This volume was first published by Inter-Disciplinary Press in 2013. Fashion-Wise offers an interdisciplinary and transcultural approach to the phenomenon of fashion, investigating its historical, socio-political and artistic aspects. The chapters collected in the volume discuss fashion in the contexts of personal and national identity, gender politics, phenomenology, psychoanalysis, history, consumer culture, ethics, education, performance studies, authenticity, disability studies, sport and celebrity culture. The authors included in this seven-part volume not only comment on the ways in which we have been 'consuming' fashion across centuries and cultures but also explore its relevance as a critical subject in cultural studies.
