## **RICH BRONSON**

The Education of Ivy Blake W. W. Norton & Company  
The authoritative fashion history of the roots, growth, and offshoots of the quintessentially American preppy style. Preppy offers the first definitive and in-depth volume on preppy fashion, exploring its evolution from its pragmatic origins and presence on elite Eastern campuses in America to its profound influence internationally and metamorphosis on the runway. For the first time, the preppy story is told completely and beautifully with iconic and never-before-published archival and editorial photographs and personal snapshots from the original Ivy elites. Exploring all facets of men's and women's preppy fashion, this vibrant volume is replete with photographs and vintage ads illustrating the iconic elements of prep: from Oxford shirts, khakis, and Shetland sweaters to Peter Pan collars, madras pants, and Lilly Pulitzer tropical blooms. Authors Jeffrey Banks and Doria de La Chapelle also examine the fashion designers who played a major role in shaping the preppy look, from retail pioneers J. Press and Brooks Brothers to Ralph Lauren, who single-handedly marketed not just a look but a lifestyle. Also featured: a band of young twenty-first century Ivy stylists and fashion labels worldwide, who have infused preppy with high-octane design on and off the runway. Preppy is a stunning tribute to an American phenomenon.

Meet Wild Boars Macmillan

President Emerita of the Brooklyn Academy of Music (BAM) Karen Brooks Hopkins pens BAM...and Then It Hit Me, an inspiring memoir of her 36 years at the iconic cultural institution, America's oldest performing arts center. The book has a sharp focus on

concepts such as leadership, innovation, urban revitalization (including the transformation of Brooklyn from Manhattan Outpost to the coolest neighborhood on the planet), as highly successful cultural fundraising played critical roles in the colorful evolution of this world-class cultural juggernaut in the performing arts.

Chronicle Books

It is very hard to be friends with wild boars because they are dirty and smelly, bad-tempered, and rude, but it is also very hard not to fall in love with them! Children's BOMC & Jr Lib Guild.

Cultivating Ivy Style Flatiron Books

"A truly addictive read" (Glamour) about how a young woman's crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying ending in this "twisty, unputdownable, psychological thriller" (People). Ivy Lin is a thief and a liar—but you'd never know it by looking at her. Raised outside of Boston, Ivy's immigrant grandmother relies on Ivy's mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy's mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the

cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, *White Ivy* is a "highly entertaining," (The Washington Post) "propulsive debut" (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who yearns for success at any cost.

*Ivy and Bean Bound to Be Bad* Frances Lincoln

The adventures of Ivy and Bean continue in the latest installment from series creators Annie Barrows and Sophie Blackall. In *Ivy and Bean Take Care of the Babysitter*, the two girls hatch a plan to prove that Bean's big sister is the world's worst babysitter. Of course plans go awry, but fun ensues! The adventures of Ivy and Bean continue in the latest installment from series creators Annie Barrows and Sophie Blackall. The Twin Chronicle Books

Before the "Preppy Look," there was the "Ivy Look." Democratic, stylish, and comfortable, the Ivy Look's impact and influence can be seen to this day in the clothes of designers such as Ralph Lauren and Giorgio Armani, as well as in the more proletarian offerings of L. L. Bean, J. Crew, Dockers, and Banana Republic. From the button-down hip of Steve McQueen, Paul Newman, and Miles Davis to the enduring style of the cast of *Mad Men* — they all knew the true cool of the Ivy Look. The Ivy Look digs deep into the vaults to produce the ultimate guide to the genuine article, featuring new, still-life shots of original clothing and accessories plus key examples of the cover art of Blue Note, Stax, Motown, and Atlantic Records. Contemporary magazine advertisements, French New Wave, and key American movie posters and new illustrations bring the Ivy Look into sharp focus.

(*Children's Book Collection, Boxed Set of Books for Kids, Box Set of Children's Books*) Rizzoli Publications

In three short stories, two fox sisters run away from home, bury a time capsule, and take advantage of some creative juice.

**(Best Friends Books for Kids, Elementary School Books, Early Chapter Books)** Simon and Schuster

The instant New York Times bestseller! In this twisty psychological thriller from the #1 New York Times bestselling author of *THE CELLAR*, Ivy finds out that her twin sister, Iris, is trying to push her out of her own life--and might be responsible for their mother's death. After their parents divorced, 10-year-old twins Ivy and Iris were split up--Ivy lived with Dad, Iris with Mom. Now, after a tragic accident takes their mom's life, the twins are reunited and Iris moves in with Ivy and their dad. Devastated over Mom's death, Iris spends the first few weeks in almost total silence--the

only person she will speak to is Ivy. Iris feels her life is over and she doesn't know what to do. Ivy promises her twin that she can share her life now. After all, they're sisters. Twins. It's a promise that Iris takes seriously. And before long, Ivy's friends, her life at school, and her boyfriend, Tyler, fall under Iris's spell. Slowly, Ivy realizes she's being pushed out of her own life. But she's just being paranoid, right? And Mom's accident was . . . just an accident. Right? It's not like she--or Dad--or Tyler--are in any danger. . . .

