Shiva: Destroyer and Protector, Supreme
 Ascetic and Lord of the Universe. He is
 Ardhanarishwara, half-man and half-
 woman; he is Neelakantha, who drank
 poison to save the three worlds-and yet,
 when crazed with grief at the death of
 Sati, set about destroying them. Shiva
 holds within him the answers to some of
 the greatest dilemmas that have
 perplexed mankind. Who is Shiva? Why
 does he roam the world as a naked
 ascetic covered with ash? What was the
 tandava? What is the story behind the
 worship of the linga and what vision of
 the world does it signify? Namita
 Gokhale examines these questions and
 many others that lie within the myriad of
 stories about Shiva. Even as she

unravels his complexities, she finds a philosophy and worldview that is terrifying and yet life affirming-an outlook that is to many the essence of Indian thought.

Returning to 1960s' India after decades beyond its borders, Ved Mehta explores his native country with two sets of eyes: those of the man educated in the West, and those of the child raised under the Raj. Travelling from the Himalayas in the east to Kerala in the west, Ved Mehta's observations and insights into India and some of its most interesting figures - including Indira Gandhi, Jaya Prakash Narayan and Satyajit Ray - create one of the twentieth century's most thought-provoking travel memoirs.

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

Shankar Jaikishan (SJ)made a tumultuous debut, with a blockbuster hit Barsat, in 1949. They were young, did not belong to the elite strata of society. Math They won nine Filmfare Awards and nominated almost every year, 1959 to 1974. This book covers their arduous journey of matchless success on a path of thorns. This book documents the history of Tamil cinema, one of the most colossal film industries in the world, and studies the major studios of Madras, the largest outside classical Hollywood in the private sector. It engages with five major studios of Madras—Modern Theatres, AVM, Gemini, Vijaya-Vauhini, and Prasad—through the origins of their founders, and explicates how their history influenced the narratives, genre, and ideology of the canonical films made in Madras studios, arguing for their lasting influence on Tamil cinema. Based on rare primary and secondary materials, and oral history, this book engages with Tamil cinema at the intersection of its industrial, cultural, and socio-political history to argue for its specificity in terms of its aesthetics and its belief in the potential of the medium to mobilize audiences for ideology, politics, and reflexivity.

My Name Is Ravana Penguin UK

ABOUT THE BOOK The Ramayana has always been written, discussed, narrated, and filmed from Sri Rama's perspective. The other side of it, Ravana's angle is equally soothing and has abundant lessons to give, just that not many got the opportunity to explore

this version. My Name Is Ravana retells episodes from the Ramayana from Jaya's view who came onto the Earth as Ravana. He narrates his experiences on this planet during Threta Yugh and discusses the very purpose of his arrival onto this Earth. The legendary history of Ramayana has been rewritten from Ravana's perspective, not something that has been attempted before. Explore the memories of one of the most ancient documented histories of all time. The book also provides useful information about Ramayana locations to tourists and pilgrims visiting Sri Lanka. ABOUT THE AUTHOR Sri Bala Sankuratri is an extensive traveller by nature and writer by passion. His articles in various newspapers and his travel show on various domains are popular. This book is the first to explore the rich archive of Shakespeare in Indian cinemas, including less familiar, Indian language cinemas to contribute to the assessment of the expanding repertoire of Shakespeare films worldwide. Essays cover mainstream and regional Indian cinemas such as the better known Tamil and Kannada, as well as the less familiar regions of the North Eastern states. The volume visits diverse filmic genres, starting from the earliest silent cinema, to diasporic films made for global audiences, television films, independent films, and documentaries, thus expanding the very notion of 'Indian cinema' while also looking at the

different modalities of deploying Shakespeare specific to these genres. Shakespeareans and film scholars provide an alternative history of the development of Indian cinemas through its negotiations with Shakespeare focusing on the inter-textualities between Shakespearean theatre, regional cinema, performative traditions, and literary histories in India. The purpose is not to catalog examples of Shakespearean influence but to analyze the interplay of the aesthetic, historical, socio-political, and theoretical contexts in which Indian language films have turned to Shakespeare and to what purpose. The discussion extends from the content of the plays to the modes of their cinematic and intermedial translations. It thus tracks the intra-Indian flows and cross-currents between the various film industries, and intervenes in the politics of multiculturalism and inter/intraculturalism built up around Shakespearean appropriations. Contributing to current studies in global Shakespeare, this book marks a discursive shift in the way Shakespeare on screen is predominantly theorized, as well as how Indian cinema, particularly 'Shakespeare in Indian cinema' is understood.
