In spite of a brief experimentation early in their relationship, Doc and Carrie Baumgartner have since maintained a monogamous marriage without too much difficulty or even temptation--until now. A move far from home, coupled with new friends and long hours away from each other, have left the young Baumgartner couple on shaky ground. Doc believes bringing in someone "new," like they did early in their relationship, might add just the spice their marriage needs, but Carrie isn't so sure about that plan. Doc has a surprise Christmas present for his wife anyway--but in an ironic twist, he discovers she has one for him, too. Each gift allows the Baumgartners to rediscover, in the true spirit of Christmas, an expansive love that includes not only their feelings for one another, but the ability to share their passion. ----- IF YOU LIKED THIS BOOK You can have more fun with this family! Desperate Dani writes to the Baumgartners in hopes her former lovers might help her clarify her muddled emotions. Mrs. Baumgartner turned her face to me after they went in, resting her cheek on her folded arms. "Doc and I were just talking last night about how much you've done for us over the years. The kids adore you. You're like part of the family." I flushed. "Thanks." "You deserve a good vacation." She smiled, her eyes creasing at the corners. I wondered how old she was. It was hard for me to judge how old people were-to me, they just seemed either old or young. Mrs. B wasn't really either. "It's the least we can do." "If I can get a tan, that will be reward enough." I grabbed the oil next to my towel and poured some into my hands. I worked more of it into my thighs and over my smooth, flat belly. I noticed her watching me. "Do you want some?" "Sure." She took the bottle and sat up to squeeze a pool of glistening liquid into her palm, rubbing it over her shoulders and arms. I slipped my boy short bottoms aside, checking for a tan line. I actually had one, which was thrilling, although it wasn't as dark as I wanted it to be. "You can take it off." Mrs. Baumgartner untied her black bikini top around the neck and I stared as she started to spread oil over her full, naked breasts. I knew I was staring, but I couldn't help it. Her skin was smooth and tawny-even there. Her nipples were brown, vastly different from my light pink ones. "Wh-what?" I stammered. I was still staring. She smoothed oil over her belly, which was softer and a little more rounded than mine, working it under the strings of her bikini and down into the grooves of her thighs. "Your top." She massaged oil into her thighs and calves. "You can take it off-so you won't have any tan lines." She lay on her back on the blanket, glancing over at me. I must have looked shocked. "No one can see, Veronica. It's a private beach-just us."

The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink

treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

From NEW YORK TIMES Bestselling & Award-Winning Author Selena Kitt - OVER 2 MILLION BOOKS SOLD! Selena Kitt's *Girls Only*—where the girls get naughty together, but it feels oh, so good! Paige isn't looking forward to chaperoning her younger sister's Girl Scout Troop for a camping trip outing—burning S'mores, telling the same old ghost stories and listening to little girls giggle all night long—until she meets the new Girl Scout Troop leader, Brandi. The petite blond is just her type, so when a tent mishap leaves Paige without one, forcing the two women to share, the trip goes from tame to thrilling faster than either of them could have imagined. Warning: This title contains hot panty-melting girl-on-girl action! EXCERPT: What can you do with a dozen fourteen-year-old Girl Scouts, three dozen Hershey's chocolate bars, two boxes of graham crackers and four bags of marshmallows when you're thirty miles from any known civilization? Paige could think of a few things, not the least of which involved going to prison for homicide—those pointy marshmallow sticks would make a great weapon, she mused—but she gritted her teeth and agreed to take them all down to the lake to swim so Brandi could finish setting up camp. "Are you sure you know how to pitch a tent?" Paige asked doubtfully, watching the other "adult volunteer" in their little band of merrymakers pulling tent poles out of a bag. Even though Brandi had taken charge once the bus had arrived at the camp site, barking orders clearly enough to get the girls moving, setting up their tents and unpacking their gear, Paige still wasn't quite sure Brandi knew what she was doing, exactly. Maybe it was her own brunette's natural prejudice against the petite blond—or maybe it was Brandi's bright idea that using some of the kerosene would help the fire start a little faster. Paige had thankfully made it to the girls before they tried that brilliant idea, or all of them would have gone home to their parents without eyebrows. "I'll be fine!" Brandi blew a stray length of blond hair out of her eyes, sitting back on her heels in her hiking boots. She was wearing her green Girl Scout sash with all her badges, everything from her Brownie wings to her Senior Scout badge and Paige had to resist the urge to make a joke about Girl Scout cookies being made from real Girl Scouts so hard she actually bit her tongue. "Please, just take the girls down to the lake. Let them swim and have fun. I'll finish up here." "If you're sure?" Paige glanced over at the giggling group of girls, already in their suits, towels slung over their shoulders, among them Paige's little sister, Jess—the sole reason she'd agreed to come along on this exasperating outing in the first place. "Go!" Brandi insisted, flashing her a very broad smile as she struggled with the tent bag. "I'll have it all fixed up by the time you get back. That's your tent, isn't it?" "Uh, yeah, but..." Paige looked over at her gear—less than half of what most of the other girls had dragged along. She was a seasoned camper, even if she'd never been a Girl Scout. "I'll set your tent up too, as payback, okay?" Brandi stood, brushing her hands off on her khaki shorts and shooing Paige toward the waiting gaggle of girls. "Then we can get that fire going and roast hot dogs and marshmallows!" "Okayyy, but no kerosene, right?" Paige backed away, still doubtful, but there was no arguing with that blinding, over-confident smile and squeaky reassurance. Besides, what trouble could she get into setting up tents, Paige reasoned, directing her charges down the path toward the beach. "Shhh." Her hand pressed against his thigh, squeezing. "Watch the movie." He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh. She was too sexy for words. His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

Sibyl Blackthorne isn't afraid of anything—except maybe being

sold into marriage to a man she doesn't love. A man she's never even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an

organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.
