams over the past ten years, I've come to the conclusion that teamwork remains the single most untapped competitive advantage for any organization. Whether you work in a corporation, a non-profit, or a small, entrepreneurial venture, finding a way to minimize politics and confusion within your organization can lead to extraordinary improvement in morale, productivity, and results. -Patrick Lencioni
Based on the best-selling leadership fable *The Five Dysfunctions of a Team*, the new edition of this easy-to-use workbook provides participants with an opportunity to explore the pitfalls that are side-tracking their team. Beginning with a 38-item team assessment, the workbook guides participants through *The Five Dysfunctions of a Team*: Absence of Trust, Fear of Conflict, Lack of Commitment, Avoidance of Accountability, Inattention to Results. Ideal for team off-sites and retreats or even a series of team development meetings, this workbook is an excellent team development tool. It will

allow teams of all types to begin the process of increasing cohesiveness and productivity.

Kanban from the Inside John Wiley & Sons

"I set myself the task of describing the 'humane, start with what you do now approach to change' not as a productivity tool, but as a management method built around a strong framework of values—a way to help organizations work better for their people, their customers, and other stakeholders." - Mike Burrows, author
Kanban from the Inside takes a distinctive approach to the Kanban Method—using a system of nine values to explain what it is, to give insight into how its practitioners think, and to offer practical advice on how to apply it. Readers new to Kanban will understand why and how it works, while those with experience will appreciate its fresh perspective and the connections it makes with a range of related models. Part I draws on real-world experience to explain the Kanban Method through nine values: transparency, balance, collaboration, customer focus, flow, leadership, understanding, agreement, and respect. It also introduces Kanban's three Agendas and the Kanban Lens. Part

It describes other models useful to understanding and applying the Kanban Method more effectively. It is a tour through related bodies of knowledge, including Systems Thinking, Lean, Agile, and Theory of Constraints. Part III is a step-by-step implementation guide that brings up to date the Systems Thinking Approach to Introducing Kanban (STATIK). It offers practical ways to capture and address in your Kanban implementation the needs of your organization, your colleagues, and your customers. -----

----- "This book is the new standard that I will recommend to anyone getting started with Kanban." -Wolfgang Wiedenroth, Kanban Trainer/Coach, it-agile
 "It is not focused just on the mechanics of the kanban board; rather it explains everything you need around it to keep a Kanban initiative moving." -Klaus Leopold, Kanban Trainer/Coach, LEANability
 "This gave me a deeper understanding of familiar concepts and introduced concepts new to me." -Kevin Murray, Delivery Director, Valtech UK

A Coach's Guide to Developing Exemplary Leaders John Wiley & Sons
 A master class in achieving and sustaining

excellence, even in the most challenging of times—from the host of The Learning Leader Show and author of Welcome to Management Millions of business professionals aspire to become effective leaders. But for hardworking, growth-oriented top performers who are always looking to improve and for rigorous thinkers who are never quite satisfied with the status quo, the true goal is the lifelong pursuit of excellence. Leadership advisor Ryan Hawk has interviewed hundreds of the most productive achievers in the world on his acclaimed podcast, The Learning Leader Show, to discover the best practices for pursuing and sustaining excellence. He found a pattern of uncommon behaviors that set these stellar individuals apart. By following their examples, you will learn how to: Commit to yourself and the process—and build purpose, focus, and discipline Develop resilience to face new challenges—and find inspiration for the long haul Seek guidance—and lead others to new heights Meet the moment—and make the most of every opportunity to excel Create a trusted group of advisors—and become a lifelong learner Packed with specific

actions to take, experiments to run, and tools to analyze what works best for you, this uncompromisingly practical guide will inspire, challenge, support, and empower you to become your very best. Put mindsets into action and turn behaviors into habits with The Pursuit of Excellence. *Read This Before Our Next Meeting* Shortcut Edition

A guide that shows how any organisation can harness the power of change by applying the cutting-edge discipline of portfolio management. Features:
 Enormous potential audience. The authors provide software and software services to over 500,000 individuals world-wide. In addition, the authors will use the book for presentations to senior members of the Project Management Institute, an organisation with over 500,000 members in more than 170 countries; A user-friendly introduction to a tremendously powerful management system. With clever graphics and case studies drawn from the authors' fifty years of combined experience, this book is essential reading for anyone seeking an effective and adaptable approach to managing organisations in a world of constant change; The first book to

show companies how to unify the portfolio management process. While hundreds of books have been written about various portions of this system, this is the first book to synthesise all the information into one definitive treatment and expand the scope of project portfolio management to company--wide applications.

The Five Dysfunctions of a Team Figure 1 Publishing

The Performance Principle is written for any manager, supervisor, or business leader who feels there must be a better, more systematic way to motivate their team and achieve phenomenal results. It tells the fictional story of Will Campbell, the newly promoted executive in charge of the Hyler manufacturing facility. The company has fallen on hard times and Campbell is given a year to turn around Hyler's fortunes, a feat made all the more challenging because of the discontent among all of Hyler's employees, from management to sales to the unionized shop floor. Over the course of several tumultuous months, Campbell and his team learn the unique principles of performance management and the powerful results it can deliver. Unique,

lively and powerfully effective, The Performance Principle illustrates the fundamentals of performance management, providing a model that allows the reader to understand exactly what motivates people in the workplace, and how to align this with the organization's strategy.

