Before Night Falls A Memoir

2023-09-04

NOVAK YOUNG

Nocturne Falls Coloring Book Createspace Independent Publishing Platform

A powerful memoir from the Saturday Night Live cast member Cecily Strong about grieving the death of her cousin—and embracing the life-affirming lessons he taught her—amid the coronavirus pandemic. Cecily Strong had a special bond with her cousin Owen. And so she was devastated when, in early 2020, he passed away at age thirty from the brain cancer glioblastoma. Before Strong could attempt to process her grief, another tragedy struck: the coronavirus pandemic. Following a few harrowing weeks in the virus epicenter of New York City, Strong relocated to an isolated house in the woods upstate. Here, trying to make sense of Owen's death and the upended world, she spent much of the ensuing months writing. The result is *This Will All Be Over Soon*—a raw, unflinching memoir about loss, love, laughter, and hope. Befitting the time-warped year of 2020, the diary-like approach deftly weaves together the present and the past. Strong chronicles the challenges of beginning a relationship during the pandemic and the fear when her new boyfriend contracts COVID. She describes the pain of losing her friend and longtime Saturday Night Live staff member Hal Willner to the virus. She reflects on formative events from her life, including how her high school expulsion led to her pursuing a career in theater and, years later, landing at SNL. Yet the heart of the book is Owen. Strong offers a poignant account of her cousin's life, both before and after his diagnosis. Inspired by his unshakable positivity and the valuable lessons he taught her, she has written a book that—as indicated by its title—serves as a moving reminder: whatever challenges life might throw one's way, they will be over soon. And so will life. So make sure to appreciate every day and don't take a second of it for granted.

Plunge! Verso

"Any attempt to reckon with Cuba's torturous twentieth century will have to take into account Arenas's monumental work ... an essential human testimony, joyful and enraged, a triumph of conscience." -- Garth Greenwell The acclaimed memoir of queer Cuban author Reinaldo Arenas chronicling his tumultuous yet luminary life, from his impoverished upbringing in Cuba to his imprisonment at the hands of a Communist regime The astonishing memoir by visionary Cuban writer Reinaldo Arenas "is a book above all about being free," said The New York Review of Books--sexually, politically, artistically. Arenas recounts a stunning odyssey from his poverty-stricken childhood in rural Cuba and his adolescence as a rebel fighting for Castro, through his suppression as a writer, imprisonment as a homosexual, his flight from Cuba via the Mariel boat lift, and his subsequent life and the events leading to his death in New York. In what The Miami Herald calls his "deathbed ode to eroticism," Arenas breaks through the code of secrecy and silence that protects the privileged in a state where homosexuality is a political crime. Recorded in simple, straightforward prose, this is the true story of the Kafkaesque life and world re-created in the author's acclaimed novels.

I Am Cancer Free Createspace Independent Pub

This is a most touching and emotional true story. of the author's battle with cancer. It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Eight years hence she is Cancer Free. It shows what faith in God can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity. Eight years hence, she is now Cancer Free and wants to shout it to the world. The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. She especially wants to acknowledge her loving husband who was a pillar of support throughout her ordeal.

Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power, and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

Night Falls Fast Profile Books

Michael Dante played the title role in *Winterhawk* (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. *Winterhawk* and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress

imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as *Death Valley Days*, *The Big Valley*, *Daniel Boone*, *Custer*, *The Texan*, *Bonanza*, *Maverick*, and *Cheyenne*.

Finding Manana Simon and Schuster

Small print edition 5x8 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear thin under the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became her sanctuary where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her clothing as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the maggot hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disregarded by the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly dominated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her birth and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down the dark road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her family ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner at age 13; she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Yes, she was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Many readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man, and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her parental absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through grace she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. Meredith Coleman McGee, Publisher/Acquisition Editor Meredith Etc., a small press Jackson, Mississippi, USA www.meredithetc.com

Craig Comes planned for a journalism career, while his friends expected him to become a bestselling author. But un-diagnosed Attention Deficit Disorder (ADD) and Depression struck after college. After the writing stopped, delusion and denial lead to poverty. long term joblessness and self-imposed exile. Returning to himself would take 15 years in a journey spanning from California Wine Country to the South African veld. This is his story.

Ireland Born America Bound Before Night Falls A Memoir
Memoir of a heart-wrenching life of a little girl who made it through, though adult life got worse, even through six abusive marriages and lots of illnesses.

A Memoir CreateSpace

This memoir is one of the rare first-hand accounts of a child's life in the Warsaw Ghetto and in hiding on the Aryan side. In this short, beautifully written account, the author weaves together memories from her wartime childhood, reflections on the psychological burdens and damages she carried into her adult life, and accounts of her travel, in the last decade of her life, to contemporary Warsaw, seeking to find traces of the past. In these pages, the reader will encounter events as they were experienced by a child, as well as insights and confessions of an adult- written vividly, honestly, and with striking psychological insight. This unique tapestry of time and perspective makes this book stand out in the vast and growing literature about the Holocaust. This is the black and white version.

[Making Other Plans](#) Penguin UK

The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning. Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb, changed in character, becoming more diffuse and ardent, like heartache.

