Let the erotic pain lift you into its arms. Surrender to it. Surrender to me. Rylee Miller, independent, strong and in control, seeks intensity of experience in all things. She craves hardcore sadomasochism and believes erotic suffering is just another challenge to be overcome. Taggart Fitzgerald, aka Leather Master, is a world-class whip and leather-gear craftsman. A highly skilled and sexy Dom, he's also a brooding, intense and self-contained man. He

takes what he wants from women, keeping his heart firmly out of the equation. When they meet on a video shoot for *BDSMConnections*, their intense, visceral connection stuns them both. The Leather Master is intrigued by Rylee's staunch assertion she's not a submissive. Is she lying to him-or just to herself? Or maybe she has never learned to truly surrender. With Taggart's dominant, sadistic side and Rylee's sensual, masochist mindset, they should be the perfect pair. But accepting her true nature may not be easy when the Dom she's falling for is a man so damaged by a past filled with pain that he's unable to trust in love. Or maybe it's that he has never learned to surrender to his heart. Editor's Note: *Surrender to Me*, Book Two of *BDSM*

Connections, is a full-length, stand-alone story. The series may be read in any order.

Book 2 of "Powerful Men" Becca Jameson
Publishing

Rachel Kramer Bussel's bestselling books of submissive women and dominant men showcase our fantasies, desires, and deepest wishes. For those (and there are MANY) who love to be tired up, spanked, blindfolded, bound, or "used," for another's pleasure, these are books of inspiration. And, of course, these smart subs are getting exactly what THEY really want in very many ways. Good BDSM erotica makes us understand all the emotions that can come into play when, well, playing: there can be uncertainty, nervousness, fear, excitement. Each of the 22 stories in Surrender are blazingly hot and because they illuminate some aspect of submission. The authors of the stories understand the art of submission and the thrill of surrender, whether that's

personal space, sight ("Without Eyes" by Terri Pray) or culinary choices ("Lunch" by Elizabeth Coldwell). What the women here want is to give up part of themselves to gain something else. They may still be skittish, but overcoming their fears, surrendering to them, yields beauty, pleasure and, in its way, power.

"Yes, Sir." Two simple words changed my life. One night. Complete surrender. Total submission. That was supposed to be it, but there's one complication, I'm pregnant, and he has no idea. Jayce She was like a bird with a broken wing... something small and delicate that wandered into my club, completely out of place and completely beautiful. One look and I knew I had to have her. I

wanted to make her mine, to protect her, to claim her. All these years and I have never taken a submissive, but that's about to change. I'll teach her how sweet surrender can taste, and I'll show her how a real man treats a woman. She'll learn that she'll never feel as free or alive as when she's cuffed and bound, completely at my mercy. Myliel'd sworn off dominant men, locked away my need for submission. I'd given my trust to one too many men who abused it, and all I wanted was to move on. To heal. But one look at Jayce and I knew I'd never met a true dominant before. He radiated power and command. He carried the promise of something better--something real. For just one night, I gave him what I thought I'd never give again: my submission. I let him take me and dominate me. I let him

shatter my world with the heat of his body and the brush of his lips on my ear as he whispered the words that were my undoing. "You're mine, princess." But he bound me in more ways than one that night. I'm pregnant, and he has no idea. *As always, this is a totally SAFE, full length standalone book with a happily ever after, no cheating, and plenty of steam. Bonus content included.*

Use Me, Please!: 3 True BdsM Erotica Short Stories On Service and Pleasure
Penn State Press

It wasn't a match made in heaven, it was a match made in the boardroom! Bestselling bondage author Powerone takes readers beyond *Eyes Wide Shut* and *50 Shades of Grey* in his most masterful novel yet. Molly was a month away from graduating with her MBA. She'd done it in five years in order to

save money. She'd graduate with honors, summa cum laude and it required all her talents to do it. With her degree came student loans that were one hundred-one thousand dollars, but it was a worthy investment for her future. She'd become a teacher's assistant to help pay the bills and she found that it required much more than grading papers and doing research. Her professor had more demanding uses of her luscious body. He taught her the pleasure of serving him in any manner he desired and BDSM seemed to be the theme. She found it provoking strange desires in her to serve. Handsome, young and a billionaire, he had his choice of almost any woman and he took advantage of that. He has no desire to be married, at least not now. His sexual

appetite grew to be more jaded, but tying up women and having his way with them didn't bring the excitement that it should. Michael was always generous with his university that gave him the tools to his success, parting with a million-dollar check when asked. He was caught off guard when the dean of the business school offered him an opportunity, but it came with a price of a twenty-five million dollar donation for a new state of the art AI computer lab building. Then there was the million dollar membership fee for the House of Surrender, a two-hundred-year-old organization that neither Michael nor anyone else ever heard of, that went with it. House of Surrender is a place where the elite met to celebrate the domination of submissive women in a

background of decadent wealth and ceremony. Hundreds of years of training brought them to the pinnacle of excellence in turning women into the truly submissive slaves that men of quality desired. While Michael might have thought he knew what was required on his part, he was quickly shown he was disillusioned with a fantasy that the modern movies taught. The university, in conjunction with the House of Surrender, would find the ideal candidate that had the disposition, but not the training necessary to please Michael's discerning tastes. The candidate and Michael would undergo the rigorous training at the House of Surrender until both were pleased with their roles. Was this an expensive hoax or could it deliver what it promised?

Molly and Michael's lives collided, brought together by the dean of business. Michael would donate to the university and Molly would get paid handsomely, free of her student loans along with a six-figure cash settlement. All of it required her complete submission to Michael at the House of Surrender for six months. Could she submit so easily? Her professor gave her a glimpse of what it would be like, but House of Surrender would require her ultimate and complete submission. She would lose her ability to say no.

Warning: This story is aimed for adult reading only and contains erotica and BDSM content including: Bondage, spanking, sexual teasing and denial. Oh, and a dominant redheaded librarian and a rather violent female bodyguard.

Summary: Peter Thompson leads a fairly successive life as a graphic designer working a web agency in inner London. He has a reasonable nice flat, several girlfriends (but nothing serious) and a hip job that some people would be willing to kill for. Then one late Thursday evening when the local library is about

to close Peter follows a whim and tries to seduce the short and curvy librarian who works there. But nothing goes according to plan and soon Peter's ordinary life is thrown upside down as he finds himself getting more and more attracted to the mysterious and dominant librarian... But who is she, really? Excerpt: --- Without thinking, I reached for her. I wanted to let my hands stroke her rounded breasts and cup her bottom, preferably to move her closer so that I could enter her. I didn't want to wait; I was already turned on and more than ready. But the chains stopped me. The chain between the handcuffs rattled against the iron-wrought bars of the bed and I felt them dig through the leather bands into my wrists as I tried again. She laughed coyly at me. "You can't," she said in an

amused voice, while she continued to stroke me. Her thumb rubbed the top of my erection, making small circles and gliding back and forth over the head. I groaned with pleasure and once again tried to reach for her, but the handcuffs and the chain stopped me. She leaned closer, whispering in my ear, "I like it when you struggle." Her voice sent a shiver down my spine and with a stifled groan, I pressed myself closer to her... --- This is an erotic fantasy short story about male submission.