How Japan Saved American Style Chronicle Books

The moment they saw each other, Bean and Ivy knew they wouldn't be friends. But when Bean plays a joke on her sister, Nancy, and has to hide—quick—Ivy comes to the rescue, proving that sometimes the best of friends are people never meant to like each other. Vibrant characters and lots of humor make this a charming—and addictive—series.

Ebony and Ivy Chronicle Books

Yorkshire, 1879 I am alone. When Ivy Leavold is left destitute by her brother's death, she is taken in by her cousin's brooding, tortured widower--Julian Markham. Handsome and possessive, it's not long before Ivy falls for him. But Mr. Markham has dark secrets, secrets that may put Ivy in danger... I am afraid. As Ivy unravels the mystery surrounding her cousin's death, she falls deeper and deeper in love with Julian, who opens her body and her mind to his indomitable will. But even as he draws pleasure and desire from her night after night, Ivy can't shake the feeling that their passionate affair may end in violence... And I am completely his. The first book in the Markham Hall series.

Ivy Aberdeen's Letter to the World Scholastic

A rich, comprehensive collection of images covering the revolution in menswear over the last 100 years with text by fashion historian Cally Blackman. Rare photography and illustrations reveal the elegant tailoring of Savile Row and tough khaki and denim of the uniform and workplace giving way to an exuberant array of styles and colors as the century progresses. Packed with images of Hollywood style icons, the artist personalities of the 1930s, and more, the evolution of menswear

from practical to peacock is explored in an array of rarely seen photographs and illustrations. The impact of Pierre Cardin, Giorgio Armani, Ralph Lauren, and other designers is contrasted with the street fashion of the 1960s, punk, and the club scene to bring together the story of the flourishing menswear market in one invaluable book. A unique collection, *100 Years of Menswear* will prove indispensable for all fashion students, historians of dress, and lovers of men's clothes.

**Classic American Clothing - An Illustrated Pocket Guide**

Entangled: Teen

"An in-depth study of Ivy style will be articulated this book, which will include essays by Patricia Mears, Dr. Peter McNeil, Dr. Christopher Breward, and Dr. Masafumi Monden. Dr. McNeil will analyze the style of the Duke of Windsor, arguably the most stylish man of the twentieth century, and the great impact his look had on Americans, especially as a young man in the 1920s. Dr. Breward will present a cross-cultural look at Ivy style as worn in the prestigious English universities of Oxford and Cambridge; he will also show how the look these young men cultivated would eventually be absorbed and re-interpreted in Hollywood films. Mr. Monden will write about the Ivy style craze that took hold in Japan from the mid-century to the present and its manifestation over the decades. Also included will be short excerpts by G. Bruce Boyer, a leading menswear writer and historian, and an interview with Richard Press by Christian Chensvold, founder of the Ivy Style blog. Mr. Boyer's 1985 publication, *Elegance*, contained chapters on madras, Harris Tweed, the camelhair polo coat, and other elements of Ivy style. The importance of this period publication is that it not only documents these fabrics and clothing items, but also captures the atmosphere of a time when Ivy style experienced a great resurgence in popularity. Mr. Chensvold is the founder and main contributor to the leading blog documenting menswear, particularly Ivy style. The main essay of the publication (by Patricia Mears) will present a historical overview of the Ivy look in the twentieth century. Not only will the issues of the style's enduring popularity and its role as a cutting edge influence be discussed, so too will the cultural and aspirational aspects of its creation"--

**Ivy and Bean Get to Work! (Book 12)** HarperCollins

A leading African-American historian of race in America exposes the uncomfortable truths about race, slavery and the American

academy, revealing that our leading universities, dependent on human bondage, became breeding grounds for the racist ideas that sustained it.

*Book 2 (Best Friends Books for Kids, Elementary School Books, Early Chapter Books)* Laurence King Publishing

A delectable true-crime story of scandal and murder at America's most celebrated university. A delectable true-crime story of scandal and murder at America's most celebrated university. A delectable true-crime story of scandal and murder at America's most celebrated university. On November 23rd of 1849, in the

heart of Boston, one of the city's richest men simply vanished. Dr. George Parkman, a Brahmin who owned much of Boston's West End, was last seen that afternoon visiting his alma mater, Harvard Medical School. Police scoured city tenements and the harbor, and offered hefty rewards as leads put the elusive Dr. Parkman at sea or hiding in Manhattan. But one Harvard janitor held a much darker suspicion: that their ruthless benefactor had never left the Medical School building alive. His shocking discoveries in a chemistry professor's laboratory engulfed America in one of its most infamous trials: *The Commonwealth of Massachusetts v. John White Webster*. A baffling case of red herrings, grave

robbery, and dismemberment—of Harvard's greatest doctors investigating one of their own, for a murder hidden in a building full of cadavers—it became a landmark case in the use of medical forensics and the meaning of reasonable doubt. Paul Collins brings nineteenth-century Boston back to life in vivid detail, weaving together newspaper accounts, letters, journals, court transcripts, and memoirs from this groundbreaking case. Rich in characters and evocative in atmosphere, *Blood & Ivy* explores the fatal entanglement of new science and old money in one of America's greatest murder mysteries.
