The leading text, in a compact, value edition.

*Give Me Liberty!* W. W. Norton

Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

**Am American History** Academic Internet Pub Incorporated

The leading text in the U.S. survey course.

*Give Me Liberty!: An American History (Brief Fourth Edition)* W. W. Norton

This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

*Give Me Liberty!: An American History (Brief Fourth Edition) (Vol. One Volume)* Cram101

The leading text in the U.S. survey course.

*American History: A Very Short Introduction* W. W. Norton

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of

the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

*Brief Edition Give Me Liberty! An American History*

In a miracle of concision, Paul S. Boyer provides a wide-ranging and authoritative history of America, capturing in a compact space the full story of our nation. Ranging from the earliest Native American settlers to the presidency of Barack Obama, this Very Short Introduction offers an illuminating account of politics, diplomacy, and war as well as the full spectrum of social, cultural, and scientific developments that shaped our country. Here is a masterful picture of America's achievements and failures, large-scale socio-historical forces, and pivotal events. Boyer sheds light on the colonial era, the Revolution and the birth of the new nation; slavery and the Civil War; Reconstruction and the Gilded Age; the Progressive era, the Roaring Twenties and the Great Depression; the two world wars and the Cold War that followed; right up to the tragedy of 9/11, the wars in Iraq and Afghanistan, and the epoch-making election of Barack Obama. Certain broad trends shape much of the narrative--immigration, urbanization, slavery, continental expansion, the global projection of U.S. power, the centrality of religion, the progression from an agrarian to an industrial to a post-industrial economic order. Yet in underscoring such large themes, Boyer also highlights the diversity of the American experience, the importance of individual actors, and the crucial role of race, ethnicity, gender, and social class in shaping the contours of specific groups within the nation's larger tapestry. And along the way, he touches upon the cultural milestones of American history, from Tom Paine's *The Crisis* to Allen Ginsberg's *Howl*. *American History: A Very Short Introduction* is a panoramic history of the United States, one that covers virtually every topic of importance--and yet can be read in a single day.

**A Documentary History** W W Norton & Company Incorporated