I, Rigoberta Menchú Balboa Press

Noelle Harrison is a hardworking wife and mother, who resents her husband Wayne's constant forays out of town for work.

Unhappy with the direction her life has taken, she literally bumps into a man who winds up becoming the other man.

A Memoir Penguin

This is a tome of poetry over 350 pages in length, that covers all aspects of life that the bleeding heart of a poet can long to appreciate. Desperation breeds good poetry, and lovesickness breeds desperation, so the lovelorn heart often speaks plainly, and tells stories of the paths we tread.

A Memoir of An Undocumented Childhood Createspace Independent Pub

A beautifully illustrated coloring book from award winning author Kristen Painter's "Nocturne Falls" series.

Estrella 5x8 Penguin

This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

The Book of Knowledge and Wonder punctum books

Childhood memories become warm and rose colored, "and that's as it should be," so said an old friend of mine who shared more than a few with me. Mine, too, are warm and rose colored; but also vivid. Yes, I really do remember being in a crib. Folks challenge me on that once in a while. But for how much longer, I'm not sure. Once the mental concrete hardens, I'll be left with what I can glean from pictures and second hand accounts. So I wrote this book. And of course, one memory led to another. Eleven years of them, the ones I spent growing up Brooklyn. What follows are the good stories of the people who mattered - still matter - to me. Today more than ever, I look at them with warm, rose colored sight, content that my earliest memories are true and valuable.

How I Met, Loved, and Lost Legendary Holocaust Refugee Maria Altmann Createspace Independent Publishing Platform

BBC RADIO 4 BOOK OF THE WEEK and INSTANT NEW YORK TIMES BESTSELLER 'Hunger was a constant, reliable friend in Mei Guo.

She came second only to loneliness.' In China she was the daughter of professors. In Brooklyn her family is 'illegal.' Qian is just seven when she moves to America, the 'Beautiful Country', where she and her parents find that the roads of New York City

are not paved with gold, but crushing fear and scarcity. Unable to speak English at first, Qian and her parents must work wherever they can to survive, all while she battles hunger and loneliness at school. Thus begins an extraordinary story that describes, in vivid colours, days labouring in sweatshops and sushi factories, nights scavenging the streets for furniture, and the terrifying moment when the family emerges from the shadows to seek emergency medical treatment for Qian's mother. Qian Julie Wang's memoir is an unforgettable account of what it means to live under the perpetual threat of deportation and the small joys and sheer determination that kept her family afloat in a new land. Told from a child's perspective, in a voice that is intimate, poignant and startlingly lyrical, *Beautiful Country* is the story of a girl who learns first to live - and then escape - an invisible life. 'A powerful, gripping insight into the world of an undocumented migrant in New York . . . beautifully written, with vivid scenes that linger in the mind long after finishing it' Helena Merriman 'A story that needs to be heard. Moving, beautiful, heartbreaking and even funny . . . I never wanted it to end' Philippa Perry 'Deeply compelling . . . I was moved by the love and resilience of this family thrust into darkness. The book casts an urgent light on a reality that extends way beyond America's borders' Hisham Matar, author of *A Month in Siena* and *The Return* 'Astonishing . . . In restrained but beautiful prose, Wang honours her family's sacrifices, but alerts us to the urgent realisation that they should not be necessary' Nesrine Malik

A Memoir of Andy Griffith and Mount Airy North Carolina Gale Force Press

My father's suspicious death, perhaps at the hands of a small town sheriff's department, forced my mother to flee our hometown--Idamay, West Virginia--a few days after he died in 1954. She was told that he'd hung himself in a jail cell in Fairmont, West Virginia, where he was being held for driving while intoxicated. She was afraid they would do something to her and leave us kids orphaned. Though we left Idamay, that town and our devastating loss followed us. My father's absence, though seldom spoken about, was "present" everywhere we turned. My mother never looked back. But when she died forty-two years later, his death came back to me in full force. I felt compelled to investigate further. I'd heard conflicting stories all my life. This book documents an investigation that yields more questions than answers for the seven-year-old survivor who has an insatiable need to know. This book is about this seven-year-old whose entire life was indelibly marked by this tragic loss that she experienced when she had just reached what is often called the age of reason. Her quest for the truth takes her to places she'd never dreamed she could go. Because there is so much she doesn't know, she finds herself leaning heavily on her imagination to help her to navigate this mysterious and fatherless world.

The Author's True Story about Her Bout with Cancer Profile Books PROCEEDS OF THIS BOOK donated to Civil Liberties Defense Center in Eugene, Ore. which assists varied groups protecting Mother Earth. (www.cldc.org). This book is a mythological telling of memoir, based on true events that happened to the author in and around Dineh (Navajo) lands in Arizona, USA. And within the "hippy" movement in the Pacific Northwest during the 1970's and 1980's. Dineh (Navajo) asked rag tag hippies and the active environmental movement of the time, for help in their resistance to forced relocation by the U.S. Government. Hippies responded happily. "Legends" depicts their converging paths and the treacheries involved in demanding human rights for American Indian nations. Using both mythology and memoir the endnotes of this book help readers to learn about facts of Big Mountain resistance, and the overall landscape of white and Red worlds,

meeting. The story weaves truths otherwise unseen. With Love, as the theme.