Future Church Gildan Media LLC aka G&D Media

This book will change your mind forever about that "useless" meeting you are forced to attend. Paul Axtell emphasizes that meetings are vital to the work of successful organizations--we need to master the skill sets for designing, leading, and participating in meetings. A consultant with more than 30 years in the business, Axtell outlines 8 strategies with a host of compelling ideas you can put into action immediately. This is a book for the manager who recognizes that meetings are at the core of the work you do, the supervisor who wants to be wonderful to work for, the employee who wants to contribute as much as possible, the project leader who wants every team meeting to add velocity to the project. Meetings are essential. So let's make them work.

The Motive John Wiley & Sons

Your guide to becoming an explanation specialist. You've done the hard work. Your product or service works beautifully - but something is missing. The Art of Explanation is your invitation to become an explanation specialist and see why

explanation is now a fundamental skill for professionals.

The Five Dysfunctions of a Team: Poster, 2nd Edition FT Press

Read This Before Our Next Meeting is Al Pittampalli's accessible guide on making meetings more effective, efficient, and worthy of attending. The average office worker spends eleven hours in meetings every week. Yet all that time sitting around a conference table hasn't made us more productive. If anything, meetings have made work worse. Traditional meetings reduce efficiency, kill urgency, and breed compromise and complacency. But there is a solution, a way to have fewer, shorter, more purposeful meetings: Al Pittampalli's Modern Meeting Standard. By following its eight simple but radical principles you may never have to attend a useless meeting again. 'I dutifully avoid meetings whenever possible, which is pretty much always. If I were to go to meetings, though, I'd want Al to run them.' Chris Guillebeau, author of *The \$100 Startup* and *The Art of Non-Conformity*

The Five Temptations of a CEO John Wiley & Sons

Practical exercises and hands-on tools to

bring to life the timeless advice found in the author's best-selling book, *The Five Dysfunctions of a Team*. In the years following the publication of Patrick Lencioni's best seller, *The Five Dysfunctions of a Team*, fans have been clamoring for more information on how to implement the ideas outlined in the book. In *Overcoming the Five Dysfunctions of a Team*, Lencioni offers specific, practical guidance for overcoming the five dysfunctions, using tools, exercises, assessments, and real-world examples. He examines questions that all teams must ask themselves: Are we really a team? How are we currently performing? Are we prepared to invest the time and energy required to be a great team? Written concisely and to the point, this guide gives leaders, line managers, and consultants alike the tools they need to get their teams up and running quickly and effectively.

The Effective Manager Pfeiffer

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover how to organize dynamic and

efficient work meetings, and thus, gain in productivity. You will also discover that : to be more efficient at work, you should not have fewer meetings, but better structure them; to be useful, a meeting must be a source of debate and allow divergent opinions to be expressed; it is not useful to try to deal with all the subjects at once: each meeting must have its own theme and objective; a well-organized meeting is more productive and saves time. An executive spends most of the day in a meeting. However, the majority of employees are bored at meetings, or even hate them! This problem is common to all companies and hinders employee productivity. However, how can it be solved without putting an end to meetings, which are essential for teamwork? All you have to do is change the way you think about team meetings and your work organization. By setting up more structured, lively and specialized meetings, you will see a clear evolution in the productivity of your employees and the profitability of your company! *Buy now the summary of this book for the modest price of a cup of coffee!

The Art of Explanation John Wiley &

Sons

A commemorative edition of the landmark book from Patrick Lencioni. When it was published ten years ago, *The Five Temptations of a CEO* was like no other business book that came before. Highly sought-after management consultant Patrick Lencioni deftly told the tale of a young CEO who, facing his first annual board review, knows he is failing, but doesn't know why. Refreshingly original and utterly compelling, this razor-sharp novelette plus self-assessment (written to be read in one sitting) serves as a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors that are painfully difficult for each of us to master. Any executive can learn how to recognize the mistakes that leaders can make and how to avoid them. The lessons in *The Five Temptations of a CEO*, are as relevant today as ever, and this special anniversary edition celebrates ten years of inspiration and enlightenment with a brand-new introduction and reflections from Lencioni on new challenges in business and leadership that have arisen in the past ten years.

The Pursuit of Excellence: The Uncommon Behaviors of the World's Most Productive Achievers AMACOM Div American Mgmt Assn

Another extraordinary business fable from the New York Times bestselling author Patrick Lencioni. Written in the same dynamic style as his previous bestsellers including *The Five Dysfunctions of a Team*, Lencioni illustrates the principles of inspiring client loyalty through a fascinating business fable. He explains the theory of vulnerability in depth and presents concrete steps for putting it to work in any organization. The story follows a small consulting firm, Lighthouse Partners, which often beats out big-name competitors for top clients. One such competitor buys out Lighthouse and learns important lessons about what it means to provide value to its clients. Offers a key resource for gaining competitive advantage in tough times. Shows why the quality of vulnerability is so important in business. Includes ideas for inspiring customer and client loyalty. Written by the highly successful consultant and business writer Patrick Lencioni. This new book in the popular Lencioni series shows what it

takes to gain a real and lasting competitive edge.

