From the book: "There is only one thing you need to know when it comes to making money. Money is energy. The amount of money you have in your life is a direct reflection of the energy you hold within yourself. This is why there is no point trying to force things outside of yourself to happen so that you make more money. It's true that the actions you take in your world are what's going to be the bridge for money to enter your bank account, but you must realize the actions you take are just bridges. In order to make the money you desire, you must energetically become a magnet to the energy of abundance. If you are in alignment and magnetized to that energy you will attract more than

you could ever ask for once you build those bridges. What you need to know is how to bring in and manifest that energy inside of yourself. Building bridges is easy, unique to each individual, and will be something you're able to do intuitively. Too many of my children have the opposite approach. They see really successful people that have built nice bridges to bring in wealth and they try and build a similar bridge with no success. Don't get distracted by bridges. Just because it's something tangible the eyes can see doesn't mean it's your source. Focus instead on getting yourself to an energetic state where you become a magnet to abundance."

Madman, tyrant, animal—history has given Adolf Hitler many names. In Mein Kampf (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna

forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become

Mein Kampf, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In Mein Kampf, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

Still walking around with my first kiss.” He says: “It’s been six years of strategic avoidance and social discomfort.” But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there’s maybe more to Juli than meets the eye, she’s thinking that he’s not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny

voices.
