**Essentials of Services Marketing** Ws Professional  
In services marketing, it is important to understand why customers behave the way they do. How do they make decisions about buying and using a service? What determines their satisfaction with it after consumption? Without this understanding, no firm can hope to create and deliver services that will result in satisfied customers who will buy again.

*Understanding Service Consumers* is the first volume in the *Winning in Service Markets* Series by services marketing expert Jochen Wirtz. Scientifically grounded, accessible and practical, the *Winning in Service Markets* Series bridges the gap between cutting-edge academic research and industry practitioners, and features best practices and latest trends on services marketing and management from around the world. Contents: Readership: Business and Marketing students at MBA and eMBA level; marketing professionals and practitioners. Services Marketing;Marketing;Consumer Behavior;Positioning Services;Service Process;Service Environment;Service Advanta≥Customer Relationships;Managing Relationship and Building Loyalty;Complaint Handling;Service Recovery;Service Excellence;Service Quality and Productivity; Service LeadershipKey Features: There are many books on service management in the market, but most are narrowly focused and/or based on anecdotal evidence. This new book is the first to rigorously cover key aspects of services marketing and management, and that is routed in sound academic research. This book bridges the gap between cutting-edge academic research and practitioners The book makes extant academic

knowledge easily accessible. For example, each chapter features an organizational framework that provides an overview of core concepts at a glance, and it ends with a succinct chapter summary in bullet points The book features global best practices and latest trends; it takes on a global perspective with about 40% of all examples originating from the Americas, 30% from Europe and 30% from Asia