[Creating a Lean Culture](#) John Wiley & Sons

The how-to guide for exceptional management from the bottom up. *The Effective Manager* is a hands-on practical guide to great management at every level. Written by the man behind *Manager Tools*, the world's number-one business podcast, this book distills the author's 25 years of management training expertise into clear, actionable steps to start taking today. First, you'll identify what "effective management" actually looks like: can you get the job done at a high level? Do you attract and retain top talent without burning them out? Then you'll dig into the four critical behaviors that make a manager great, and learn how to adjust your own behavior to be the leader your team needs. You'll learn the four major tools that should be a part of every manager's repertoire, how to use them, and even how to introduce them to the team in a productive, non-disruptive way. Most management books are written for CEOs and geared toward improving corporate management, but this book is expressly aimed at managers of any

level—with a behavioral framework designed to be tailored to your team's specific needs. Understand your team's strengths, weaknesses, and goals in a meaningful way Stop limiting feedback to when something goes wrong Motivate your people to continuous improvement Spread the work around and let people stretch their skills Effective managers are good at the job and "good at people." The key is combining those skills to foster your team's development, get better and better results, and maintain a culture of positive productivity. The Effective Manager shows you how to turn good into great with clear, actionable, expert guidance.

Practical and hands-on strategies for breaking down silos and minimizing workplace politics In yet another page-turner, New York Times best-selling author and acclaimed management expert Patrick Lencioni addresses the costly and maddening issue of silos: the barriers that create organizational politics. Silos devastate organizations, kill productivity, push good people out the door, and jeopardize the achievement of corporate goals. As with his other books, Lencioni writes Silos, Politics, and Turf Wars as a fictional—but eerily familiar—story. The story is about Jude Cousins, an eager young management consultant struggling to launch his practice by solving one of the more universal and frustrating problems faced by his clients. Through trial and

error, he develops a simple yet groundbreaking approach for helping them transform confusion and infighting into clarity and alignment. In the book, you'll find: Ways to recognize the devastating--and destructive--power of silos
 How to create an overarching thematic goal or rallying cry for your organization
 Strategies for employees to avoid the confusion that often accompanies working in matrix organizations
 Perfect for executives, managers, and other business leaders, *Silos, Politics, and Turf Wars* will also earn a place in the libraries of consultants and other professionals who serve organizations of all sizes.

Getting Naked CRC Press

The blockbuster bestseller now in a manga edition--fully illustrated and fun to read! Beautifully illustrated by Kensuke Okabayashi, this enthralling edition of Patrick Lencioni's massive bestseller gives readers a new format in which to understand the fascinating, complex world of teams. Kathryn Petersen, Decision Tech's CEO, faces the ultimate leadership crisis: Uniting a team in such disarray that it threatens to bring down the entire company. Will she succeed? Will she be

fired? Will the company fail? Lencioni's gripping tale serves as a timeless reminder that leadership requires as much courage as it does insight. Throughout the story, Lencioni reveals the five dysfunctions that go to the heart of why teams--even the best ones--often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. This is a compelling fable with a powerful, yet deceptively simple message for all those who strive to be exceptional leaders. Kensuke Okabayashi (Jersey City, NJ) is a working illustrator, a graduate of the School of Visual Arts, and an instructor at the Educational Alliance Art School in New York City.

The Three Signs of a Miserable Job
 John Wiley & Sons

There is a competitive advantage out there, arguably more powerful than any other. Is it superior strategy? Faster innovation? Smarter employees? No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with

what they know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides. Simply put, an organization is healthy when it is whole, consistent and complete, when its management, operations and culture are unified. Healthy organizations outperform their counterparts, are free of politics and confusion and provide an environment where star performers never want to leave. Lencioni's first non-fiction book provides leaders with a groundbreaking, approachable model for achieving organizational health—complete with stories, tips and anecdotes from his experiences consulting to some of the nation's leading organizations. In this age of informational ubiquity and nano-second change, it is no longer enough to build a competitive advantage based on intelligence alone. The Advantage provides a foundational construct for conducting business in a new way—one that maximizes human potential and

aligns the organization around a common set of principles.

Meetings Suck John Wiley & Sons
Kouzes' and Posner's bestselling *The Leadership Challenge* has been the most trusted source for becoming a better leader for millions of executives. This new

guide from Kouzes and Posner, written in conjunction with coaching experts Elaine Biech, provides practical information and tools for integrating *The Practices of Exemplary Leadership* into a coaching practice or program. Filled with best

practices and success stories as well as worksheets and checklists, this comprehensive resource enables coaches to quickly and easily adapt their coaching regimen to include *The Leadership Challenge* and the Leadership Practices Inventory (LPI).
